

The background of the entire image is a composite of various elements. At the top, there's a sky with a rainbow and several bright, colorful stars or nebulae. Below this, a body of water reflects the colors. In the foreground, the silhouettes of a man and a woman are walking away from the viewer, towards the water. The man is carrying a bag. The overall color palette is dominated by purples, pinks, blues, and greens, creating a dreamlike and ethereal atmosphere.

What is Life?

Life

The condition that distinguishes animals and plants from inorganic matter, including the capacity for growth, reproduction, functional activity, and continual change preceding death.

The existence of an individual human being or animal

Between the birth and the death is called as the life.

Origins of Life

Definition

The origin of life on Earth is a set of paradoxes. In order for life to have gotten started, there must have been a genetic molecule something like DNA or RNA capable of passing along blueprints for making proteins, the workhorse molecules of life.

The origin of life is one of the great mysteries in the Universe

To determine the origin of life, scientists are investigating the problem in several different ways. Some scientists are studying life on our own planet. Some scientists are seeking out life or fossil life on other planets or moons in our solar system. And other scientists are trying to detect life in other solar systems, either by measuring life's effects on the atmospheres of distant planets or by measuring artificial radiation like radio signals that may be produced by advanced life.

3.5 billion year old rocks

Thus far, the most fruitful approach has been to examine life on our own planet. However, even in our own backyard, it is difficult to determine life's origins because it began at least 3.5 billion years ago. We know that life began at least 3.5 billion years ago, because that is the age of the oldest rocks with fossil evidence of life on earth. These rocks are rare because subsequent geologic processes have reshaped the surface of our planet, often destroying older rocks while making new ones. Nonetheless, 3.5 billion year old rocks with fossils can be found in Africa and Australia. They are usually a mix of solidified volcanic lavas and sedimentary cherts. The fossils occur in sedimentary cherts.

Chemical traces of life have also been detected in slightly older rocks. In Greenland, a series of ancient metamorphosed sediments have been found. Analyses indicate the sediments were deposited about 3.8 billion years ago. They also revealed carbon isotope signatures that appear to have been produced by organisms that lived when the sediments were deposited.

In all cases, life as we understand it must have water. This general rule is true on Earth and is thought to be true elsewhere in the solar system. Currently, life is being sought on Mars where water may have once flowed on the surface and Europa where a subterranean sea of water may exist beneath its icy surface.

If one analyzes the genetic information in a variety of modern organisms living on Earth, one can begin to group and separate organisms based on their common (or disparate) properties. This type of analysis is intuitive at some levels. For example, most people recognize that mule deer and white tail deer are more closely related than mule deer and grizzly bears. Consequently, in a tree of life, mule deer would appear closer to white tail deer than grizzly bears. This same process can be applied to all organisms and has led to three large domains of life.

Three large domains of life

Bacteria

Archaea

Eukarya

Bacteria, Archaea, and Eukarya. Humans, as well as other complex mammals, are part of the Eukarya group. If one traces the genetic information in organisms in all three groups, it appears they have a common ancestor or at least ancestors that share a common set of traits. In either case, it appears the earliest form of life in the tree of life were thermophilic or hyperthermophilic organism, which means they lived in systems composed of hot water.

Hot water systems are called hydrothermal systems. These can be found in areas of volcanic activity where hot molten rock beneath the surface heats groundwater. Hydrothermal systems produce hot springs and geysers at the surface. Good examples include Yellowstone on the United States and Rotorua in New Zealand.

Recently, Kring and his colleagues have been investigating impact-generated hydrothermal systems. The energy deposited by an impact event is so great that it can easily heat water and cause it to circulate through the Earth's crust. Examples of impact-generated systems have been found at several impact craters around the world. And although none of them are active today, they likely produced hot springs and geysers similar to those produced by magnetic activity beneath the surface of the Earth.

Early in Earth's history, both volcanism and impact cratering were very common processes. So both may have provided the environments needed to transform disparate chemical compounds into living organisms and may have provided a suitable habitat for that life to evolve.

Was the origin of life connected to the lunar cataclysm?

The lunar cataclysm

A team of researchers from the NASA Lunar Science Institute (NLSI) at NASA's Ames Research Center, Moffett Field, Calif., have discovered that debris that caused a "lunar cataclysm" on the Moon 4 billion years ago struck it at much higher speeds than those that made the most ancient craters. The scientists found evidence supporting this scenario by examining the history of crater formation on the Moon.

During Earth’s earliest days, our planet and others in the inner solar system, including the Moon, experienced repeated impacts from debris that formed the building blocks of the planets. Over time, as material was swept up and incorporated into the inner planets, the rate of impacts decreased. Then, roughly 4 billion years ago, a second wave of impacts appears to have taken place, with lunar projectiles hitting at much higher speeds. This increase could reflect the origin of the debris, where main belt asteroids were dislodged and sent into the inner solar system by shifts in the orbits of the giant planets. Understanding the history of impacts, and the role they played in the formation of the inner planets, can help Astro-biologists understand the processes that lead to the creation of small, habitable worlds like Earth.

The team is composed of Simone Marchi, an NLSI postdoctoral fellow, William Bottke, the NLSI Team Lead at Southwest Research Institute, Boulder, Colo., David Kring, the NLSI Team Lead at the Universities Space Research Association (USRA) Lunar and Planetary Institute in Houston, and Alessandro Morbidelli from the Observatoire de la Cote d’Azur, France. Their research paper, “On the Onset of the Lunar Cataclysm as Recorded in its Ancient Crater Populations,” was recently published in the journal Earth and Planetary Science Letters.

The scientists analyzed digital maps of the lunar surface to learn about its history. Their analysis shows that craters formed near the 533.2 mile (860 km) diameter Nectaris impact basin were created by projectiles hitting twice as fast as those found on more ancient terrains. This was represented by a subtle shift in crater sizes, with the crater themselves 30 to 40 percent larger on average than those found in comparable populations with older

craters. The scientists believe this can be best explained by an increase in the velocities of the projectiles that produced the younger craters.

The increase in velocities may indicate a change in the solar system when the craters were created. The analysis supports the “lunar cataclysm” hypothesis that the brief pulse of impacting objects 4 billion years ago was due to gravitational disturbances caused by the reorganization of the giant planets as their orbits changed. Nectaris, a crater close to the Apollo 16 landing site, appears to have recorded the spike in asteroid impacts during the “lunar cataclysm.”

Determining the magnitude and duration of any impact cataclysm and testing that hypothesis is a top science priority for future exploration of the Moon, according to a previously published report by the National Research Council.

When Apollo astronauts gathered rock samples from the Moon, many samples had ages dating back 3.9 to 4 billion years ago, suggesting an enhanced pulse of bombardment. If a bombardment of asteroids hit the Moon as theorized, there could be indicators left on the lunar surface that would help validate the theory. Detailed mapping by the United States Geological Survey has previously identified small regions of the lunar surface that might contain clues about the bombardment. The team re-studied those ancient surfaces and measured the sizes of the impact craters using new data obtained from the Lunar Orbiter Laser Altimeter (LOLA), an instrument on NASA’s Lunar Reconnaissance Orbiter (LRO) currently orbiting around the Moon.

Where did life begin on Earth?

The earliest undisputed evidence of life on Earth dates at least from 3.5 billion years ago, during the Eoarchean Era after a geological crust started to solidify following the earlier molten Hadean Eon. There are microbial mat fossils found in 3.48 billion-year-old sandstone discovered in Western Australia.

When did life start on earth?

We know that life began at least 3.5 billion years ago, because that is the age of the oldest rocks with fossil evidence of life on earth. These rocks are rare because subsequent geologic processes have reshaped the surface of our planet, often destroying older rocks while making new ones.

Organization

Cell Theory

The cell is the basic unit of structure, function, and organization in all organisms.

Living things are highly organized, and all living organisms are made up of one or more cells, which are considered the fundamental units of life. Individual cells perform complex biochemical processes needed to maintain their structure and function, and each cell is highly organized. Unicellular organisms consist of only a single cell, while multicellular organisms such as humans are made up of many cells. The cells in multicellular organisms may be specialized to do different jobs and are organized into tissues, such as connective tissue, epithelial tissue, muscle, and nervous tissue. Tissues make up organs, such as the heart or lungs, which carry out specific functions needed by the organism as a whole.

Metabolism

Life depends on an enormous number of interlocking chemical reactions. These reactions make it possible for organisms to do work such as moving around or catching prey as well as growing, reproducing, and maintaining the structure of their bodies. Living things must use energy and consume nutrients to carry out the chemical reactions that sustain life. The sum total of the biochemical reactions occurring in an organism is called its metabolism.

Metabolism can be subdivided into anabolism and catabolism. In anabolism, organisms make complex molecules from simpler ones, while in catabolism, they do the reverse. Anabolic processes typically consume energy, whereas catabolic processes can make stored energy available.

Homeostasis

Living organisms regulate their internal environment to maintain the relatively narrow range of conditions needed for cell function. For instance, your body temperature needs to be kept relatively close to 98.6 degree F (37degree C). This maintenance of a stable internal environment, even in the face of a changing external environment, is known as homeostasis.

Growth: Living organisms undergo regulated growth. Individual cells become larger in size, and multicellular organisms accumulate many cells through cell division. You yourself started out as a single cell and now have tens of trillions of cells in your body. Growth depends on anabolic pathways that build large, complex molecules such as proteins and DNA, the genetic material.

Reproduction

Living organisms can reproduce themselves to create new organisms. Reproduction can be either asexual, involving a single parent organism, or sexual, requiring two parents. Single-celled organisms, like the dividing bacterium shown in the left panel of the image at right, can reproduce themselves simply by splitting in two!

In sexual reproduction, two parent organisms produce sperm and egg cells containing half of their genetic information, and these cells fuse to form a new individual with a full genetic set. This process, called fertilization, is illustrated in the image at far right.

Response

Living organisms show “irritability,” meaning that they respond to stimuli or changes in their environment. For instance, people pull their hand away fast! From a flame; many plants turn towards the sun; and unicellular organisms may migrate toward a source of nutrients or away from a noxious chemical.

Evolution

populations of living organisms can undergo evolution, meaning that the genetic **P**makeup of a population may change over time. In some cases, evolution involves natural selection, in which a heritable trait, such as darker fur color or narrower beak shape, lets organisms survive and reproduce better in a particular environment. Over generations, a heritable trait that provides a fitness advantage may become more and more common in a population, making the population better suited to its environment. This process is called adaptation.

What the Bible say about life?

Description: above we have seen what science told about the life. When it comes to the Bible it will be very different. When God created the animals, their life was in their blood. Once the blood gone out from the animal, it loses the life. Coming to the human it was entirely different.

The LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul - Genesis 2:7

The human got the life and also the soul. Animals will not have soul.

Soul: A part of humans regarded as immaterial, immortal, separable from the body at death, capable of moral judgment, and susceptible to happiness or misery in a future state.

Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it - Ecclesiastes 12:7

The very God of peace sanctify you wholly; and I pray God your whole spirit and soul and body be preserved blameless unto the coming of our Lord Jesus Christ - 1 Thessalonians

5:23

This was not there for the animals. So the life is so precious and leads to the real life.

I heard a voice from heaven, saying, "Write, 'Blessed are the dead who die in the Lord from now on!'" "Yes," says the Spirit, "so that they may rest from their labors, for their deeds follow with them - Revelation 14:13

People who accepted the Lord Jesus Christ as their personal savior will enter into the real life where they live with the God.

A New Heaven and a New Earth: Then I saw “a new heaven and a new earth,” for the first heaven and the first earth had passed away, and there was no longer any sea. I saw the Holy City, the New Jerusalem, coming down out of heaven from God, prepared as a bride beautifully dressed for her husband. And I heard a loud voice from the throne saying, “Look! God’s dwelling place is now among the people, and he will dwell with them. They will be his people, and God himself will be with them and be their God. He will wipe every tear from their eyes. There will be no more death’ or mourning or crying or pain, for the old order of things has passed away.” He who was seated on the throne said, “I am making everything new!” Then he said, “Write this down, for these words are trustworthy and true.” He said to me: “It is done. I am the Alpha and the Omega, the Beginning and the End. To the thirsty I will give water without cost from the spring of the water of life. Those who are victorious will inherit all this, and I will be their God and they will be my children - Revelation 21:1 – 7

Let us see in detail about the life and the real life

Jesus is the life

**Jesus said to him, I am the way, and the truth, and the life. No one comes to the Father
except through me - John 14:6**

Many times we read this verse from the Bible; most of the people do not understand the real meaning of the scriptures. One must meditate the word of God to understand. Psalmist said in his first psalm,

Whose delight is in the law of the Lord, and who meditates on his law day and night. That person is like a tree planted by streams of water, which yields its fruit in season and whose leaf does not wither whatever they do prospers - Psalm 1:2-3

When we meditate, the truths will be revealed to us through the Holy Ghost. Jesus said I am the life, it says that we will have the life in Jesus Christ. When we accepted the Jesus Christ as our Lord and savior there will receive the life. It's the spiritual life. When God told Adam and Eve, that you will die when you eat the fruit,

When the woman saw that the fruit of the tree was good for food and pleasing to the eye, and also desirable for gaining wisdom, she took some and ate it. She also gave some to her husband, who was with her, and he ate it - Genesis 3:6

What happened here? They died in the spirit; they lost the body of glory. But still they were alive in the physic. For this kind of people the scriptures said like this,

To the angel of the church in Sardis write: These are the words of him who holds the seven spirits of God and the seven stars. I know your deeds; you have a reputation of being alive, but you are dead - Revelation 3:1

When we do not receive the Jesus Christ as the Lord and Savior into our lives, we looks like alive, but we are dead. This was the secret reveled by the Jesus, "I am the Life" when we received the Jesus Christ as the lord and savior, we will get the life. That life leads us to the real life. To reach the real life, Jesus Christ is the way. Here we see the life and the real life. Life is in Jesus Christ and the real life through the Jesus Christ. The real life that where we live with the living God for ever and ever.

Coming to my life and the ministry, in the year nineteen seventy two February seventh, accepted Jesus Christ as my lord and savior, there I have received the life, that life making me and leading me to the real life, where I will live with the living God forever. God also blessed me to lead many others to the real life.

Life is the gift of God

The wages of sin is death, but the free gift of God is eternal life in Christ Jesus our Lord

- Romans 6:23

The real life was gift of the God. As we shared above, the real life was given through the Jesus Christ as gift to the entire mankind. To receive the gift of God, we need to come out from the sinful life, because the wages of the sin is death. One must overcome the sinful life to escape the death and also to receive the gift of God, which was

the real life that where we live with Him forever. Many people were gone away from the living God, by ignoring this gift, by desiring the gifts of the world. We can see that in the life of Ghazi.

Gehazi, the servant of Elisha the man of God, said to himself, "My master was too easy on Naaman, this Aramean, by not accepting from him what he brought. As surely as the LORD lives, I will run after him and get something from him - 2 Kings 5:20

In these days we can many God servants running towards the worldly gifts. We can see this in the television ministry and also in the large crusade ministries. They are not presenting the gospel to the people. They are ignoring the truth that why Jesus Christ came to the Earth,

The saying is trustworthy and deserving of full acceptance, that Christ Jesus came into the world to save sinners, of whom I am the foremost. But I received mercy for this reason, that in me, as the foremost, Jesus Christ might display his perfect patience as an example to those who were to believe in him for eternal life - 1 Timothy 1:15 - 16

The mission of Jesus Christ was to save the sinners. And also He gave the eternal life as the gift. This was literally happened in my life. He saved me from the sinful life and gave the gift of God and that was the eternal life.

Find the life in God

Whoever would save his life, will lose it, but whoever loses his life for my sake will find it –

Matthew 16:25

The life in this body is the temporary. Scriptures gave the clear information about this span of life.

Our days may come to seventy years, or eighty, if our strength endures; yet the best of them are but trouble and sorrow, for they quickly pass, and we fly away - Psalm 90:10

e are bound to live for Him in this life. In the other words we need to glorify the
W**living God through this life. Unless we denial our life for the sake of the living**
God we cannot gain that. It means to live in this life to do the works which were
please Him. He gave the greatest command to the disciples to go unto the utter most parts
of the world to present the gospel. When someone lives in this world for his sake, he cannot
fulfill the plans and the projects of the God in his life. When we relies that we were here on
the face of the earth for something, than this life will have the meaning and also leads to the
real life that where we live with the living God forever and ever.

Coming to my life and the ministry, I have never cared this life to live for myself. Even
from the childhood, I use to do the God`s works, all of life time I have lived for Him in
every minute. That life made to reach close to God and helped me a lot to lead the people to
the God. Because I have given all this life to live for His sake, He blessed me reach the real
life where I live with Him forever and ever.

When we believe in God, than He will give life

God so loved the world, that he gave his only Son, that whoever believes in him should not
perish but have eternal life - John 3:16

The problem to the entire mankind is to believe Jesus Christ as their personal savior. Coming to India, we have many God's. We can say that each person have one God. Everything is God for them. Every animal is God for them. Every tree is God for them. They also worship some humans as the God's. That they call as the gurus. Some people clams themselves as the God's. In this situation, they worship many God's. In certain areas, they keep one picture of the Jesus Christ as one of the God. They don't mind

to call Him as one of the God. In this kind of situation, how they believe in the Lord Jesus Christ as the living God and also they will be saved through Him. This is the situation in the India. Coming to the other countries, whether developed or the third world countries, they are all believing in the humans, money and other materialistic things. In this situation, how can they believe in the Lord Jesus Christ? That was the reason why the people are unable to turn into the way of the real life. The one who believes in the Lord Jesus Christ only will get the real life that what we call as the eternal life.

Coming to my life and the ministry, we were from the orthodox Hindu family. God did the great work in my father life. he left all the idol God's and accepted the Lord Jesus Christ as the personal savior by examine in his personal life. That made him as the strong Christian and also led all of us to become the great servant for Him.

Bread of Life

Jesus said to them, I am the bread of life; whoever comes to me shall not hunger, and whoever believes in me shall never thirst - John 6:35

We can see the fulfillment of this word in the book of revelation. When someone enter into the eternal life where we live with the living God forever, there we do not hunger and get thirst.

God's dwelling place is now among the people, and he will dwell with them. They will be his people, and God himself will be with them and be their God. He will wipe every tear from their eyes. There will be no more death or mourning or crying or pain, for the old order of things has passed away - Revelation 21:3- 4

This is speaking about the real life that where we do not hunger and the thirst. These things will happen when someone comes to Jesus. We can also have this blessing during our lives on the face of the earth. In the other side Jesus told himself that the work of the Father is the bread for Him. Likewise the work of the Jesus Christ was the bread for us also it makes us not to thirst for this worldly things to stand for the living God on the face of the earth and also makes the way for us to enter into the real life that were we live with the living God for ever and ever.

Hidden life in Jesus Christ

For you have died and your life is hidden with Christ in God. When Christ who is your life appears, then you also will appear with him in glory - Colossians 3:3-4

Here St. Paul mentioning about the life and the abundant life.

God gives us the life and the abundant life. our life will not end with the physical death, the life will be hidden with the Lord Jesus Christ. It will appear with Him the glory. Life will go into the real life, that where someone live with the living God forever. Because of this

reason St. Paul mentioned in the beginning of this chapter look towards the above.

Living as Those Made Alive in Christ: Since, then, you have been raised with Christ, set your hearts on things above, where Christ is, seated at the right hand of God. Set your minds on things above, not on earthly things. For you died, and your life is now hidden with Christ in God - Colossians 3:1 – 3

Many people were ignoring this fact and looking towards the things on the face of the earth destroys themselves in the spirit and also in the physical life. when we accepted Lord Jesus Christ as our personal savior, our life will be secure and also it will enter into the real life which we call as the heaven that where we live with the living God ever and ever.

True life

As for the rich in this present age, charge them not to be haughty, nor to set their hopes on the uncertainty of riches, but on God, who richly provides us with everything to enjoy. They are to do good, to be rich in good works, to be generous and ready to share, thus storing up treasure for themselves as a good foundation for the future, so that they may take hold of that which is truly life - 1 Timothy 6:17-19

Truly life means the real life, what we should we need to do inherit the true life. The life we are living on the face of the earth is purely temporary. Most of the people do not realize this fact, and try to make the treasures for them on the face of the earth; it's not only the lay-people but also the clergy. For this reason many people were falling in the

worldly things. Many were left the ministry and some became the money grabbers in the name of Jesus Christ. Because of this reason in the early church itself, these scriptures were given to the people about the uncertain treasures. We need to keep our looks on God who richly provides us with everything to enjoy. They are to do good to be rich in good works, to be generous and ready to share, thus storing up treasure for themselves as a good foundation for the future; the good foundation for the future is the real life where we live with the living God forever and ever. It clearly says that there will be the real life where we live forever and also need to make the treasurers of the heavenly to please God and to help the people to reach the real life.

Life through the teachings

**My son, do not forget my teaching, but let your heart keep my commandments, for length
of days and years of life and peace they will add to you - Proverbs 3:1-2**

Teachings were do the great work in the human life. By listening the faith will increase.

**Consequently, faith comes from hearing the message, and the message is heard through the
word about Christ - Romans 10:17**

The main problem with the people was not to listen. When people start to listen there they receive the power of living the life, which leads them to the real life. Jesus clearly said that the people live by His word.

Jesus answered, It is written: 'Man shall not live on bread alone, but on every word that comes from the mouth of God - Matthew 4:4.

It was very clearly evident that the people were only get the life through the teachings, that life leads them to the real life that where they live with the living God forever and ever.

Rise from death to Life

Do you not know that all of us who have been baptized into Christ Jesus were baptized into his death? We were buried therefore with him by baptism into death, in order that, just as Christ was raised from the dead by the glory of the Father, we too might walk in newness of life - Romans 6:3-4

Here we see that the work of the baptism. When we took the baptism there we baptized into the His death to get the life. That was also the sign for that. We take the baptism for the sign that accept the Lord Jesus Christ as the personal savior.

“Repent and be baptized, every one of you, in the name of Jesus Christ for the forgiveness of your sins. And you will receive the gift of the Holy Spirit - Acts 2:38

Our sins will be forgiven and we will get the gift of the Holy Ghost. That life leads to the real life. So here we can see that the baptism plays the pivotal role in the human life. For the reason Jesus Christ himself took the baptism through John the Baptist. We give baptisms very often to the people who accept the Lord Jesus Christ as their personal savior. In India there was the wrong impression that they think we are changing the people from one religion to another religion. They do the fact that this baptism raises the people from the death to the life which leads them to the real life.

Hardships lead to the Life

Coming to my life and the ministry, I have gone through many hardships. As the matter of fact till now we are going through. As the scripture says one must go through the hardships till the last breath on the face of the earth.

Then I heard a voice from heaven say, Write this: Blessed are the dead who die in the Lord from now on. "Yes" says the Spirit, they will rest from their labor, for their deeds will follow them - Revelation 14:13

Because of these hardships, I was becoming so strong in the prayer life. Whenever I face the hardships, I will increase the prayer life. These hardships are making me so strong in the prayer life which is leading to the life in the Jesus. That's making to reach the real life through Jesus.

Narrow gate: Enter by the narrow gate. For the gate is wide and the way is easy that leads to destruction, and those who enter by it are many. For the gate is narrow and the way is hard that leads to life, and those who find it are few.

Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it - Matthew 7:13

Going through the narrow gate means; going through the hardships in the life. But in the final it leads someone to the life to real life where they live with the living God forever and ever.

A Tree and Its Fruit: Beware of false prophets, who come to you in sheep's clothing but inwardly are ravenous wolves. You will recognize them by their fruits. Are grapes gathered from thorn bushes, or figs from thistles? So, every healthy tree bears good fruit, but the diseased tree bears bad fruit. A healthy tree cannot bear bad fruit, nor can a diseased tree bear good fruit. Every tree that does not bear good fruit is cut down and thrown into the fire. Thus you will recognize them by their fruits.

By their fruit you will recognize them. Do people pick grapes from thorn bushes, or figs from thistles? - Matthew 7:16

Bearing the good fruited was the sing that we are in the Lord Jesus Christ. That life will lead someone to the real life and also use them to lead as many as people to the real life.

I Never Knew You: “Not everyone who says to me, ‘Lord, Lord,’ will enter the kingdom of heaven, but the one who does the will of my Father who is in heaven. On that day many will say to me, ‘Lord, Lord, did we not prophesy in your name, and cast out demons in your name, and do many mighty work in your name? And then will I declare to them, ‘I never knew you; depart from me, you Many will say to Me in that day, ‘Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name?’ 23 And then I will declare to them, ‘I never knew you; depart from Me, you who practice lawlessness you workers of lawlessness - Matthew 7:22-23

This was sad part in the lives of the nominal God servants who were very much eager to make monies in the name of the Jesus Christ. Most of the healing ministries on the face of the earth were money making channels. I have seen many God servants like this were ended up their lives in the pathetic way. One the God servants tries to please God, he will definitely face the hardships in the life. coming to my life and the ministry, I had this kind experience all time. I do not do business in the name of Jesus Christ. As the God said you got it free and give it free.

Heal the sick, raise the dead; cleanse those who have leprosy, drive out demons. Freely you have received; freely give - Matthew 10:8

God is leading to follow the scriptures in my life to glorify Him. The books I wrote were for the free reading. We do not do any area of the ministry for the sake of money. Because this reason we may not have rapid development in the money matters. But we were so strong in the spirit. That life is in the Jesus Christ making us so strong to live for Him and also making us to lead the people to the real life with us.

Build Your House on the Rock: Everyone then who hears these words of mine and does them will be like a wise man who built his house on the rock. And the rain fell, and the floods came, and the winds blew and beat on that house, but it did not fall, because it had been founded on the rock. And everyone who hears these words of mine and does not do them will be like a foolish man who built his house on the sand. And the rain fell, and the floods came, and the winds blew and beat against that house, and it fell, and great was the fall of it - Matthew 7:13 - 27

When we built the spiritual house on the rock of Jesus Christ, We will not move or shake with any waves of troubles or the hardships. When we were built on the rock of Jesus Christ we will be so strong to have the life and to lead the people to the real life with us.

Real Life through righteousness

Better to be lowly and have a servant than to play the great man and lack bread. Whoever is righteous has regard for the life of his beast, but the mercy of the wicked is cruel. Whoever works his land will have plenty of bread, but he who follows worthless pursuits lacks sense - Proverbs 12:9-11

Whoever is righteous has regard for the life of his beast. How a person will become as righteous? What about the human totally regarding the righteous? The scriptures where very clear that there is no righteous person on the face the earth.

As it is written: There is no one righteous, not even one - Romans 3:10

**Indeed, there is no one on earth who is righteous, no one who does what is right and never
sins - Ecclesiastes 7:20**

In this situations; from where we can find the righteous person on the face of the earth.

The God of mercy made a way for the entire human to become the righteous. The scriptures were very clear in this matter.

**If we confess our sins, he is faithful and just and will forgive us our sins and purify us from
all unrighteousness - 1 John 1:9**

**By the mercy and grace of the living God one will become the righteous in the sights of the
living God. Through His blood, the sins were cleaned and forgiven to become the righteous.**

**It's the gift of God. What for making someone righteous? To live as His living child on the
face of the earth and also reach the eternal life where we live with the living God for ever
and ever, which we call as the real life.**

Spirit reap eternal life

Do not be deceived: God is not mocked, for whatever one sows, that will he also reap. For the one who sows to his own flesh will from the flesh reap corruption, but the one who sows to the Spirit will from the Spirit reap eternal life - Galatians 6:7-8

ne who sows to the Spirit will from the Spirit reap eternal life. Our future and the **O**real life will depend on the seed what we sow. We need to win the flesh and its desires to stand in the spirit to have life which will lead us to the eternal life. Many people were failing here including the God servants. There many failures of the people due to the weakness in the flesh. We have nothing to blame someone for our failures.

Coming to my life and the ministry, recently one of the senior pastors of our city visited me. He visits me every month. He became very sick. We spoke many things regarding the ministry. He shared about his physical sickness. His family left him, he staying alone in a house where he holds the church services. He got no one to take care about him. As there is no one to take care about his food and the other needs, he was automatically pushed into the physical sickness. By the time he depart from me, I told him as the final word of that meet. “Every person reaps what all he sows” for your sickness or for your health; for your wealth or poverty; for your name and fame or dishonor; for grow in all ways or fall in all ways; you are reason. We have nothing to blame other for our curse or appreciation for blessings.

When sow the spirit than we reap the eternal life that where we live with the living God forever and ever, that’s the real life.

Life through the true God

And this is eternal life, that they know you the only true God, and Jesus Christ whom you
have sent - John 17:3

his is very important thing to know the true God. As the matter of fact, there is only
Tone God, one heaven. People must know who that real God is. There are many Gods in
the world, we can say there are not God's, but calling them self as Gods. People are
treating them as the God's. The great philosopher in India, named as the Sarvepalli Radha
Krishna said that all God's leads to the one destiny. The other philosopher were
condemned his statement by explaining that every religion has its own descriptions and the
deferent teaching on the destiny. That is true also. Hinduism believes in many God's,
Muslims believe in Allah as one God. Coming to the Christianity, they believe in one God.
It's not the question of believe, we must know go to the realities.

I had the better experience on this matter in my life. One fine day was in the nearby city to our city called as Vijayawada. There I was happened to travel in the city bus. One young man was also travelling with me in that bus. I questioned him, what you are doing? He said that he is the social worker. He also questioned me what I am doing? I told him that I was the pastor, immediately in the surprise voice, he asked me about his un-answered question from other pastors. I asked him what the question was. He shared that he goes to the prison to do the counseling work to the prisoners. In the prayer hall at the prison, all God's pictures will be there. Every prisoner irrespective of their religions, every one worships the Jesus Christ. I asked many pastors why they are doing like that. They were un-able to answer. Can you please give the rights answer for that? I smiled and explained why they

doing like that. In the Hinduism, there were many Gods, those entire God's main agenda was to protect the good people and punish the evil people. As they were prisoners and already accused and declared that they are evil. So they have work with the Hindu god's as they also punish them. Coming to Allah, he dictator the orders to the people and punish them in very bad way. On the day of their namaz on Friday, they implement the punishment to the people whom they think that are at wrong. They don't have any work with that God. Coming to the Jesus Christ, He came all the way to the face of the earth to save the sinners. They like that as they are the sinners. I told him that reason was very simple. He said thank you sir.

Here the point is the real God. Every person on the face of the earth must know, who the real God is. The real God gives the life on the face of the earth and also leads us to the real life, that where we live with the living God forever and ever.

What is real life?

Life as it is lived in reality; involving unwelcome as well as welcome experiences; as distinct from a fictional or idealized world.

Every deed will come at judgment

The end of the matter; all has been heard. Fear God and keep his commandments, for this is the whole duty of man. For God will bring every deed into judgment, with every secret thing, whether good or evil - Ecclesiastes 12:13-14

Most of the people by ignoring this fact, they do things as they like and live as the like. I have seen the God's children and the servants also in this manner. They think everything will end with this life. They do not believe that there is the eternal life that where we live forever and ever.

In the Indian philosophy, there are the people called Charvak, Charvaka, also called Lokayata (Sanskrit: "Worldly Ones"), a quasi-philosophical Indian school of materialists who rejected the notion of an afterworld, karma, liberation (moksha), the authority of the sacred scriptures, the Vedas, and the immortality of the self.

The Charvaks do not believe in the eternal life. They do whatever they what to do. Their philosophy is the might is the right. For such kind of people do not believe in "Every deed will come at judgment"

The sad part here in the society, and in the church, the so called Christian leaders and the Pastor including the servants of God in the different areas do not believe in the eternal life. They talk much about the eternal life but crave for the money and the worldly things. Because of such people the non-Christians are mocking the name of the living God.

It is true that every deed will come at judgment. We must have the fear of the God to continue this life on the face of the earth by having Christ in us to reach the eternal life means the real life. What all we do here on the face of the earth will come with us when we stand in front of the judgment seat.

Sharing about the living God to others

I charge you in the presence of God and of Christ Jesus, who is to judge the living and the dead, and by his appearing and his kingdom: preach the word; be ready in season and out of season; reprove, rebuke, and exhort, with complete patience and teaching. For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own passions, and will turn away from listening to the truth and wander off into myths. As for you, always be sober-minded, endure suffering, do the work of an evangelist, fulfill your ministry - 2 Timothy 4:1-5

This is very important for the people who are living in the life for the real life. Unless we have the re-born experience we cannot share the message of the Jesus Christ to others. The first and almost thing for the ever individual is to accept the Jesus Christ as the personal savior.

Coming to my life and experience, one particular Sunday I was invited to preach in a Baptist church. That was the large church and the main church for the surrounding villages. Before my message, during the announcements time, the secretary of the church announcing to the congregation with the burden about the sharing of the gospel to the gentiles and the non-cooperation of the church members by not attending to the campaign to share about the living God.

I took the opportunity to talk on that subject before I start my sermon. I told the secretary of the church openly; do not worry about the people who did not attend the gospel campaign to share about the Jesus Christ to the Gentiles. The one who had Jesus Christ in them cannot keep silence to share about their joy of salvation to the others. Same time the one who do not accept Jesus Christ as their personal savior, cannot share about the joy of salvation as they do not know the Jesus Christ I their personal life.

In my life I will share about the love and salvation of Jesus Christ to each and individuals in all times. In my travels and in every moving whom so ever I meet the persons, I will share about Jesus. I do this work in all times by having concern of the people to make them to accept the Jesus Christ as their personal savior to reach the real life where they also live with us in the eternal life with living God forever and ever.

Take care against all covetousness

And he said to them, Take care, and be on your guard against all covetousness, for one's life does not consist in the abundance of his possessions - Luke 12:15

Most of the God's children and the servants were going away from the living God due to the covetousness. They start their lives with great commitment with the re-born experience, they do very hard work to reach the un-reached with the gospel. It's very important for every God children and the servants to watch themselves very carefully as there is every danger for them to fall. In these days most of the people were falling in the covetousness. Satan was not hesitated to tempt Jesus Christ by saying bow down to me I will give you riches of this world. When Satan no hesitated tempt Jesus Christ, where do we stand in front of Satan. Because of the is reason St. Paul said that he was checking himself every day to stand firm for the living God. That kind of spirit made him to stand for the living God till the end.

Coming to my life and ministry, there were many situations to fall in the covetousness. But in every situation God was with me as have the fear that I may fall. As the matter of fact we have very good congregation. We started with fifteen members now with in these twenty three years the congregation raised up to five thousand in and around. As the matter of fact the real church is the congregation, not the building. Till today we are having the worship in the rented buildings. In one of my American visits, by coming to know this need one of the young girl brought one black American to me regarding the church building. That man offered me ten million dollars for the church building. I questioned from here you got this money? He said that he was belonging to Mafia. I told him we don't need that money for the church building. God will provide the money for the church building; if do not provide, there was no problem. We can have our church services under the tree also. With the great faith we are running the church and the ministry. We have never given the room for the covetousness. That spirit was making us to stand so strong for the Christ Jesus to reach the un-reached people with the gospel.

Rejoice always

Rejoice always, pray without ceasing, give thanks in all circumstances; for this is the will of God in Christ Jesus for you - 1 Thessalonians 5:16-18

This is an important thing in every real Christian's life. People think how it is possible to be happy in every situation with the troubles and the problems in the daily life.

Problems and the troubles make someone to depress in the life, which will effect on the body very much. If go and tell them to be happy and rejoice all time, the think we are making them fools. As the matter of fact, when someone receives the Lord Jesus Christ as their personal savior, they will receive the joy in the spirit. That joy leads someone to the real happy life both in the spiritual and the physical. Scriptures are also very clear in this matter.

Dear friend, I hope all is well with you and that you are as healthy in body as you are strong in spirit - 3 John 1:2

When you are living in the joy in spirit and physic here on the face of the earth, it will lead you to the eternal life that where you live with the living God forever and ever with the rejoicing all times.

In the eternal life say the real life there will be no sorrows or cry any more. Let's go through the scriptures on this matter.

I heard a loud voice from the throne saying, "Look! God's dwelling place is now among the people, and he will dwell with them. They will be his people, and God himself will be with them and be their God. He will wipe every tear from their eyes. There will be no more death' or mourning or crying or pain, for the old order of things has passed away -

Revelation 21:3 - 4

We will rejoice always in the eternal life that we are calling as the real life. We need to practice that real life from the earth itself. That can be possible in the reborn experience that given by the Lord Jesus Christ. When we are in Jesus Christ, problem will be the problem for us troubles is not the trouble for us, because he will take the charge of everything.

Coming to my life and the ministry, I have gone through every kind of the troubles and the problems through the evil people and the own people. Even in this age sixty three years of age also I am facing the problems in the ministry very often. But in the very situation I am very happy and rejoicing in the spirit through the lord and savior Jesus Christ. This joy will definitely leads me to the eternal life where I live with Him forever and ever, which we call as the real life.

Believing in God

Jesus said to them, I am the bread of life; whoever comes to me shall not hunger, and whoever believes in me shall never thirst - John 6:35

Believing in God is not an easy thing. People think they believe the God in everything. Coming to the realities in the life, most of the people believe in the people and in the worldly things like banks or things like that. Coming to the Indian families, most of the children were depend on the father`s and forefather`s properties and the earnings. They always look towards the father`s and forefather`s, how can they believe in the God? Coming to the forward countries, they believe in their abilities and affords. For such people

how can they believe in the God? Because of these kind of situation the thirst and the hunger of the people was not fulfilling. When someone believes in the living God He will supply their needs. Scripture also very clear this matter.

The Lord is my shepherd, I lack nothing. He makes me lie down in green pastures, he leads me beside quiet waters, he refreshes my soul. He guides me along the right paths for his name's sake. Even though I walk through the darkest valley, I will fear no evil, for you are with me; your rod and your staff, they comfort me. You prepare a table before me in the presence of my enemies. You anoint my head with oil; my cup overflows. Surely your goodness and love will follow me all the days of my life, and I will dwell in the house of the Lord forever - Psalm 23

By believing in God we will have the peaceful life here on the face of the earth and also that life leads us to the eternal life that where we live with Him forever and ever.

Coming to my life and the ministry, believing in God is must as every day is the new day for us, both in the ministry and the family. Unless God provides my life and the ministry never go ahead. We need lot of things to run the family and the ministry. Besides this, paying bills every month is like challenge for us. People around us always surprise about our live existence both in the ministry and family. As for me every day I see the wonders of the God in my life and ministry. He is feeding us and leading us to live for His glory, this kind life making us to live for Him on the face of the earth and also leading that life to the real life.

Seek the God first

Seek first the kingdom of God and his righteousness, and all these things will be added to
you - Matthew 6:33

This is very important thing in the lives of the God's children and the servants. Most of them are seeking the worldly things. They believe in the visible thing. They do not trust in the things which they cannot see. For such people if tell, seek the kingdom of God, they smile for that. They just worry for the things they need on the face of the earth. For that they do not care anything and do not mind to do any evil. They least bother about the righteousness and it's values. King David experienced the presence of God and the importance of the God in his life. Through his life experience he said the following words.

Whom have I in heaven but you? And earth has nothing I desire besides you. My flesh and my heart may fail, but God is the strength of my heart and my portion forever - Psalm

73:25-26

God blessed David a-lot. But David all the times remembered his past life and the troubles he faced and also the rescue that he got from the God. Through his life experience he came to know to seek the God first. That kind of thinking made him close to God and helped him to receive every mighty blessing from the God. This is not only the experience of God, but the experience of every God's children and the servants.

Coming to my life and the ministry, through my mother's teachings and the guidance of my loving father, I came to know the truth that to believe in God for very thing. As the matter of fact I practiced that one hundred percent in my life without any doubt and the failure. That was the secret of the life prosperity. As the word of God said I have seek the kingdom of God and His righteousness. I have never asked God for my needs. But God provided every need of mine in the right time to stand for Him. Also that led me to the life on the face the earth and also made the way for me to reach the real life.

Know to please God

He has told you, O man, what is good; and what does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God? - Micah 6:8

Pleasing God is very important thing for the God's children and to the servants. Many were failing here. Most of the people want to please people for their personal benefits. The scriptures are very clear in the matter.

Am I now trying to win the approval of human beings, or of God? Or am I trying to please people? If I were still trying to please people, I would not be a servant of Christ - Galatians

1:10

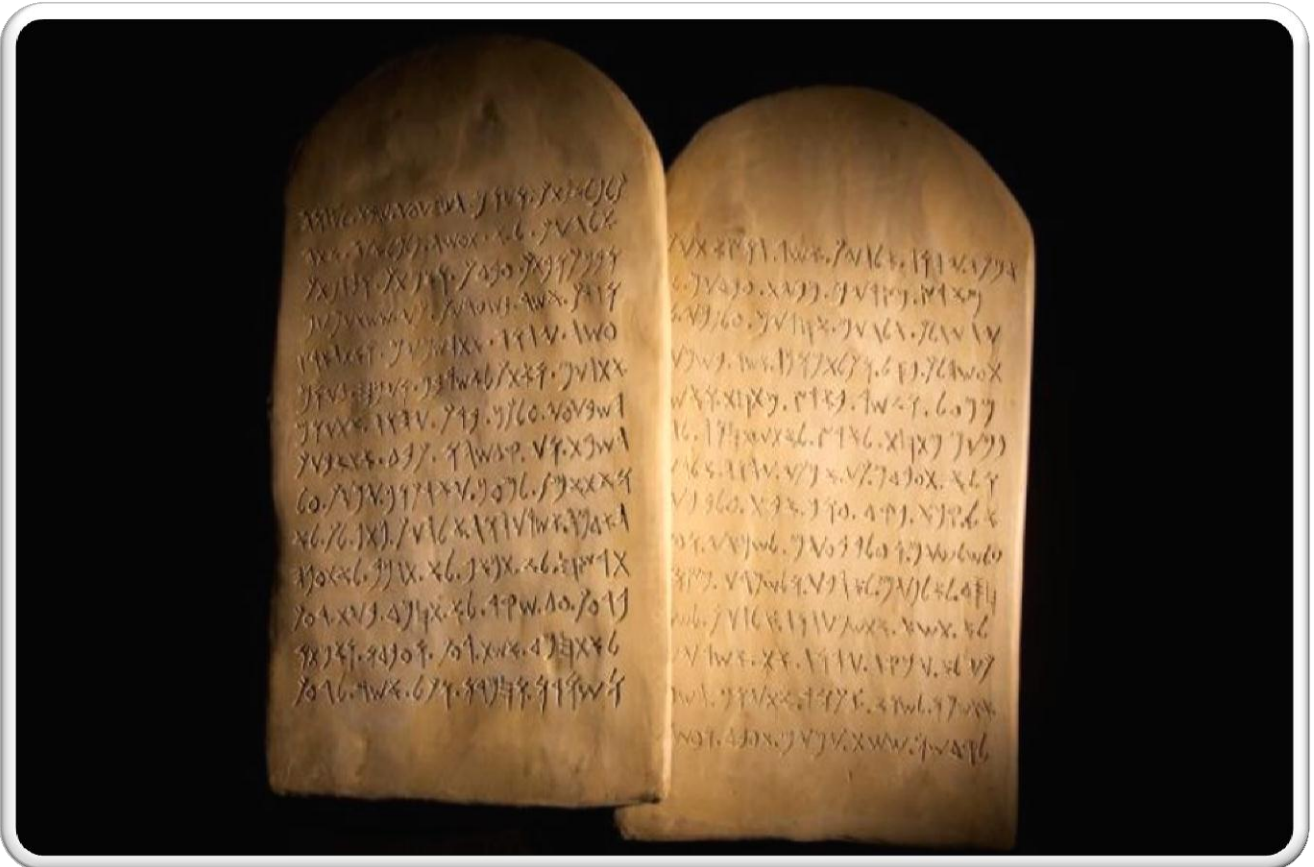

St. Paul was particular in this matter. When we do not please the people the development maybe slow in the life. Godly developments will be like slow and steady wins the race. I have the same problem like St. Paul from first day of ministry; I have never tried to please the people. For this reason, I have faced lot of opposed and the attacks from the people. Because of this reason the development may took long time. There may be delays in the God's presents, you will not be ignored. Most of the people go away from the God because of the delays. Every God servant and child will face this kind situation in the life. I have this kind of situation in my life also. There was the day where we had very difficult to run the ministry in all the ways, mainly paying bills was very difficult. The main reason for that, I have tendency of pleasing the people. One fine day my wife questioned me like this. "If we do not please the people, the problems will increase, how can we pay the bills? And what will the future of mine and the one only son." That was the challenging question to me. I cried at the feet of the Lord and savior Jesus Christ regarding this matter. God answered me very clearly; do not try to please the people any time in your life. I will be with you and provide every need of you in the ministry and also to your family. I believed in the living God, and He did great miracles in my life and in the ministry to stand for Him as the living witness for Him.

I have learned in my life practically to please God in every situation. When I tried to please God in my life there the protection of God was there with me. He is leading and providing us all time in every situation. In the final I can say that we are bound to please God through our lives.

Observe the God's commands

For the commandments, “You shall not commit adultery, you shall not murder, you shall not steal, you shall not covet,” and any other commandment, are summed up in this word:

“You shall love your neighbor as yourself - Romans 13:9

To live for the living God on the face of the earth we need to have the life with Jesus Christ. When we continue our lives on the face of the earth by observing the God's commands, that life leads to the real life that's where we live with the living God forever and ever. People love the God very much, but most of the people were falling in their lives by ignoring the commandments of the living God.

Observe the God's commands means to have the good life by keeping ourselves away from the adultery and the murders including covet and covertness. Most of the people were

falling in some areas in their lives in these things. Some great God servants fall in the adultery and lost their ministry. We can see covet in most of the God's children and the Servants. Coming to the murders we can see in the rare situations.

Recently one of our relative lady and her son killed the husband brutally in the house, and took the body to the open lands and burned that totally. The police investigated the murder through the ashes and the things they found there. The final result was, that lady means wife and the son were kept in the prison for the life time. What a sad situation in the Christian family. This brought the bad name to the church and also to the Christian community.

Church must teach to the congregation to observe the commandments given by the God. That leads some to live for themselves and also help others to live for the living God. "You shall love your neighbor as yourself" this command helps the people to forgive the others and also treat them as themselves to keep the peaceful atmosphere in the families and in the church including the society. Teaching to the children and to the congregation is the responsibility of the parents and the Pastors. Lot of the parents by loving the children, they ignore the commandments of the God to teach them. For that result the children will go away from the God and do all kinds of the nasty things to destroy themselves and also to bring bad name to the family including to the church and the living God. Many God servants were also failing to teach the commandments of the living God to the people by fearing to the situations around and also for their personal benefits. That kind of nature leads the congregation to the destruction. Observing the God's commandments are very important and must for the God's children and the servants, that kind of life leads someone to the real life that where they living with the living God forever and ever.

Do not misuse the freedom

For you were called to freedom, brothers. Only do not use your freedom as an opportunity for the flesh, but through love serve one another. For the whole law is fulfilled in one word:

“You shall love your neighbor as yourself” - Galatians 5:13-14

This is the very thing for the children and the servants of God remember and to observe in their daily lives. Most of them were failing here. They start their life with good motives after accepting the Lord Jesus Christ as their personal savior. The problem arises when they were blessed in every area of their life, mostly in the financial. They receive the huge funds in the name of the God. Most of them spent their lives in the luxury way, more than the worldly people. Some of them were having their own plans. When they had all these kinds of things there the problem will arise. People will honor

them as God's due to their financial status. They will be treated and honored as the God's, than the spiritual fall starts in them. They misuse the freedom that was given by the living. God released us from the bondages of the sin and made us free from every deed of that to live for Him as the living witness. This kind of fall separates them from the people. They keep themselves as the very important people and keep themselves away from the congregations. They will also forget their own relatives and the family people due to their richness. This makes them to fail in the one of the greatest commandment "You shall love your neighbor as yourself"

Coming to my life and the ministry, I am very strict in the spiritual life, not to look for the world and its deeds including the money. That kind of life making me and my family to stand for the Lord Jesus Christ as the living vessel and giving us healthy atmosphere in the spiritual life which leads us to the real life that where we live with Him forever and ever.

Love the God in everything

He answered, You shall love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind, and your neighbor as yourself- Luke 10:27

Loving God is an important thing for the Gods children and the servants. What the scriptures are saying about the loving God.

For this is the love of God, that we should keep His commandments; and His commandments are not burdensome - 1 John 5:3

Loving God in everything means, to follow His commandments in the every area of the life. Most of the God's children and the servants do the amendments for every commandments of God according to their own convenience. It's very easy to speak about His commandments, but it's very difficult to follow, because they are all Godly ways. People want to follow Jesus Christ according to their own convenience. Due to these reasons they were unable to love the God in everything.

Scriptures also telling that if any one loves other things more than God they may lose that. We were bound to love God first and more than everything.

Do not love the world or anything in the world. If anyone loves the world, love for the Father is not in them - 1 John 2:15

"Anyone who loves their father or mother more than me is not worthy of me; anyone who loves their son or daughter more than me is not worthy of me - Matthew 10:37

Whoever finds their life will lose it, and whoever loses their life for my sake will find it - Matthew 10:39

Coming to my life and the ministry, as I was the chosen one, God prepared me from the beginning to love Him more than anything. People around me also do not understand why I gave the first place to the Lord and savior Jesus Christ. As I love God in everything, God also protecting me and providing every need to live for His as the living vessel.

Do Not Worry

Therefore I tell you, do not be anxious about your life, what you will eat or what you will drink, nor about your body, what you will put on. Is not life more than food and the body more than clothing? Look at the birds of the air: they neither sow nor reap nor gather into barns, and yet your heavenly Father feeds them. Are you not of more value than they? And which of you by being anxious can add a single hour to his span of life? And why are you anxious about clothing? Consider the lilies of the field, how they grow: they neither toil nor spin, yet I tell you, even Solomon in all his glory was not arrayed like one of these. But if God so clothes the grass of the field, which today is alive and tomorrow is thrown into the oven, will he not much more clothe you, O you of little faith? Therefore do not be anxious, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear?' For the Gentiles seek after all these things, and your heavenly Father knows that you need them all. But seek first the kingdom of God and his righteousness, and all these things will be added to you - Matthew 6:25-33

Most of the God's children and the servants worry for everything, mostly to pay the bills they. Many were left the God due to their problems and the pressures. Some people receive the blood pressure due to their worry. As the matter of fact the scriptures told us very clearly that we need not worry about for anything.

Come to me, all you who labor and are heavy laden, and I will give you rest. Take my yoke upon you and learn from Me, for I am gentle and lowly in heart, and you will find rest for your souls. For My yoke is easy and My burden is light - Matthew 11:28 -30

**Neither shalt thou swear by thy head, because thou canst not make one hair white or black
- Matthew 5:36**

We can see many Bible verses about not to worry for anything. People speak about the power of God tell people that God do the wonders. Coming to their personal lives they do not believe that when the problems comes.

Coming to my life and the ministry, all these sixty three years I have physical problems including the blood pressure. I have gone through the greatest problems in my life for the sake of the ministry. As the matter of fact someone cannot stand in such problems. Those troubles and problems lead someone to become the mad. When problems come on me, the first thing, I pray to God and left every problem on Him. I take peaceful rest and sleep well. The secret of my health and wealth is only "not to worry for anything"

Follow the God

Again Jesus spoke to them, saying, “I am the light of the world. Whoever follows me will not walk in darkness, but will have the light of life - John 8:12

Many God’s children and the servants were failing here. Instead of following the God they follow the leaders and the people who can help them. Some people think that they are following the God, but they always with the people who can help them. I know some God servants they always follow the politicians for their personal benefits. In these the ministry was disturbed due to this kind of people.

Coming to my life and the ministry, sometime back one of the God servants who was the close relative to the governor of the particular state visited my city. The coordinator asked my help for the meetings. I did help that what all I can do. I have not met the God servant in person. After the meetings that God servant went back to his place and shared to his relative who was governor. He was pleased about my services and called me to visit him. Generally they give some cash gifts or some materialistic gifts like lands or any other. I told him that I did what the best I can do for the God servant. I am not looking for any materialistic blessings. I will pray for you and your family. I will not come for any if the gifts and the materialistic things. That governor was surprised about me and told me that people will come for the help and the favors from me. I have seen a God servant who depends on God not on the people. Many things happened like this in my life. I always follow Jesus Christ. I have tried to follow the people for any temporary blessings.

Keep good witness

In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven - Matthew 5:16

Keeping the good witness is an important thing in the God's children and the servants life. Most of them were failing in this. As the matter of fact people love Jesus Christ, but due to the bad life of the Gods servants and the children, there dislike Jesus Christ. It means the Gods servants and the children were un-able to carry the good witness in their lives. Coming to the life of Lord Jesus Christ on the face of earth in the flesh; at the time of His baptism, John the Baptist by seeing Him proclaimed that He was the son of God.

The next day John saw Jesus coming toward him and said, "Look, the Lamb of God, who takes away the sin of the world - John 1:29

Likewise the people must tell about us. In my travel to the world, where ever I preach, I tell the people to preach what you practice. In these days most of the Gads servants and the children were not keeping the good testimony. Everyone must have the good testimony in the place where they live and work.

Coming to my life and the ministry, I always tell to everyone mostly in the church where I preach every Sunday; come and ask the people in our area where I am living, if any give the bad reports about me and my family, I don't preach anymore. I strongly believe that through the good life only we can present the Christ Jesus to the entire mankind. In every day early morning prayers, I pray in the first phase about myself. I ask God, let thy light shine through me and the let thy power pass through me. Let everyone see you in me all times. God blessed me to keep the good witness for Him. That kind of life is bringing people to the living God.

Work to please God

Whatever you do, work heartily as for the Lord and not for men, knowing that from the Lord you will receive the inheritance as your reward. You are serving the Lord Christ -

Colossians 3:23 - 24

We must please God with our works. In the other way we can say, we need to do anything to please God. How can a person please God through the life?

But without faith it is impossible to please Him, for he who comes to God must believe that He is and that He is a rewarder of those who diligently seek Him - Hebrews 11:6

For to be carnally minded is death, but to be spiritually minded is life and peace. Because the carnal mind is enmity against God; for it is not subject to the law of God, nor indeed can be. So then, those who are in the flesh cannot please God - Romans 8:6-8

The LORD takes pleasure in those who fear Him, in those who hope in His mercy - Psalm 147:11

May God make you complete in every good work to do His will, working in you what is well pleasing in His sight, through Jesus Christ, to whom be glory forever and ever. Amen - Hebrews 13:21

Most of the God's servants and the children are very much interested to please people. They look for the temporary benefits from the people. By having this kind of nature, they were unable to please God. Pleasing God is very important thing in the lives of the Gods servants and the children.

Coming to my life and the ministry, as I was the chosen one God prepared me from the birth itself to live for Him and do things to please Him. I have not pleased people in the entire life. That was the reason for me to take long run to get things what all I need. Because I do not please people, they did every hindrance for the ministry and for my daily life existence. Because I have learned to please God in every work I do; He blessed me a lot and also protected me from every evil people's attacks. Through my life experience I can say that God will provide and protect everyone who pleases Him in every area of their life.

Keep away from the worldly desires

For all that is in the world the desires of the flesh and the desires of the eyes and pride in possessions is not from the Father but is from the world -1 John 2:16

Worldly desires are spoiling the Gods children and the servants.

When someone received the blessings, there the problem arises. When everything going well, people will forget the pains they took to come to this stage. I know one great servant of God who was utilized by the God in the mighty way. People use to see the God and His love in that man of God. God was pleased with his works and blessed him a lot with every need. He started his ministry by walking in the streets than got the bicycle than a motor cycle, than gone to the car than to luxury car. There the problem

started by turning his mind towards the worldly desires. What are in this world? “For all that is in the world the desires of the flesh and the desires of the eyes and pride” fleshy desires led to the downfall in the spiritual life. He started to do every evil work with the women and spoiled himself and the people who were followed him. That was not stopped there, gone to build the kingdoms for him and to his children on the face of earth. This kind of life led to the pride. What will happen to the people when they got pride?

Pride goes before destruction, a haughty spirit before a fall - Proverbs 16:18

One fine day, this great man of God with his family travelled in the luxury car to attend one function in the other city. On the way they met with an accident and all the family members were died on the spot. As the matter of fact there was no one to enjoy their properties and the bank balances.

Coming to my life and the ministry, God kept me in the right place by not look towards the worldly desires. The reason for this is, God humbles me every time with required pressures both in the ministry and family, Those pressures making to pray more; that prayer life teaching many things to stand for the living God with good witness by not looking towards the worldly desires. Because this kind of life I am able to reach many people with the good news of Jesus Christ.

Must be slave to all

But it shall not be so among you. But whoever would be great among you must be your servant, and whoever would be first among you must be slave of all. For even the Son of Man came not to be served but to serve, and to give his life as a ransom for many - Mark 10:43 - 45

We were called to be the slaves to the people. Coming to the life of Jesus Christ on the face of the earth with flesh, He was the model to the mankind. He said that He came to serve the people.

Just as the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many - Matthew 20:28

Disciples also have the problem that who were great among them, Than Jesus Christ taught them the right lesson.

An argument started among the disciples as to which of them would be the greatest - Luke 9:46

Jesus taught a living lesson for the disciples by washing the foot of them and also told them to do it in your lives.

Jesus Washes His Disciples Feet: It was just before the Passover Festival. Jesus knew that the hour had come for him to leave this world and go to the Father. Having loved his own who were in the world, he loved them to the end. The evening meal was in progress, and the devil had already prompted Judas, the son of Simon Iscariot, to betray Jesus. Jesus knew that the Father had put all things under his power, and that he had come from God and was returning to God; so he got up from the meal, took off his outer clothing, and wrapped a towel around his waist. After that, he poured water into a basin and began to wash his disciples' feet, drying them with the towel that was wrapped around him. He came to Simon Peter, who said to him, "Lord, are you going to wash my feet?" Jesus replied, "You do not realize now what I am doing, but later you will understand." "No," said Peter, "you shall never wash my feet." Jesus answered, "Unless I wash you, you have no part with me." "Then, Lord," Simon Peter replied, "not just my feet but my hands and my head as well!" Jesus answered, "Those who have had a bath need only to wash their feet; their whole body is clean. And you are clean, though not every one of you." For he knew who was going to betray him, and that was why he said not everyone was clean. When he had finished washing their feet, he put on his clothes and returned to his place. "Do you understand what I have done for you?" he asked them. "You call me 'Teacher' and 'Lord,' and rightly so, for that is what I am. Now that I, your Lord and Teacher, have washed your feet, you also should wash one another's feet. I have set you an example that you should do as I have done for you. Very truly I tell you, no servant is greater than his

master, nor is a messenger greater than the one who sent him. Now that you know these things, you will be blessed if you do them - John 13:1-17

Coming to my life and the ministry, I followed this teaching of Jesus and practiced in my life. That made me to reach many people with the good news of Jesus Christ. My church was the model church. As I am doing what Jesus did to the disciples, our members and my family also following that, Due to this kind of life, the church is growing rapidly for the glory of God. When we become the slave to all in the ministry, people also do that for the extinction of the kingdom of God.

Believe in divine healing

The Faith of the Centurion: When Jesus had finished saying all this to the people who were listening, he entered Capernaum. There a centurion's servant, whom his master valued highly, was sick and about to die. The centurion heard of Jesus and sent some elders of the Jews to him, asking him to come and heal his servant. When they came to Jesus, they pleaded earnestly with him, "This man deserves to have you do this, because he loves our nation and has built our synagogue." So Jesus went with them. He was not far from the house when the centurion sent friends to say to him: "Lord, don't trouble yourself, for I do not deserve to have you come under my roof. That is why I did not even consider myself worthy to come to you. But say the word, and my servant will be healed. For I myself am a man under authority, with soldiers under me. I tell this one, 'Go,' and he goes; and that one, 'Come,' and he comes. I say to my servant, 'Do this,' and he does it." When Jesus heard this, he was amazed at him, and turning to the crowd following him, he said, "I tell you, I have not found such great faith even in Israel." Then the men who had been sent returned to the house and found the servant well.- Luke 7:1-10

Jesus Raises a Widow's Son: Soon afterward, Jesus went to a town called Nain, and his disciples and a large crowd went along with him. As he approached the town gate, a dead person was being carried out the only son of his mother, and she was a widow. And a large crowd from the town was with her. When the Lord saw her, his heart went out to her and he said, "Don't cry." Then he went up and touched the bier they were carrying him on, and the bearers stood still. He said, "Young men, I say to you, get up!" The dead man sat up and began to talk, and Jesus gave him back to his mother. They were all filled with awe and praised God. "A great prophet has appeared among us," they said. "God has come to help his people." This news about Jesus spread throughout Judea and the surrounding country - Luke 7:11 - 17

In the life we need to believe in the divine healing. Coming to the God servants and the children, healthiness is very important. When we talk the power of God to the people we need to show that in our lives also. The scriptures were very clear in this matter.

Those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint - Isaiah 40:31

This is the promised blessing to the God's servants and to children. In these days we can see many God servants and the children roaming around the hospitals due to their continue sickness. They speak more about the divine healing in the church on Sunday, from Monday they go to the hospitals with the church members for their sickness. Members will definitely have the question in them, what happened to pastor's health?

Coming to my life and the ministry, all these sixty three years, God blessed me with the good health. Even in this age I do the house works after my early morning prayers from four thirty. My friends, relatives and also the church members surprise about my good health. I praise God for this good health. I definitely believe that good health depends on the spiritual life. Scriptures were very clear on this matter.

**Dear friend, I pray that you may enjoy good health and that all may go well with you, even
as your soul is getting along well - 3 John 2**

Most of the God's servants and the children learned to preach to others, they do not practice that in their lives. Due that reason they were receiving the unhealthy as the curse. To check themselves in front of the Lord and Savior Jesus Christ, they blame others for their sickness.

I believe the divine health through my life experience. That was the gift of God for the servants the children. With good health only we can carry the good testimony.

Renew inner self

So we do not lose heart. Though our outer self is wasting away, our inner self is being renewed day by day - 2 Corinthians 4:16

This is very important and needful thing to the God's servants in their lives to stand for the living God. When the things are not going on well in the life; and pressures in every area of life to stand for the living God; and also for the survival of life, there the problem arise to lose the heart. How can they stand in such situations? Jesus is the answer for every problem in our lives. Our inner self renew only through the Holy Ghost one who helps us and leads us in any situations in the life.

Coming to my life and ministry, as the matter of fact I am very weak person. Coming to the God's works and the ministry, I am very strong. Lot of people does not understand this. Coming to my biological brothers and sister, they surprise about me and the growing ministry. From the childhood they use to treat me as the week and useless person. God made me the strong and useful person for His mighty ministry. The secret for this is the prayer life. From the day I accepted Jesus Christ as my Lord and the savior, I kneel down at the presence of lining God every day in the early morning at four thirty for the prayers. I pray for me and my family including all the people whom God gave me with the ministry. That prayer life Renew inner self day by day to stand as the strong vessel for the living God. By sharing this experience I always encourage the church congregation to pray in the early hours of the day for their spiritual strength. I also tell about the Lord Jesus Christ's life on the face of the earth and the things He thought. Jesus Christ never taught the preaching's, He taught the prayers. He taught that through His life on the face of the earth. Even in the last day at the garden of Gethsemane, He taught the disciples to watch and pray.

Be always on the watch, and pray that you may be able to escape all that is about to happen, and that you may be able to stand before the Son of Man - Luke 21:36

Through continues prayer life only we can renew inner self to say as the strong living vessel for the living God.

Help the poor and needy

**Blessed is the one who considers the poor! In the day of trouble the Lord delivers him -
Psalm 41:1**

**Jesus said to him, If you would be perfect, go, sell what you possess and give to the poor,
and you will have treasure in heaven; and come, follow me - Matthew 19:21**

In these days we can see rapid growth in all areas of the life in many God servants and the children. Most of them became the self-centered angling for themselves. They enjoy the most luxury life; do nothing for the poor and the needy. As the matter of fact they keep distance from the poor people.

Jesus Christ was the model for us in this matter. When He came to the face of the earth in the flesh, He chose the poor surrounding and also lived among the poor. He also said the following words.

for I was hungry and you gave Me food; I was thirsty and you gave Me drink; I was a stranger and you took Me in; I was naked and you clothed Me; I was sick and you visited Me; I was in prison and you came to Me.’ “Then the righteous will answer Him, saying, ‘Lord, when did we see You hungry and feed You, or thirsty and give You drink? When did we see you a stranger and take you in, or naked and clothe You? Or when did we see You sick, or in prison, and come to You?’ And the King will answer and say to them, ‘Assuredly, I say to you, inasmuch as you did it to one of the least of these My brethren, you did it to Me.’ “Then He will also say to those on the left hand, ‘Depart from Me, you cursed, into the everlasting fire prepared for the devil and his angels: for I was hungry and you gave Me no food; I was thirsty and you gave Me no drink; I was a stranger and you did not take Me in, naked and you did not clothe Me, sick and in prison and you did not visit Me.’ “Then they also will answer Him, saying, ‘Lord, when did we see You hungry or thirsty or a stranger or naked or sick or in prison, and did not minister to You?’ Then He will answer them, saying, ‘Assuredly, I say to you, inasmuch as you did not do it to one of the least of these, you did not do it to Me.’ And these will go away into everlasting punishment, but the righteous into eternal life – Matthew 25:35 – 46

Coming to my life and the ministry this was the secret of ministry rapid growth. For education and the standard of life, I can work in the Bible colleges or in the large churches where I can get all benefits like payments for every thing including the vacation trip. During my visits to America, I was requested to work with a Bible college and also to the chapel as the Chaplain, for good salary. I told them that I was called to work among the poor people. Most of church members were the poor people. I help the poor and needy in every situation. I attend for the needs in person according to the requirement. I help the sick and take them for the rescue centers. I love the poor and needy and they also love me a lot. One

of the poor girls gave this kind of testimony towards me. If someone asks me did you saw the God? I can tell no, but if anyone asks me how God looks like? I can tell without thinking that the God looks like our Pastor. I feel it's the great privilege to serve the people. I enjoy in that work. God blessed me a lot because of this mind. I definitely believe that this kind of heart leads me to the real life with mighty blessings that where I can live with the living God forever.

God will supply

**My God will supply every need of yours according to his riches in glory in Christ Jesus -
Philippians 4:19**

In this we need many things to run the life and also do the ministry. Many God servants and the children were going away from the living God due to the helpless situations.

Most of the people come to the God with their personal agendas. Once they fail to get the things according to their desires, they will disappoint both in the spiritual and physical life. The problem with the people, they do not believe in the things which they do not see. In the other words we can say they do not exercise the faith in their lives. Let us see the definition of the faith.

Now faith is confidence in what we hope for and assurance about what we do not see -

Hebrews 11:1

When the people have no faith, how can they believe in the God and the works of the God?

When they do not believe the living God how they get things from Him? Exercising the faith is the continue proses in the life.

Coming to my life and the ministry, in one of my visit to the America, I was happened to attend one pastor's meet. That was the monthly pastor's meet at one particular small town. Around seven pastors attended that meeting. There they are sharing their personal experiences and the needs of them, both the family and the ministry. One pastor sharing about the needs of his personal bills to pay and also he shared how his car was broken and made him trouble. He literally cries when he was sharing the things of his needs. When he sharing his life and the needs, I am thinking myself, where am I? I was in the very badly needful situation by that time. While that pastor sharing about his problems and the needs, I am also literally crying with in me. As the matter of fact I was in very need of ten thousand American dollars to my own house at India. If I don't get the money, I will be forced to sell the house and go for the rented house. God is great and He will think about us and He will supply all of our needs. I have not shred any of my real need with those pastors. After the prayers when we are about to go, one of those pastors hugged me and telling something in my ear. I was really unable to understand what he was telling, he was telling in low voice. I asked him sir, are you telling me something? He said loudly, come to my office tomorrow and take ten thousand American dollars check. There I have seen the work of the living God that how He will supply our needs. God did greater works than this in my life.

Total surrender to God

He said to him, “Truly, I say to you, today you will be with me in Paradise - Luke 23:43

Most of the God's servants and the children were failing here. They will surrender to **M** God according to their own way and their own limitations. With that they think they are the most Godly persons on the face of the earth. I have seen many people in my life that they were totally failed in their lives with this kind of nature. They talk more about the God and His mighty works. I know one pastor's wife, she use to tell everyone that through her prayers people got the baby boys and many other blessings. Coming to her own family; all her children were gone to the worldly life and spoiled themselves and also brought the bad name to the Christianity in the city. The problem with them was, not

surrendering to the living God totally. They do things on their own and tell people that the God is using them for His glory. Telling the Godly things is very easy, but standing for Him totally is not easy. Unless we die within us we cannot totally surrender to the living God.

Very truly I tell you, unless a kernel of wheat falls to the ground and dies, it remains only a single seed. But if it dies, it produces many seeds - John 12:24

Our personal proposals and our personal desires must die. Most of the God servants and the children were least bother about the God's commandments and the directions in their lives.

Coming to my life and the ministry, I was so adamant in the beginning days of the ministry. I tried to do things according to my plans. When the days are passing, troubles were increasing day by day. At one point of the life, I was sinking down in the life, than I started crying towards the God for the help. Instead of helping me, God was speaking to me, you have great talents and education, and you thought that you can do anything on your own, why do you need MY help. I started crying loudly and told Him all of my talents and the education was nothing, please forgive me regarding every way I have behaved proudly not totally surrender to you. That was the turning point in my life, when I totally surrender to the living God, there He was started send the blessings on me one after one. I can say after total surrender to the living God, He blessed me a lot to stand for Him as the living witness.

Righteousness leads to eternal life

So that, just as sin reigned in death, so also grace might reign through righteousness to bring eternal life through Jesus Christ our Lord - Romans 5:21

This was the very clear information from the God through the scripture. There was no righteous person on the face of the earth.

Indeed, there is no one on earth who is righteous, no one who does what is right and never sins - Ecclesiastes 7:20

As it is written: There is no one righteous, not even one - Romans 3:10

When the scriptures were very clear about that there is no righteous person on the face of earth, from where these righteous people came?

I have seen many God servants and the children were in the thinking about themselves as the righteous, and also deny the other people by ill-treating them as the sinners. I have faced such people in my life. How a sinner will become the righteous? Let us go to the scriptures.

If we confess our sins, he is faithful and just and will forgive us our sins and purify us from all unrighteousness - 1 John 1:9

We were all becoming the righteous through the Lord Jesus Christ as He died for us on the cross. Through His blood, our sins were cleaned and we were becoming the righteous. This is the gift of God. In other words we can say the mercy of God.

It is by grace you have been saved, through faith and this is not from yourselves, it is the gift of God not by works, so that no one can boast - Ephesians 2:8 - 9

We believe that we are all saved the same way, by the undeserved grace of the Lord Jesus - Acts 15:11

When we accept Jesus Christ as our lord and savior by confessing our sins, there we will be saved through His grace which will lead us to become the righteous. This life was the present and continues life. We need to walk with Him. As long as we keep Jesus Christ in our lives the righteousness what He gave to us will continue and also leads to reach the eternal life which we call as the real life.

New Power in the Life

There is therefore now no condemnation for those who are in Christ Jesus. For the law of the Spirit of life has set you free in Christ Jesus from the law of sin and death. For God has done what the law, weakened by the flesh, could not do. By sending his own Son in the likeness of sinful flesh and for sin, he condemned sin in the flesh, in order that the righteous requirement of the law might be fulfilled in us, who walk not according to the flesh but according to the Spirit. For those who live according to the flesh set their minds on the things of the flesh, but those who live according to the Spirit set their minds on the things of the Spirit. To set the mind on the flesh is death, but to set the mind on the Spirit is life and peace. For the mind that is set on the flesh is hostile to God, for it does not submit to God's law; indeed, it cannot. Those who are in the flesh cannot please God. You, however, are not in the flesh but in the Spirit, if in fact the Spirit of God dwells in you. Anyone who does not have the Spirit of Christ does not belong to him. But if Christ is in you, although the body is dead because of sin, the Spirit is life because of righteousness. If the Spirit of him who raised Jesus from the dead dwells in you, he who raised Christ Jesus from the dead will also give life to your mortal bodies through his Spirit who dwells in you. So then, brothers, we are debtors, not to the flesh, to live according to the flesh. For if you live according to the flesh you will die, but if by the Spirit you put to death the deeds of the body, you will live. For all who are led by the Spirit of God are sons of God. You did not receive the spirit of slavery to fall back into fear, but you have received the Spirit of adoption as sons, by whom we cry, "Abba! Father" The Spirit himself bears witness with our spirit that we are children of God, and if children, then heirs of God and fellow heirs with Christ, provided we suffer with him in order that we may also be glorified with him. For I consider that the sufferings of this present time are not worth comparing with the glory that is to be revealed to us. The creation waits with eager longing for the revealing of the sons of God. For the creation was subjected to futility, not willingly, but because of him who subjected it, in hope that the creation itself will be set free from its bondage to corruption and obtain the freedom of the glory of the children of God. For we know that the whole creation has been groaning together in the pains of childbirth until now. And not only the creation, but we ourselves, who have the first fruits of the Spirit, groan inwardly as we wait eagerly for

adoption as sons, the redemption of our bodies. For in this hope we were saved. Now hope that is seen is not hope. For who hopes for what he sees? But if we hope for what we do not see, we wait for it with patience. Likewise the Spirit helps us in our weakness. We do not know what to pray for as we ought but the Spirit himself intercedes for us with groaning too deep for words. And he who searches hearts knows what is the mind of the Spirit, because the Spirit intercedes for the saints according to the will of God. And we know that for those who love God all things work together for good, for those who are called according to his purpose. For those whom he foreknew he also predestined to be conformed to the image of his Son, in order that he might be the firstborn among many brothers. And those whom he predestined he also called, and those whom he called he also justified, and those whom he justified he also glorified. What then shall we say to these things? If God is for us, who can be against us? He who did not spare his own Son but gave him up for us all, how will he not also with him graciously give us all things? Who shall bring any charge against God's elect? It is God who justifies. Who is to condemn? Christ Jesus is the one who died—more than that, who was raised who is at the right hand of God, who indeed is interceding for us. Who shall separate us from the love of Christ? Shall tribulation, or distress, or persecution, or famine, or nakedness, or danger, or sword? As it is written, "For your sake we are being killed all the day long; we are regarded as sheep to be slaughtered. No, in all these things we are more than conquerors through him who loved us. For I am sure that neither death nor life, nor angels nor rulers, nor things present nor things to come, nor powers, nor height nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord.- Romans 8:1-39

When we accept Jesus Christ as our Lord and savior, there we become the new creation and also we will receive the new power. That's not our power, that the power of Jesus Christ. Many times most of the God servants and the children were unable to remember this. When some great work happened in their lives, they will pose themselves as they were the reason for that.

Coming to my life and the ministry, I was very weak and dumb fellow. When I accepted Jesus Christ as my Lord and savior, there I got the new power which was led me to do this wide ministry, that new power also making me to stand strong for the living God to lead this life and to reach the real life.

Remember the way that God chosen you

**Put on then, as God's chosen ones, holy and beloved, compassionate hearts, kindness,
humility, meekness, and patience - Colossians 3:12**

Every God's servant and the children must remember the way that God chosen them. Most of them were failed in their lives by forgetting that. If we go through the life of king Soul, God made him to know the way that He called him at what stage?

The Lord Rejects Saul as King: Samuel said to Saul, "I am the one the Lord sent to anoint you king over his people Israel; so listen now to the message from the Lord. This is what the Lord Almighty says: 'I will punish the Amalekites for what they did to Israel when they waylaid them as they came up from Egypt. Now go, attack the Amalekites and totally destroy all that belongs to them. Do not spare them; put to death men and women, children and infants, cattle and sheep, camels and donkeys.'" So Saul summoned the men and mustered them at Telaim two hundred thousand foot soldiers and ten thousand from Judah. Saul went to the city of Amalek and set an ambush in the ravine. Then he said to the Kenites, "Go away, leave the Amalekites so that I do not destroy you along with them; for you showed kindness to all the Israelites when they came up out of Egypt." So the Kenites moved away from the Amalekites. Then Saul attacked the Amalekites all the way from Havilah to Shur, near the eastern border of Egypt. He took Agag king of the Amalekites alive, and all his people he totally destroyed with the sword. But Saul and the army spared Agag and the best of the sheep and cattle, the fat calves[b] and lambs everything that was good. These they were unwilling to destroy completely, but everything that was despised and weak they totally destroyed. Then the word of the Lord came to

Samuel: “I regret that I have made Saul king, because he has turned away from me and has not carried out my instructions.” Samuel was angry, and he cried out to the Lord all that night. Early in the morning Samuel got up and went to meet Saul, but he was told, “Saul has gone to Carmel. There he has set up a monument in his own honor and has turned and gone on down to Gilgal.” When Samuel reached him, Saul said, “The Lord bless you! I have carried out the Lord’s instructions.” But Samuel said, “What then is this bleating of sheep in my ears? What is this lowing of cattle that I hear?” Saul answered, “The soldiers brought them from the Amalekites; they spared the best of the sheep and cattle to sacrifice to the Lord your God, but we totally destroyed the rest.” “Enough!” Samuel said to Saul. “Let me tell you what the Lord said to me last night.” “Tell me,” Saul replied. Samuel said, “Although you were once small in your own eyes, did you not become the head of the tribes of Israel? The Lord anointed you king over Israel. And he sent you on a mission, saying, ‘Go and completely destroy those wicked people, the Amalekites; wage war against them until you have wiped them out.’ Why did you not obey the Lord? Why did you pounce on the plunder and do evil in the eyes of the Lord?” “But I did obey the Lord,” Saul said. “I went on the mission the Lord assigned me. I completely destroyed the Amalekites and brought back Agag their king. The soldiers took sheep and cattle from the plunder, the best of what was devoted to God, in order to sacrifice them to the Lord your God at Gilgal.” But Samuel replied: “Does the Lord delight in burnt offerings and sacrifices as much as in obeying the Lord? To obey is better than sacrifice, and to heed is better than the fat of rams. For rebellion is like the sin of divination, and arrogance like the evil of idolatry. Because you have rejected the word of the Lord, he has rejected you as

king - 1 Samuel 15: 1 - 23

Samuel said, “Although you were once small in your own eyes, did you not become the head of the tribes of Israel?”

When God made Soul as the king, he was small in his own eyes. But king Soul forgot that and acted as he likes. That made him to go down and lost the position.

We can see many great servants of the God fall in very bad way due to their ignorance the way that called them.

Coming to my life and the ministry, I always keep the fallen great people in front of me, to keep myself humble to carry the ministry to please God that He has given to me, that kind of spirit making me strong and keeping me in the paths of the living God to stand as the witnessing vessel.

Feed the right people

He said to her, Let the children be fed first, for it is not right to take the children's bread and throw it to the dogs - Mark 7:27

Most of the God servants and the children do this mistake very often. Some people want to do the things emotionally. Some people want to help others for the publicity. Very few help the real needy people. In some churches there were some people who work hard for the church development, when the time of honor or giving any gifts, the organizers pick their own people who do not attend the church regularly. The real hard workers and people, who stand for the church, will not receive the honor and the gifts.

Coming to the ministries, the people who do the real work will not get any help from anywhere. The congregation also does not give the tithes to the church. In the other side they will give their tithes and the special offerings to the television and radio ministry. Some people help to the ministries which were not belongs to them. Their money and the help will go to the wrong people.

Coming to my life and ministry, I had enough experience in this matter. We are doing very hard work. Within these twenty three years of the ministry, our congregation developed from fifteen to five thousand in and out. All these twenty three years we are holding the church service in the rented halls. The people, who do not have the congregation, have large church buildings. Most of the people will help the wrong people. This kind of things also happens in our ministry. Sometime we help the wrong people. God will reveal the realities very soon to help the right people. When we help, I defiantly feel to consult with the living God to help the right people. God will please with that kind of help. Scriptures are also very clear in this matter.

Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world - James

1:27

Be with the people who do the will of God

Whoever does the will of my Father in heaven is my brother and sister and mother -

Matthew 12:50

Many God servants and the children were failing in this. They do the good work in the ministry, same time they do not leave the evil people. Those evil people may be their own blood relatives or best friends. The scriptures are very clear in this matter.

Blessed is the one who does not walk in step with the wicked or stand in the way that sinners take or sit in the company of mockers - Psalm 1:1

Most of the people think and try to see these things in the other people, they don't think those kind of people may be in their own family and the friends. I know one youth pastor in our area, he do good preaching on Sunday morning. Same time on the same day evening, he goes to the long rides with the worldly friends.

Unless we were not with the Godly people, there may be troubles in our lives. Evil friends and the relatives will spoil your work and mislead you from the Gods paths.

Do not be deceived: Bad company corrupts good morals - 1 Corinthians 15:33

**He who walks with wise men will be wise, but the companion of fools will suffer harm -
Proverbs 13:20**

Coaming to my life and ministry, I was very strict in this matter. When I accepted Jesus Christ as my Lord and Savior in the year nineteen seventy two, from that day onwards, I left all of the worldly friends. My friends or the people around me must be the Godly people. I have not allowed my one and only son not to do friendship with everyone. Same time I have not allowed him to go to the evil relatives houses. The care and protection I took towards my one and only son made him as the great servant of God. Now he is the total in charge to the ministry. He is doing the wonderful work to please the living God, ministry also growing rapidly under his leadership.

Be acceptable by God

**Let the words of my mouth and the meditation of my heart be acceptable in your sight, O
Lord, my rock and my redeemer - Psalm 19:14**

Whatever we do in this life must be acceptable by the living God. He is the God who judges us and also the giver to us. If you think on the jobs we do here on the face of the earth, we will be supposed to do that work to be accepted by the master. When it is true for the worldly works, how much it is must for the spiritual things? The words the works must be acceptable by the living God. Most of the God's servants and the children were talk something and do something in their lives. Because of this reason people were in confusing with the God's children and the servants. Because of this reason the God servants were asking God for His words to be in their mouth. The mouth will speak according to the hearts.

**The things that come out of a person's mouth come from the heart, and these defile them -
Matthew 15:18**

**The living God wants to dwell in our hearts. That kind of life leads someone to the model
life on the face of the earth and also that life leads to the real life.**

**Here I am! I stand at the door and knock. If anyone hears my voice and opens the door, I
will come in and eat with that person, and they with me - Revelation 3:20**

**When our hearts were filled with the living God, there the meditation will start. Meditating
the word of God and meditating the works of the God. Coming to the Old Testament, God
told them to teach their children about the law of the God.**

**Teach them to your children, talking about them when you sit at home and when you walk
along the road, when you lie down and when you get up - Deuteronomy 11:19**

**Coming to the personal life, the meditation of the law makes someone to receive the
blessings from the living God.**

**But his delight is in the law of the Lord; and in his law doth he meditate day and night.
And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his
season; his leaf also shall not wither; and whatsoever he doeth shall prosper - Psalm 1:2 – 3**

**When our words and meditation goes with the living God, there we will be acceptable by
Him to live on the face of the earth as the living witness for Him and also that life leads us
to the real life that where we live Him in the eternal life that what we call as the real life.**

Abide in God forever

The world is passing away along with its desires, but whoever does the will of God abides forever - 1 John 2:17

Desires of the world and the will of God: As we are living on the face of the earth, **D**most of us keep their mind and heart on the desires of the world. Why we keep our desires on the face of the earth? Because they are the glitters which will tempt the people very much to fall in them and also lead us to the destruction. Coming to the God's children and the servants, the desires of the world act as the weapon of the Satan for their fall and bring bad name to the living God. In this temporary world, there is nothing for the God's servants and to the children to be desired. As long as we are away from the God's will, we will be close to the world. Once we come close to the God, then we will be away from the world and its desires. Because of this reason the scriptures were very clear for us

to keep the fellowship with the Godly children. The wicked fellowship spoils the good people.

Do not be misled: Bad company corrupts good character - 1 Corinthians 15:33

We must have fellowship with the Godly people. That lead us to grow more in the God.

And let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near - Hebrews 10:24-25

When we do the will of God in our lives, there we will please God. That kind of life leads us to be close to God also to be abiding in Him to live as the witnessing vessel for the living God in this world. This kind of life leads us to the eternal life which we call as the real life.

Coming to my life and the ministry, after accepting the Jesus Christ as my personal savior, that was the time where I left all the worldly friends, and keeping myself with the fellowship of the Godly men. That kind of life led me to not to keep my desires of the world, and also led me to abide in the living God to fulfill His plans in my life. When I was abided in Him that made me to live for Him here and also leading that life to reach the eternal life which we call as the real life.

God deliver's from afflictions

**Many are the afflictions of the righteous, but the Lord delivers him out of them all - Psalm
34:19**

When we live for the living God there the problem comes to face the afflictions. As
the matter of fact we were called to face them.

**In fact, everyone who wants to live a godly life in Christ Jesus will be persecuted - 2
Timothy 3:12**

The Lord said to Ananias, “Go! This man is my chosen instrument to proclaim my name to the Gentiles and their kings and to the people of Israel. I will show him how much he must suffer for my name - Acts 9:15 – 16

We need not worry about the afflictions, because the living God helps us to escape from them.

As an example of suffering and patience, brothers, take the prophets who spoke in the name of the Lord. Behold, we consider those blessed who remained steadfast. You have heard of the steadfastness of Job, and you have seen the purpose of the Lord, how the Lord is compassionate and merciful - James 5:10 - 11

If go through the Bible history, God never left any of servants and the children in the affliction. God redeemed his people from every bandage. Coming to the New Testament believers God recued them for every affliction they face for the sake of the gospel.

Coming to my life and the ministry, I have faced all kinds of the afflictions for the sake of the ministry to reach the un-reached. I have faced the afflictions through the nominal Christians and through the gentiles. There were the situations that may die. Sometimes those afflictions dragged me to windup the ministry. But every situation God was with me and protected me from every afflictions and led me to live for Him as the successful Servant of Him.

Put away all filthiness

Therefore put away all filthiness and rampant wickedness and receive with meekness the implanted word, which is able to save your souls - James 1:21

Put to death, therefore, whatever belongs to your earthly nature: sexual immorality, impurity, lust, evil desires and greed, which is idolatry? Because of these, the wrath of God is coming. You used to walk in these ways, in the life you once lived. But now you must also rid yourselves of all such things as these: anger, rage, malice, slander, and filthy language from your lips - Colossians 3:5-8

Every God's servant and the children must put away all filthiness. Scriptures were very clear regarding the holiness.

The Scriptures say, you must be holy because I am holy - 1 Peter 1:16

Let see in the detail about the filthy things.

Sexual immorality

Flee from sexual immorality. Every other sin a person commits is outside the body, but the sexually immoral person sins against his own body - 1 Corinthians 6:18

Sexual immorality will spoil the body. We must always remember that our bodies are the temple of God. The Holy Ghost lives in us. When we involve in the Sexual immorality, the Holy Ghost automatically leave us. There the spiritual destruction will take place in our lives. That life will bring the bad name to the living God and also destroy our spiritual and the physical life. When destroy in this, there will be no way for to reach the real life.

Impurity

In these days we can see the impurity in the most of the God servants and the children, impurity in the spirit and also in the physical life. Because of this reasons lot of disturbances are taking place in the families, mostly in the churches. The sad part in particular churches, the leaders and the respected pastors live in the impurity. This kind of life will spoil this life and also become the hindrance to reach the real life.

Lust

Lust is playing the important role in the present society to destroy the mankind. The movies and the magazines or any other business things were deeply involved with the lusty things. The sad part here, the God servants and the children were also involved in these kinds of things. In one of my book “Temptation” I wrote in very detail how the great God servants and the children were destroyed because of the lusty things, these kinds of things spoil the present life and also blocks us not to go to the real life.

Evil desires

As long as we were in the presence of God, we will be well ported from every evil attacks. Once we go away from the presence of the God, automatically the evil desires will come into us to lead our life to the worldly things that were we lost the spiritual life. When we gone down in the spiritually in the present life, there the destruction takes place to die in the spiritual life that which leads to the destruction. That kind of life will never help to reach the real life.

Greed; which is idolatry

In these days we can see many of the God's servants and the children were falling in the greed, that kind of desires leading them to make the big monies in the name of the God.

Mostly the healing ministry, in India eighty percent of the population was the Hindus; they do not accept the Jesus Christ as their personal savior. But they want the healing; the rich people offer the big monies to the God servants to pray for the healing. Whether they get healing or not, the healing come for limited period, the God servants make very big money from them. Unknowingly the God servants were falling in the idolatry. That kind desire spoils his spiritual life here and that will not help him to reach the real life.

Too much of anything is good for nothing

For in much wisdom is much vexation, and he who increases knowledge increases sorrow -

Ecclesiastes 1:18

It is not good to eat too much honey, nor is it honorable to search out matters that are too

deep - Proverbs 25:27

Do not be over righteous, neither be over wise, why destroy yourself? - Ecclesiastes 7:16

Over righteousness

his is very important for the God servants and the children. It's also helpful to the mankind. Most of the people were act too much in certain things. This kind of things leads the people to experience the failures in their lives. Some people were too much in giving, say they help the un-wanted people. We can say they help to the wrong people. I have seen such people lost everything became the poor in their lives and blame the God for their foolishness.

Over work

Some people when they accept the Lord Jesus Christ as their personal savior, in the beginning days they will be most emotional and forget their responsibilities and try to do the God's works day and night. I have seen such God servants; they lost the health and also the family people. At end for their failures, they blame the God and they go away from the living God, became the worst in their spiritual lives. We can see such people on the Bible history also.

From that time on, many of His disciples turned back and no longer accompanied Him -

John 6:66

Over Prayer

I have seen some people who spent all the time in the prayer by forgetting their personal and the family responsibilities. In the final they lost their health and join in the hospital for the physical sickness. They bother the family people due to their sickness, as they leave their jobs and the personal responsibilities to attend this person in the hospital. When I visit such people, I advise them to not be too much in anything even including the prayers. I will tell them from scriptures how to pray.

The Model Prayer: when you pray, you shall not be like the hypocrites. For they love to pray standing in the synagogues and on the corners of the streets, that they may be seen by men. Assuredly, I say to you, they have their reward. But you, when you pray, go into your room, and when you have shut your door, pray to your Father who is in the secret place; and your Father who sees in secret will reward you openly. And when you pray, do not use vain repetitions as the heathen do. For they think that they will be heard for their many words. “Therefore do not be like them. For your Father knows the things you have need of before you ask Him. In this manner, therefore, pray: Our Father in heaven, Hallowed be Your name. Your kingdom come. Your will be done On earth as it is in heaven. Give us this day our daily bread. And forgive us our debts, As we forgive our debtors. And do not lead us into temptation, But deliver us from the evil one. For Yours is the kingdom and the power and the glory forever. Amen. “For if you forgive men their trespasses, your heavenly Father will also forgive you. But if you do not forgive men their trespasses, neither will your Father forgive your trespasses - Matthew 6:5 – 15

Over eating

When you sit to dine with a ruler, note well what is before you, and put a knife to your throat if you are given to gluttony. Do not crave his delicacies, for that food is deceptive -

Proverbs 23:1-3

They are headed for destruction. Their god is their appetite, they brag about shameful things, and they think only about this life here on earth. But we are citizens of heaven, where the Lord Jesus Christ lives. And we are eagerly waiting for him to return as our

Savior - Philippians 3:19-20

There are some God servants and the children were very much eager to eat more. Some people behave themselves that they have born to eat. Due to the overeating they develop the heavy weight and unable to move themselves like other active people due to their overweight. In my visits to the other countries, with preaching, I also advise people “Eat what you want; do not eat what you have”

We can share many thing on this subject “Too much of anything is good for nothing” the God servants and the children must behave themselves to keep the discipline on everything. To keep the exemplary life on the face of the earth we should not be over exiting to thing in the too much way. We should not be emotional; we must follow the Holy Ghost to have model life on the face the earth which leads us to the real life.

Favor with God and man

He went down with them and came to Nazareth and was submissive to them. And his mother treasured up all these things in her heart. And Jesus increased in wisdom and in stature and in favor with God and man - Luke 2:51 - 52

This is very important thing for the God servants and to the children. Many people think that we need not care the people. By having that kind of thinking they act very brutal with the people. Some people keep themselves away from the fellowship of the believers and also the near and dear. When the angels proclaimed the message of the Christ Jesus birth they said like this.

**Glory to God in the highest heaven, and on earth peace to those on whom his favor rests -
Luke 2:14**

We must have the peace with the co-believers and with the near and dear to keep their favor to us. We are human beings; the human is the social animal. We must keep the good relation with the society. Otherwise we cannot win them for the Christ. When it was mentioned to the Jesus Christ himself to have the favor of the people and the God, how much it's require to us. In general every believer in the beginning stage act like over smart not to care the people. Some people were in the wrong thinking regarding the people who do not accept Jesus Christ as their personal savior as the sinners and the untouchable. Here they lose the people and the favor of them. Coming to the life and ministry of Jesus Christ on the face of the earth He worked among the sinner and the downtrodden people. That's where the people seen the love of God and flowed Him.

Coming to my life and the ministry, I work among the poor people, there I see the favor of them towards me and the same time I see the God's favor towards me as I am pleasing God by serving His people who were the deserving the help and the guidance to have peaceful life on the face the earth which pleases God to reach the real life.

God knows our moving's

You have searched me, LORD, and you know me. You know when I sit and when I rise; you perceive my thoughts from afar. You discern my going out and my lying down; you are familiar with all my ways. Before a word is on my tongue you, LORD, know it completely. You hem me in behind and before, and you lay your hand upon me. Such knowledge is too wonderful for me, too lofty for me to attain. Where can I go from your Spirit? Where can I flee from your presence? If I go up to the heavens, you are there; if I make my bed in the depths, you are there. If I rise on the wings of the dawn, if I settle on the far side of the sea, even there your hand will guide me; your right hand will hold me fast. If I say, "Surely the darkness will hide me and the light become night around me," even the darkness will not be dark to you; the night will shine like the day, for darkness is as light to you. For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are

wonderful, I know that full well - Psalm 139:1 - 14

God knows our moving's. When we keep this in the all times, we will have the discipline life among the people and also in the sights of the living God. The eyes of the God watch men and their moving's on the face of the earth.

The eyes of the LORD range throughout the earth to strengthen those whose hearts are fully committed to him, You have done a foolish thing, and from now on you will be at war

- 2 Chronicles 16:9

Most of the people by ignoring this fact they do things as they like. We can see many examples in the Old Testament and in the New Testament. Coming to my life and the ministry, I always keep the fear of the God, not do any bad things in and around. Say my travel time around the globe. When I left India, I can do anything like; because there will no one to watch me. Coming to my life, I behave the same way in anywhere in the world as I behave in my mother land. The main reason was for that is very simple. I keep the fear of God all times that He watches me where ever I go. Because of this kind of thinking I was able to keep the Godly life all times to stand as the living witness to the living God. I cannot say this is my greatness I can say by the mercy of the living God I am living like that, because He kept the fear towards Him in my heart all times. This kind of life was making me to draw the people to the living God to have the life in Jesus Christ and also making all of us to reach the real life.

Measure your days

O! Lord, make me know my end and what is the measure of my days; let me know how fleeting I am! Behold, you have made my days a few handbreadths, and my lifetime is as nothing before you. Surely all mankind stands as a mere breath! Selah! Surely a man goes about as a shadow! Surely for nothing they are in turmoil; man heaps up wealth and does not know who will gather - Psalm 39:4 - 6

Our life span days on the face of the earth were made limited. When we go through the Psalm ninety written by Moses, gave the description about the life period on the face of the earth.

Our days may come to seventy years, or eighty, if our strength endures; yet the best of them are but trouble and sorrow, for they quickly pass, and we fly away - Psalm 90:10

This was speaking about the full life on the face of the earth. In the same chapter another verse gives different description.

Thou turnest man to destruction; and sayest, Return, ye children of men - Psalm 90:3

Here we can see that God call anyone at time. This verse or the above verse was very clear in the information that the span of life of human very limited. In the other words the one who was born must die someday. So here we will come to know that the life is very short here on the face of the earth. We must leave this world someday. So this was very clear that we have the other life which was the eternal, we were called for that real life. That life will be the everlasting life. When we came to know that this life was temporary, we need to count every day to live for the living God. This is for the God's children and the servants. The worldly people do not bother of anything, as they prepared to go to the hell. The God's children and the servants need to count every day as they are reaching to the end of this life soon. God gave the great mission to fulfill. To do the God will and implement every plan of the God to reach the un-reached with the message of Christ Jesus to lead the people to his to the real life that where they live with the living God forever and ever.

Coming to my life and the ministry I count the day all times as I was called by the living God to reach the un-reached people, that kind of thing making me to do the very hard work to bring the people to the real God. That spirit made me to reach from fifteen to five thousand congregations in and out within these twenty three years. So advise the people who are going through this book to count the days and work hard to reach the un-reached.

Life was the light of men

In him was life, and the life was the light of men. The light shines in the darkness, and the darkness has not overcome it - John 1:4 - 5

This is the very important thing for every God's servant and the children must practice. When we accept Jesus Christ as the personal savior, there we will receive the life to live for the living God. That life will have light which shine through us. As it written that life was the light of men. It's Jesus Christ who shines, as He lives in us we will also shine. The scriptures were also speaking to us that we are the light.

“You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven - Matthew 5:14 – 16

We need to shine for the living God on the face of the earth. Coming to my life and the ministry, in every day morning prayers at four thirty I use these words regularly “Let Thy light shine through me; and Let Thy power pass through me” by the grace of the living God I am having life in the area where I am living and also in the ministry, the light shines through me all times. Because of this reason the people were looking Jesus Christ in me. In my daily prayers I also mention this “Let every people see You in me all times” I am able to reach people very easily due to the light of the living God which is shining through me all times.

Experience the presence of God

Now Samuel did not yet know the Lord, and the word of the Lord had not yet been revealed to him. And the Lord called Samuel again the third time. And he arose and went to Eli and said, “Here I am, for you called me.” Then Eli perceived that the Lord was calling the young man. Therefore Eli said to Samuel, “Go, lie down, and if he calls you, you shall say, ‘Speak, Lord, for your servant hears.’” So Samuel went and lay down in his place

- 1 Samuel 3:7 - 9

very God’s servant and the children must have this experience. God used the little boy
E Samuel to revel His plans. As the matter of fact in those days God was appearing to anyone. In such situations God spoke to Samuel.

Why people do not experience the presence of the God? First thing, that He was the light. When we were occupied with the darkness, we will be automatically goes away from the God. Second one is the holiness. When we lose the holiness then the God Holy Ghost automatically leaves us. To keep the presence of the God with us, we need to keep the holiness. Here the great servants of the God also falling.

Coming to my life and the ministry, I always feel the presence of the God with me. When I am writing this book also I feel the presence of God with me. God leads me to write. He also guide me what to write, what not to write. My office and the bed room were close, while I am at the office table; I feel that the God is sitting by the side of me. While I am sleeping, before to go the deep sleep, I always pray even on the bed. While I turn my head one side to another side, I see Jesus Christ by the side of me. I can say in every move I feel the presence of God with me. Because of the reason I always walk in the right way. He is leading me and guiding me all times.

Live with God in every situation

Naomi Loses Her Husband and Sons: In the days when the judges ruled, there was a famine in the land. So a man from Bethlehem in Judah, together with his wife and two sons, went to live for a while in the country of Moab. The man's name was Elimelek, his wife's name was Naomi, and the names of his two sons were Mahlon and Kilion. They were Ephrathites from Bethlehem, Judah. And they went to Moab and lived there. Now Elimelek, Naomi's husband, died, and she was left with her two sons. They married Moabite women, one named Orpah and the other Ruth. After they had lived there about ten years, both Mahlon and Kilion also died, and Naomi was left without her two sons and her husband.

Naomi and Ruth Return to Bethlehem: When Naomi heard in Moab that the Lord had come to the aid of his people by providing food for them, she and her daughters-in-law prepared to return home from there. With her two daughters-in-law she left the place where she had been living and set out on the road that would take them back to the land of Judah. Then Naomi said to her two daughters-in-law, "Go back, each of you, to your mother's home. May the Lord show you kindness, as you have shown kindness to your dead husbands and to me. May the Lord grant that each of you will find rest in the home of another husband." Then she kissed them goodbye and they wept aloud and said to her, "We will go back with you to your people." But Naomi said, "Return home, my daughters. Why would you come with me? Am I going to have any more sons, who could become your husbands? Return home, my daughters; I am too old to have another husband. Even if I thought there was still hope for me even if I had a husband tonight and then gave birth to sons would you wait until they grew up? Would you remain unmarried for them? No, my daughters. It is bitterer for me than for you, because the Lord's hand has turned against

me!” At this they wept aloud again. Then Orpah kissed her mother-in-law goodbye, but Ruth clung to her. “Look,” said Naomi, “your sister-in-law is going back to her people and her gods. Go back with her.” But Ruth replied, “Don’t urge me to leave you or to turn back from you. Where you go I will go, and where you stay I will stay. Your people will be my people and your God my God. Where you die I will die, and there I will be buried. May the Lord deal with me, be it ever so severely, if even death separates you and me.” When Naomi realized that Ruth was determined to go with her, she stopped urging her. So the two women went on until they came to Bethlehem. When they arrived in Bethlehem, the whole town was stirred because of them, and the women exclaimed, “Can this be Naomi?” “Don’t call me Naomi,” she told them. “Call me Mara, because the Almighty has made my life very bitter. I went away full, but the Lord has brought me back empty. Why call me Naomi? The Lord has afflicted me; the Almighty has brought misfortune upon me.” So Naomi returned from Moab accompanied by Ruth the Moabite, her daughter-in-law, arriving in Bethlehem as the barley harvest was beginning - Ruth 1:1 – 22

In this story we can see how the Ruth was with Naomi even in the situations where she can go and live herself. Sometimes we will face this kind of situations whether in the death or in the life. Sometime we lose the beloved ones where we disappoint in the life to leave the ministry and also the go away from the living God. Scriptures were also encouraging us to live with God in every situation in the life.

Nothing Can Separate Us from God's Love: What shall we say about such wonderful things as these? If God is for us, who can ever be against us? Since he did not spare even his own Son but gave him up for us all, won't he also give us everything else? Who dares accuse us whom God has chosen for his own? No one for God himself has given us right standing with himself. Who then will condemn us? No one for Christ Jesus died for us and was raised to life for us, and he is sitting in the place of honor at God's right hand, pleading for us. Can anything ever separate us from Christ's love? Does it mean he no longer loves us if we have trouble or calamity, or are persecuted, or hungry, or destitute, or in danger, or threatened with death? (As the Scriptures say, "For your sake we are killed every day; we are being slaughtered like sheep." No, despite all these things, overwhelming victory is ours through Christ, who loved us. And I am convinced that nothing can ever separate us from God's love. Neither death nor life, neither angels nor demons, neither our fears for today nor our worries about tomorrow—not even the powers of hell can separate us from God's love. No power in the sky above or in the earth below indeed, nothing in all creation will ever be able to separate us from the love of God that is revealed in Christ

Jesus our Lord - Romans 8:31-39

Coming to my life and the ministry, I have gone through all kinds of troubles and the tribulations I had very bitter experiences through them. But in every situation I have lost my hope and faith in the living God. That kind of spirit led me to live with the living God in every situation.

Be where of the second death

As for the cowardly, the faithless, the detestable, as for murderers, the sexually immoral, sorcerers, idolaters, and all liars, their portion will be in the lake that burns with fire and sulfur, which is the second death - Revelation 21:8

very God's servant and the children must have the fear of the second death. It was
Every clearly explained about the second death in the book of Revelation which we call
as the hell in the other terms. The people who were loved to reach the real life must
be where of the second death. There are two deaths; first one is the normal death everyone
dies in the body. For this first death St. Paul gave the description in the 1 Thessalonians.

Believers Who Have Died: Brothers and sisters, we do not want you to be uninformed about those who sleep in death, so that you do not grieve like the rest of mankind, who have no hope. For we believe that Jesus died and rose again and so we believe that God will bring with Jesus those who have fallen asleep in him. According to the Lord's word, we tell you that we who are still alive, who are left until the coming of the Lord, will certainly not precede those who have fallen asleep. For the Lord himself will come down from heaven, with a loud command, with the voice of the archangel and with the trumpet call of God, and the dead in Christ will rise first. After that, we who are still alive and are left will be caught up together with them in the clouds to meet the Lord in the air. And so we will be with the Lord forever. Therefore encourage one another with these words - 1 Thessalonians 4:13 – 18

Here St. Paul mentioned about the people who died in the Lord Jesus Christ "sleep in death" he mentioned it as the sleep. This is the first death, every human face the first death. Coming to the second death, this is only for the people who do not accept the Lord Jesus Christ as their personal savor.

There two births, one is the birth through mother's womb. Second bath is in the Lord Jesus Christ.

Jesus Teaches Nicodemus about the second birth: Now there was a Pharisee, a man named Nicodemus who was a member of the Jewish ruling council. He came to Jesus at night and said, "Rabbi, we know that you are a teacher who has come from God. For no one could perform the signs you are doing if God were not with him." Jesus replied, "Very truly I tell you, no one can see the kingdom of God unless they are born again. "How can someone be born when they are old?" Nicodemus asked. "Surely they cannot enter a second time into their mother's womb to be born!" Jesus answered, "Very truly I tell you, no one can enter the kingdom of God unless they are born of water and the Spirit. Flesh gives birth to flesh, but the Spirit gives birth to spirit. You should not be surprised at my saying, 'You must be born again.' The wind blows wherever it pleases. You hear its sound, but you cannot tell where it comes from or where it is going. So it is with everyone born of

the Spirit.” “How can this be?” Nicodemus asked. “You are Israel’s teacher,” said Jesus, “and do you not understand these things? Very truly I tell you, we speak of what we know, and we testify to what we have seen, but still you people do not accept our testimony. I have spoken to you of earthly things and you do not believe; how then will you believe if I speak of heavenly things? No one has ever gone into heaven except the one who came from heaven the Son of Man. Just as Moses lifted up the snake in the wilderness, so the Son of Man must be lifted up,[that everyone who believes may have eternal life in him.” For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. For God did not send his Son into the world to condemn the world, but to save the world through him. Whoever believes in him is not condemned, but whoever does not believe stands condemned already because they have not believed in the name of God’s one and only Son. This is the verdict: Light has come into the world, but people loved darkness instead of light because their deeds were evil. Everyone who does evil hates the light, and will not come into the light for fear that their deeds will be exposed. But whoever lives by the truth comes into the light, so that it may be seen plainly that what they have done has been done in the sight of God - John 3:1 – 21

One had first birth they will also have the first death. Coming to the second death, one who doesn’t have the second birth will face the second death that we also call as the hell. God came all the way from the heaven in the flesh by having the name as the Jesus Christ to save the mankind from the second death. For that He died on cross and cleaned our sins with His holy blood.

God gave the greatest command to preach this gospel to the entire world and make the people as His disciples. In these days the mission of church is nothing but to preach the gospel and reach the un-reached.

Presence of God protects

“Lord,” Martha said to Jesus, “if you had been here, my brother would not have died. But

I know that even now God will give you whatever you ask.” Jesus said to her, “Your brother will rise again.” Martha answered, “I know he will rise again in the resurrection at the last day.” Jesus said to her, “I am the resurrection and the life. The one who believes in me will live, even though they die; and whoever lives by believing in me will never die. Do you believe this?”- John 11:21-26

Presence of God protects, by ignoring the truth, many God’s servants and the children were inviting the troubles in their lives. When we are out of the presence of the God, there the troubles comes. When we are in the presence of the God, we will have high protection by Him. Satan cannot do anything to us as long as we are in the presence of God.

The better example for this was the hen and the chicks. As long as the chicks were in the presence of the hen, they were safe; Hen takes care about them and attacks any other animals to protect them. Sometimes the eagle tries to kill the chicks, the hen fly and attack the eagle without any thinking and fear. Same way as long as we were in the presence of God we were highly protection by the living God to live for Him on the face of the earth as the living witness and also to join with Him in the real life.

Keep the house of God clean

Jesus Clears the Temple Courts: When it was almost time for the Jewish Passover, Jesus went up to Jerusalem. In the temple courts he found people selling cattle, sheep and doves, and others sitting at tables exchanging money. So he made a whip out of cords, and drove all from the temple courts, both sheep and cattle; he scattered the coins of the money changers and overturned their tables. To those who sold doves he said, “Get these out of here! Stop turning my Father’s house into a market!” His disciples remembered that it is written: “Zeal for your house will consume me - John 2:13 - 17

ere we can see that how Jesus Christ cleaned the temple of God. That was the temple
H build by the stones and the materials. Jesus Christ said very clearly told about His
house as the house of prayer.

"It is written," He said to them, My house will be called a house of prayer,' but you are
making it 'a den of robbers - Matthew 21:13

God wants His house must be clean and holy as He was the holy God. Coming to our
bodies, the scriptures were very clear and tell that the God will dwell in our bodies.

Don't you realize that all of you together are the temple of God and that the Spirit of God
lives in you? - 1 Corinthians 3:16

As our bodies are the house of God, we must keep them clean all times. How can we keep them clean? First thing that we must need to be cleaned by the blood of Jesus Christ. Second thing, we need to have the fellowship with the living God through the prayers and the meditating the word of God regularly.

Do not love the world or anything in the world. If anyone loves the world, love for the Father is not in them. For everything in the world the lust of the flesh, the lust of the eyes, and the pride of life comes not from the Father but from the world - 1 John 2:15 – 16

To keep our bodies clean, we need to go away from the world and its deeds, than we can live holy for the glory of the living God.

Do everything for the glory of God

Do All to the Glory of God: All things are lawful,” but not all things are helpful. “All things are lawful,” but not all things build up. Let no one seek his own good, but the good of his neighbor. Eat whatever is sold in the meat market without raising any question on the ground of conscience. For “the earth is the Lord's, and the fullness thereof.” If one of the unbelievers invites you to dinner and you are disposed to go, eat whatever is set before you without raising any question on the ground of conscience. But if someone says to you, “This has been offered in sacrifice,” then do not eat it, for the sake of the one who informed you, and for the sake of conscience I do not mean your conscience, but his. For why should my liberty be determined by someone else's conscience? If I partake with thankfulness, why am I denounced because of that for which I give thanks? So, whether you eat or drink, or whatever you do, do all to the glory of God. Give no offense to Jews or to Greeks or to the church of God, just as I try to please everyone in everything I do, not seeking my own advantage, but that of many, that they may be saved - 1 Corinthians 10:23 - 33

whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him - Colossians 3:17

Whatever you do, work at it with all your heart, as working for the Lord, not for human masters - Colossians 3:23

The above scriptures were very clear that we need to do everything for the glory of God. When we work for the self-glory, we cannot glorify the living God. The problem with the people was to do things as they like. The strange thing here was that, whatever they do they tell that they are doing it for the glory of the God. When they steal the glory of God and make themselves happy with the self-glory, how God will please with their evil acts. Glory and honor must go to God.

You are worthy, our Lord and God, to receive glory and honor and power, for you created all things, and by your will they were created and have their being - Revelation 4:11

To the only God our Savior be glory, majesty, power and authority, through Jesus Christ our Lord, before all ages, now and forevermore! Amen - Jude 1:25

Coming to my life and the ministry, I have learned practically, to give glory and the honor to the living God all times. Because I am doing everything for His glory, He is also given honor to me even though I am an unworthy vessel. This kind of life is making me so strong to live for Him on the face of the earth which is leading to the real life.

What is the design of God for the human life?

Plans for welfare

I know the plans I have for you, declares the Lord, plans for welfare and not for evil, to give you a future and a hope - Jeremiah 29:11

Human life is the gift of the living God. In this when you depend on the God, He loves to bless His children and the servants. Many people were by ignoring this fact they go here and there for the blessings. Scriptures are very clear in this matter.

Seek the Kingdom of God above all else, and he will give you everything you need - Luke 12:31

Coming to my life and the ministry, I came to know in the beginning itself to depend on the living God for everything. I was never busy for the God's works at any time in my life. After I accepted Jesus Christ as my personal savior, I gave the first place to God and His works. That spirit led me to deep in the ministry to reach the un-reached. In the other side I was blessed a lot in the personal and family life including the ministry.

When I met one of our close relative who is full time ministry, he is very good man of God, and also he is associated with our ministry besides his ministry. As he got the marriage license from the government, he did all the marriages in our church. When we meet in person, we discuss many things related to the ministry and also the personal life, what best we can do to please God. At one of our meeting, he said you do everything planned, and you are the successful God servants and received every blessing in time. I told as the reply for his statement, that the God only did everything in my life as I depend on Him for everything and also I give the first place to His works and totally for Him and His kingdom. That was the main reason for me to grow rapidly in the ministry and also the personal life. God has very good plan for me and for everyone who seek His kingdom first.

All things work together for good

We know that for those who love God all things work together for good, for those who are called according to his purpose - Romans 8:28

Generally people including the God servants and the children expect all good things to happen to them in every situation. When the troubles and the problems, they think that God left them and blame God for every trouble or the failure. They do

not know one fact that God everything for our betterment. The tribulation of the Israelites was led to the blessed land. By keeping this in the mind David said like this.

Though you have made me see troubles, many and bitter, you will restore my life again;
from the depths of the earth you will again bring me up - Psalm 71:20

God is My Strength and Portion Forever: Truly God is good to Israel, to those who are pure in heart. But as for me, my feet had almost stumbled, my steps had nearly slipped. I was envious of the arrogant when I saw the prosperity of the wicked. For they have no pangs until death; their bodies are fat and sleek. They are not in trouble as others are; they are not stricken like the rest of mankind. Therefore pride is their necklace; violence covers them as a garment. Their eyes swell out through fatness; their hearts overflow with follies. They scoff and speak with malice; loftily they threaten oppression. They set their mouths against the heavens, and their tongue struts through the earth. Therefore his people turn back to them, and find no fault in them. And they say, "How can God know? Is there knowledge in the Most High?" Behold, these are the wicked; always at ease, they increase in riches. All in vain have I kept my heart clean and washed my hands in innocence. For all the day long I have been stricken and rebuked every morning. If I had said, "I will speak thus," I would have betrayed the generation of your children. But when I thought how to understand this, it seemed to me a wearisome task, until I went into the sanctuary of God; then I discerned their end. Truly you set them in slippery places; you make them fall to ruin. How they are destroyed in a moment, swept away utterly by terrors! Like a dream when one awakes, O Lord, when you rouse yourself, you despise them as phantoms. When my soul was embittered, when I was pricked in heart, I was brutish and ignorant; I was like a beast toward you. Nevertheless, I am continually with you; you hold my right hand. You guide me with your counsel, and afterward you will receive me to glory. Whom have I in heaven but you? And there is nothing on earth that I desire besides you. My flesh and my heart may fail, but God is the strength[b] of my heart and my portion forever. For behold, those who are far from you shall perish; you put an

end to everyone who is unfaithful to you. But for me it is good to be near God; I have made the Lord God my refuge, that I may tell of all your works – Psalm 73

God's servants and the children's experience were the same at any time. Coming to my life and the ministry, I have gone through the great troubles and the problems, through the non-Christian's and also the nominal Christian leaders and the people. In every trouble I have received the great blessings. I praised God for the troubles, because those troubles made me so strong in the prayer life. That helped me to grow more in the spiritual life. For all this life experiences I agree with this word that "All things work together for good"

Bear fruit and abide

You did not choose me, but I chose you and appointed you that you should go and bear fruit and that your fruit should abide, so that whatever you ask the Father in my name, he may give it to you - John 15:16

first thing that we need to abide in Him and the second thing that we need to bear fruit.

FThe chosen people were the special ones; they must always remember to be with the God in all times. The main reason for that, we can do nothing without God.

I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing - John 15:5

Many people including the God servants and the children were fallen in their spiritual lives by ignoring this simple fact. Psalmist gave the great statement by implementing in his life.

Whom have I in heaven but you? And there is nothing on earth that I desire besides you - Psalm 73:25

Whoever came to know this truth, they lived as the blessed people on the face of the earth for the living God as they were abide in Him all times. Coming to my life and the ministry, I gave the first place to my living God in my life. Anything or any person for me is only after Jesus Christ. My wife and the one and only son also come after the Jesus Christ to me. I love to abide in Him all times that made me to have the many fruits in my life. My ministry that what God gave to me was the best example for that. We started the ministry with fifteen people, now grown up to five thousand in and out with in the twenty three years. I can tell everyone who are reading this with my personal experience “Bear fruit and abide”

Appoint you as a servant

Rise and stand upon your feet, for I have appeared to you for this purpose, to appoint you as a servant and witness to the things in which you have seen me and to those in which I will appear to you - Acts 26:16

very God's servant and the child must remember all times that the God appointed us
Eas the servants. Unfortunately many God servants and the children act as the lords to the people. They think that the people are the servants for them. I have seen many of such people in my life. Once they received the blessings from the God, they act like the lords and make the people to serve them as the servants, in the other words as the slaves. By keeping all these things Jesus Christ well in advance, He mentioned that He came to serve the people, not to take their services.

Just as the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many - Matthew 20:28

Coming to my life and the ministry the great secret of our ministry rapid growth, was that me and my family serve the people as lord Jesus Christ told us. Twenty four hours I and my family were ready to serve the people. This made the people stand strong with us and also they speak to the hearts of the other people that how they were served through the pastor and his family. Due to their personal testimony, people rapidly joining with us in the ministry. I personally strongly feel that God appointed us as a servant.

Make disciples

**Go therefore and make disciples of all nations, baptizing them in the name of the Father
and of the Son and of the Holy Spirit - Matthew 28:19**

he greatest command that God has given to His people to reach the un-reached and make them as the disciples. To make the people as the disciples, we need to teach to them, because the teaching makes the disciples. The preaching makes the conversion. Many people were limited for the preaching. Coming to the life and ministry of Jesus Christ, He preached and taught. He preached to the multitudes of the people, coming to the disciples, they requested Him to know in detail about His preaching's when they came home. Jesus Christ taught them in detail about the preaching's He did.

The Parable of the Weeds Explained: Then he left the crowd and went into the house. His disciples came to him and said, “Explain to us the parable of the weeds in the field.” He answered, “The one who sowed the good seed is the Son of Man. The field is the world, and the good seed stands for the people of the kingdom. The weeds are the people of the evil one, and the enemy who sows them is the devil. The harvest is the end of the age, and the harvesters are angels. “As the weeds are pulled up and burned in the fire, so it will be at the end of the age. The Son of Man will send out his angels, and they will weed out of his kingdom everything that causes sin and all who do evil. They will throw them into the blazing furnace, where there will be weeping and gnashing of teeth. Then the righteous will shine like the sun in the kingdom of their Father. Whoever has ears, let them hear -

Matthew 13:36 – 43

Teachings make the disciples. The disciples make the other disciples. That was the reason Jesus Christ told them to make the disciples. In these days there are less teachings, everybody became the preachers. The sad part in India, many were starting the church by thinking that the ministry is banished financially.

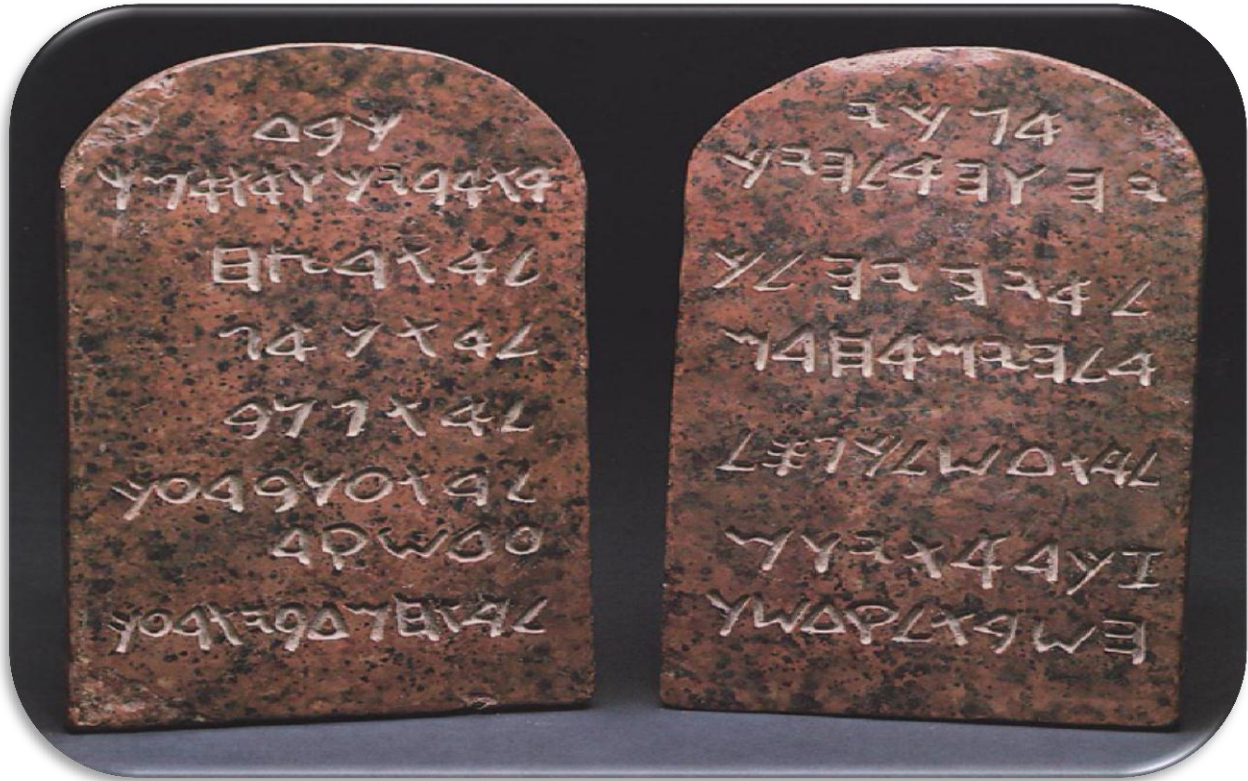

There will be terrible times in the last days. People will be lovers of themselves, lovers of money, boastful, proud, abusive, disobedient to their parents, ungrateful, unholy, without love, unforgiving, slanderous, without self-control, brutal, not lovers of the good, treacherous, rash, conceited, lovers of pleasure rather than lovers of God having a form of godliness but denying its power. Have nothing to do with such people. They are the kind who worm their way into homes and gain control over gullible women, who are loaded down with sins and are swayed by all kinds of evil desires, always learning but never able to come to a knowledge of the truth - 2 Timothy 3:1-7

Coming to my life and the ministry, we train the people with good teachings. Every third Wednesday was the workers meeting. All of our village pastor/evangelists and the Sunday school teachers attend for this meeting. The meeting will take place from morning ten thirty to evening four thirty. We will provide lunch for them. In the morning session we teach the ministerial methods and also the Christian ethics. Afternoon they will give their reports. This teaching meeting making them so strong in the discipleship and they are doing very hard work to meet the people to preach and teach. Through this way our ministry is growing rapidly for the glory of the living God.

Fear God and keep his commandments

The end of the matter; all has been heard. Fear God and keep his commandments, for this is the whole duty of man - Ecclesiastes 12:13

This is very important for the God's servants and the children. In these days this was lacking in the God's servants and the children. They have no fear of the commandments of the living God. They lost the fear of God in their personal lives. When they do not fear God and His commandments, how can they tell their family and the congregation to fear the God and His commandments? If we go through around the world, gospel teaches and the teaching of commandments was not there. Preachers were busy in preach on prosperity and the healing. Because of this kind of attitude, many God servant families were destroyed.

Coming to my life and the ministry, by seeing the destruction of the great servants of God and their families, I had one hundred percent fear of God. That fear making me to follow the commandments of God. I do this to me and to my family, sometime to the congregation. Sometimes they feel it's very hard, but by practicing that they felt good in the spirit and in the ministry including in their family. God commanded us to keep His commandments and also to teach to our children. Due to this kind of life I am able to reach many people with the real spirit.

Love and Obey the Lord and His commandments: Love the Lord your God and keep his requirements, his decrees, his laws and his commands always. Remember today that your children were not the ones who saw and experienced the discipline of the Lord your God: his majesty, his mighty hand, his outstretched arm; the signs he performed and the things he did in the heart of Egypt, both to Pharaoh king of Egypt and to his whole country; what he did to the Egyptian army, to its horses and chariots, how he overwhelmed them with the waters of the Red Sea as they were pursuing you, and how the Lord brought lasting ruin on them. It was not your children who saw what he did for you in the wilderness until you arrived at this place, and what he did to Dathan and Abiram, sons of Eliab the Reubenite, when the earth opened its mouth right in the middle of all Israel and swallowed them up with their households, their tents and every living thing that belonged to them. But it was your own eyes that saw all these great things the Lord has done.

Observe therefore all the commands I am giving you today, so that you may have the strength to go in and take over the land that you are crossing the Jordan to possess, and so that you may live long in the land the Lord swore to your ancestors to give to them and their descendants, a land flowing with milk and honey. The land you are entering to take over is not like the land of Egypt, from which you have come, where you planted your seed and irrigated it by foot as in a vegetable garden. But the land you are crossing the Jordan to take possession of is a land of mountains and valleys that drinks rain from heaven. It is a land the Lord your God cares for; the eyes of the Lord your God are continually on it from the beginning of the year to its end. So if you faithfully obey the commands I am giving you

today to love the Lord your God and to serve him with all your heart and with all your soul then I will send rain on your land in its season, both autumn and spring rains, so that you may gather in your grain, new wine and olive oil. I will provide grass in the fields for your cattle, and you will eat and be satisfied. Be careful, or you will be enticed to turn away and worship other gods and bow down to them. Then the Lord's anger will burn against you, and he will shut up the heavens so that it will not rain and the ground will yield no produce, and you will soon perish from the good land the Lord is giving you. Fix these words of mine in your hearts and minds; tie them as symbols on your hands and bind them on your foreheads. Teach them to your children, talking about them when you sit at home and when you walk along the road, when you lie down and when you get up. Write them on the doorframes of your houses and on your gates, so that your days and the days of your children may be many in the land the Lord swore to give your ancestors, as many as the days that the heavens are above the earth. If you carefully observe all these commands I am giving you to follow—to love the Lord your God, to walk in obedience to him and to hold fast to him then the Lord will drive out all these nations before you, and you will dispossess nations larger and stronger than you. Every place where you set your foot will be yours: Your territory will extend from the desert to Lebanon, and from the Euphrates River to the Mediterranean Sea. No one will be able to stand against you. The Lord your God, as he promised you, will put the terror and fear of you on the whole land, wherever you go. See, I am setting before you today a blessing and a curse the blessing if you obey the commands of the Lord your God that I am giving you today; the curse if you disobey the commands of the Lord your God and turn from the way that I command you today by following other gods, which you have not known. When the Lord your God has brought you into the land you are entering to possess, you are to proclaim on Mount Gerizim the blessings, and on Mount Ebal the curses. As you know, these mountains are across the Jordan, westward, toward the setting sun, near the great trees of Moreh, in the territory of those Canaanites living in the Arabah in the vicinity of Gilgal. You are about to cross the Jordan to enter and take possession of the land the Lord your God is giving you. When you have taken it over and are living there, be sure that you obey all the decrees and laws I am setting before you today - Deuteronomy 11:1 – 32

We are the temple of God

Or do you not know that your body is a temple of the Holy Spirit within you, whom you have from God? You are not your own, for you were bought with a price. So glorify God in your body - 1 Corinthians 6:19 - 20

Every God's servant and the child must remember always that they are the temple of God. Further they must remember God paid praise for us on the cross to redeem us from our sins. The Holy Ghost dwells in us. For that reason we must live holy all times for His glory. Knowing the truth of that we are the temple of God is one thing, the second thing we must glorify the living God with this bodies. God gave this life to do the will of God on the face earth. Many were by ignoring this truth, they themselves using this body for the worldly thing to spoil themselves and the also bring the bad name to the living God.

When we go through the Bible history, many God servants left Lord by adopting the worldly things in their lives. Coming to my life and ministry, I have lived with the worldly thing till my nineteenth year, when I accepted Jesus Christ as my personal savior, I was fully dedicated for the God and to His works, out of all the downfalls God is helping all of my life time till now to live for Him as the chosen vessel. I can tell through my personal life that we can live holy to the holy God through His mighty power and the guidance with the divine protection. All times in my feel the presence of the God with me. To keep the God presence with you in all times, you relies that you the temple of God and the product of Him for His purpose. As long as we have this thinking, you will be under the control of the living God that where you will have the production and the guidance to live for His glory as the living vessel.

God has plans for us

The Lord of hosts has sworn: As I have planned, so shall it be, and as I have purposed, so shall it stand - Isaiah 14:24

For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future - Jeremiah 29:11

very God's servant and the child must realize that the God has plans for them.

E When we come to know that the God had the plans for us, than your life will have the meaning and be utilized in the hands of the living God. Usually the people have their own plans and they apply the godliness for their plans, once their plans not come into the action there the problem starts. They blame God for every failure in in their lives and some will go away from the God some will become the nominal Christians.

Coming to my life and the ministry, when I accepted the Jesus Christ as the personal savior in the year nineteen seventy two, by that time I was in the ten plus two. I thought to buy a cycle and have the white dress to go every village to share the gospel to the un-reached. I do not want to do further studies and do the Gods works with my own plans. Because of the emotion and the anxiety I have taught like that. I do not know that plans of God in my life. Later on I came to know that what plans God has for me. God made me to have the full education of twenty one years. God made me to do the Master's degree in the Philosophy, Bachelor's degree in theology, Bachelor's degree in Divinity and the Doctorate in the Divinity. I can say the God gave me the commendable education. God blessed me to travel around the globe to share the good news of Jesus Christ. God blessed me speak in the radios and the televisions around the globe. God also blessed me with the wide ministry. God also blessed me to write the books. When I turn back to see the way God made and molded me for the wide ministry, I came to know in personal that the God had plans for me and also He will have the plans for everyone when they realize and the depend on the living God.

Help others

So if there is any encouragement in Christ, any comfort from love, any participation in the Spirit, any affection and sympathy, complete my joy by being of the same mind, having the same love, being in full accord and of one mind. Do nothing from rivalry or conceit, but in humility count others more significant than yourselves. Let each of you look not only to his own interests, but also to the interests of others - Philippians 2:1-4

Many God servant and children live for themselves. They do not help the other in their lives. I know one great man of the God in my life. He was from very poor background. After accepting the Jesus Christ as the personal savior, God blessed him in the mighty way. He started his career with the cycle for his transportation.

He was blessed to have his own seven four seven being jet flight. His was stationed at the mother land to establish the ministry. At one stage they ruled the city and the popularity around the globe. I have not seen the both brother to help others. Besides not helping others, they use to escape to pay the bills of the workers who use to work for them. Because of their evil deeds and the attitude, they lost the ministry and younger one murdered the elder brother. Ended up their lives in the pathetic way, now they have chance to help others.

Coming to my life and the ministry, what all I have learned from the beginning, to help other with what all I have or I can do, helping not only in the materials but also the services in the in person. This kind of helping others ministry made our ministry to grow rapidly for the glory of God. As the matter of fact I and my family feel the privilege to help the people. When we help other by not knowingly we also do the services of God. During the life and ministry of Jesus Christ one the face of the earth with flesh, He said about the helping other.

“Then the King will say to those on his right, ‘Come, you who are blessed by my Father; take your inheritance, the kingdom prepared for you since the creation of the world. For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.’ “Then the righteous will answer him, ‘Lord, when did we see you hungry and feed you, or thirsty and give you something to drink? When did we see you a stranger and invite you in, or needing clothes and clothe you? When did we see you sick or in prison and go to visit you? “The King will reply, ‘Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me – Matthew 25:34 - 40

God comforts

He will wipe away every tear from their eyes, and death shall be no more, neither shall there be mourning, nor crying, nor pain anymore, for the former things have passed away -

Revelation 21:4

God comforts His servants and the children, many were fail to understand the Gods
God comfort, the reason for that, they experts the things to be done in their own way. The scriptures were clear in this matter.

Can a mother forget the baby at her breast and have no compassion on the child she has borne? Though she may forget, I will not forget you - Isaiah 49:15

If we go through the Bible history, we can see many stories that how God comforted His children and the servants. As the matter of fact God is only the real comforter. I wrote a book on the comfort, in that book I gave lot of the living examples. Unless God comforts no can go head in their lives and the ministry.

Coming to my life and the ministry, I have faced many bad experiences and the troubles through the nominal Christians and the strong Hindu people. In the troubles and the problems God were with me and comforted a lot to grow more in the faith and to be strong in the spirit. God comforted me and comforting me till today. The comfort was the percent continues proses. Jesus Christ gave the privilege and the promised blessing through the comforter the one who called as the Holy Ghost.

Comforter: All this I have told you so that you will not fall away. They will put you out of the synagogue; in fact, the time is coming when anyone who kills you will think they are offering a service to God. They will do such things because they have not known the Father or me. I have told you this, so that when their time comes you will remember that I warned you about them. I did not tell you this from the beginning because I was with you, but now I am going to him who sent me. None of you asks me, ‘Where are you going?’ Rather, you are filled with grief because I have said these things. But very truly I tell you, it is for your good that I am going away. Unless I go away, the Advocate will not come to you; but if I go, I will send him to you. When he comes, he will prove the world to be in the wrong about sin and righteousness and judgment: about sin, because people do not believe in me; about righteousness, because I am going to the Father, where you can see me no longer; and about judgment, because the prince of this world now stands condemned. “I have much more to say to you, more than you can now bear. But when he, the Spirit of truth, comes, he will guide you into all the truth. He will not speak on his own; he will speak only what he hears, and he will tell you what is yet to come. He will glorify me because it is from me that he will receive what he will make known to you. All that belongs to the Father is mine. That is why I said the Spirit will receive from me what he will make known to you - John 16:1 -

Be fruitful and multiply

God blessed them. And God said to them, be fruitful and multiply and fill the earth and subdue it and have dominion over the fish of the sea and over the birds of the heavens and over every living thing that moves on the earth - Genesis 1:28

Be fruitful and multiply, this is very important thing and also the gift to the mankind given by the living God. It's the plan of God the mankind to fruitful and the multiply both in the spirit and the physical. In these days we can see the developments in the physical things, not in the spiritual things. Coming to the God servants and the children

were also going in the same path which the worldly people are going. As we are going to live in the eternal life which we call as the real life, we need not worry about these worldly things as they are purely temporary.

One of my visits to America, while I am going to preach in a large church, on the way me and the American pastor saw a young girl going in a car which is with of million American dollars. The American pastor told me with that big money you can have the large church building which you need for the Indian church. While I am preaching in that large church, I am speaking about the worldly blessings and the eternal blessings. I told the people, how much we worry and make things for the present life. But people do not worry about the permanent life that where we live forever and ever. For the temporary we think a lot, but for the permanent life we least bother.

People think that we need to worry about the present things to get. If we go through the scriptures, when you grow in the spirit, you will grow in everything that you need to have the existence on the face of the earth.

Dear friend, I pray that you may enjoy good health and that all may go well with you, even as your soul is getting along well - 3 John 2

It's the God design for the entire mankind to be fruitful and multiply both in the spirit and the physical things. Coming to my life and the ministry I have never seen towards the needs of the present life. I have learned from the living God from day one when I accepted Him as the personal savior to concentrate in the spiritual growth. That made me to get every need of the present life with the spiritual growth.

Justified by works

Do you want to be shown, you foolish person, that faith apart from works is useless? Was not Abraham our father justified by works when he offered up his son Isaac on the altar? You see that faith was active along with his works, and faith was completed by his works; and the Scripture was fulfilled that says, “Abraham believed God, and it was counted to him as righteousness” and he was called a friend of God. You see that a person is justified by works and not by faith alone - James 2:20 - 24

n these days we can see the God servants and the children talk more about the God and

I**His works. But we cannot see that in their personal lives. If we watch the life of**

Abraham, he was justified by works. That made him the father of believers. In these days most of the so called God servants became commercial. We do not see the life in them.

Yesterday I was happened to attend one burial service in the nearby city to us. When they took the body to the church, there some were allotted to speak about the dead person and also some consoling words from the scriptures. One lady the wife of the local Baptist church leader gave the wonder speech for fifteen minutes. That lady and her husband have no spiritual life in that church and the city. People, who were known about her and her husband pretty well, are listening to her speech like deaf people.

These kinds of things will not justify your faith. I always tell people to preach what you are practicing in the life. Coming to my life and the ministry I am very strict about this. I told our church congregation itself, that I do not preach if I fail in the life. By the grace of the living God I am able to keep the good testimony in and around. I can definitely believe that I was justified by the works. I also pray every day to the living God to help me to continue the spiritual life with the witness till my last breath.

Eternal purpose

This was according to the eternal purpose that he has realized in Christ Jesus our Lord -
Ephesians 3:11

God came to this earth on form of physical body to crucify on cross to save the mankind for the eternal purpose, to take all the mankind to the eternal life. Coming to the lives of the God servants and the children including the prophets, He used all of them lead the mankind to reach the eternal life. What all God did or doing even in these days. The main purpose of Him is to lead all the mankind to the eternal life that's what we call as the real life. The blessings that God grant us, is only for the purpose of eternal life. Many God servants and the children were failing here by ignoring the purpose of God in our lives or through our lives to lead as many people as to lead them to the eternal.

Coming to my life and the ministry, when I was six day boy, my maternal uncle gave prophesy about me that how I will become the great servant of God in the future. He was happened to give that prophesy because my mother does not like me as I was the third boy in the family. She was looking for the baby girl in the third edition. As I was happed to be the third boy, she refused to see my face. The prophesy God has given through my maternal uncle was the purpose of the eternal life. In these sixty three years God used me in and around for the eternal purpose. I have travelled around the globe to lead the people to the eternal life and also did and doing the great job to lead the mankind to the eternal life which we call as the real life.

Do justice

He has told you, O man, what is good; and what does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God? - Micah 6:8

Doing justice is an important in the lives of the God's servants and the children. Here **D**o the justice to have the love and the kindness including the humility with the living God. We love our own people also the people whom we love and they love us. We do not do the justice to love the enemy and the people who do not like us or oppose us in everything. We will be very kind to the people whom we like also the near and the dear. Coming to the unknown and the neighbors, we keep the distance from them. We will never try to justice for such people. Because of this kind of nature, we may not keep the humbleness with the living God. People unknowingly go away from the God and they

become themselves God's by disobeying the living God. When the people gone to that extended, they automatically go away from the living presence. In such situations they will forget the word justice.

Coming to the personal and family life someone need to do the justice to the family and also the things that God has given to the, do justice to the family that God has given and do the justice to the gifts that God has given you including the spiritual and the material. We need to do the justice to the time also. Do everything by keeping justice to please God and to obey the commandments of Him to fulfill every plan of him in your life by doing the justice.

God will be with us

Joshua Installed as Leader: After the death of Moses the servant of the Lord, the Lord

said to Joshua son of Nun, Moses' aide: "Moses my servant is dead. Now then, you and all these people, get ready to cross the Jordan River into the land I am about to give to them to the Israelites. I will give you every place where you set your foot, as I promised Moses.

Your territory will extend from the desert to Lebanon, and from the great river, the Euphrates all the Hittite country to the Mediterranean Sea in the west. No one will be able to stand against you all the days of your life. As I was with Moses, so I will be with you; I will never leave you nor forsake you. Be strong and courageous, because you will lead these people to inherit the land I swore to their ancestors to give them. "Be strong and very courageous. Be careful to obey all the law my servant Moses gave you; do not turn from it to the right or to the left, that you may be successful wherever you go. Keep this Book of the Law always on your lips; meditate on it day and night, so that you may be careful to do everything written in it. Then you will be prosperous and successful - Joshua 1:1 - 8

God love to be with us all times, as the matter of fact when the man goes way from the presence of the God there the problem starts. We can see that in the lives of the Adam and Eve in the beginning itself. When Eve went away from the God and also from the Adam, Satan was able to handle the Eve with his evilness. As long as God was with us, we were very safe in everything. That was depending on you only. One must have the desire to keep the presence of the living with them all times.

Coming to my life and the ministry, I stay in the ground floor where my office and the guest room were there. I spent much time with God in the prayers and by meditating the word of God also do the book writing with other thing related to the ministry. When I am writing the books I feel the presence and the guidance of the living God with me. When I sit at the office I feel that living was sitting by the side of me. When I walk, I feel that the living God walking with me. When I relax, I feel that the living God was by the side of me. All times I feel the living was with me. The living God is in thinking and the moving all time. As the matter of fact the living God love to be with us all times in this life. Once we finish this life on the face of the earth, we will live with Him in the eternal life that what we call as the real life forever and forever.

Mind your own affairs

To aspire to live quietly, and to mind your own affairs, and to work with your hands, as we instructed you - 1 Thessalonians 4:11

Many problems take place through the people, as they do not mind their own works. I have seen the God servants and the children also do the same mistake. Because they involve in others works unnecessarily, the problems will arise. One side they bother others, in the other side they disturb themselves. Because of this kind of things the works will disturb in the bother sides.

Coming to my life and the ministry, the greatest gift that God has given me is to mind my own works. Because of that my ministry is growing rapidly. When we mind our own works we can give full efforts to our work. That will give the good results. God blessed me in all the ways, still I love to work with my hands every day. I do the works of the house and the mission with my own hands, that kind of nature giving the best results in the house and in the ministry. Because of my nature of minding my own works, I am good in health. Because of involving in others affairs, there we need give the additional enrage and the thinking for the unwanted things. That will disturb us and also do the damage to others works. Because of my nature of minding my own works, I am growing both the spiritual and the material way for the glory of the living God.

Honorable vessels

**Now in a great house there are not only vessels of gold and silver but also of wood and clay,
some for honorable use, some for dishonorable - 2 Timothy 2:20**

Yesterday in the workers meeting I shared about this. Our ministry village pastors/evangelists/Sunday school teachers meet every third Wednesday to give the work reports and to learn the methods to reach the un-reached. In the morning session, during my teaching, I shared about the honorable vessels. God called us and gave this wide work to reach the people with the message of the Christ Jesus. I told them by sharing my personal life that how I work very hard to reach the people with the gospel. I do the hard work in all times, that hard work giving the result to add the new people to the church. I do the works of God with my full heart mind and the soul. That dedication work helping the ministry to grow and same time God is honoring me in everything. Lot of people by ignoring this, they try to get honor by the people and sometimes by themselves.

Everyone must remember one thing that, we cannot steal the glory of God. When we try to steal the glory of God there will receive the punishments.

Immediately, because Herod did not give praise to God, an angel of the Lord struck him down, and he was eaten by worms and died - Acts 12:23

Coming to my life and the ministry, I have seen many people had the very bad ending in their lives as they stealed the glory of God. By keeping this in mind, I always give the glory to God in every work. Because of this nature and the hard work, God molded me as the honorable vessel for His works and allowed me to do the wide ministry for His glory.

God helps us to complete the work

I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ - Philippians 1:6

Every God servant and the child must know that the living God will help them to complete the work. We must remember that the work we had on hand was giving by the living God. Many people start their works and ended up in the middle in the bad way. For some people the work was removed from their hands. When we were called to His work, we must remember that the work belongs to Him and also the responsibilities of the work belong to God.

In our ministry we will give some responsibilities to some people. Some do the work sincerely some feel themselves great and disturb themselves and act much fun like mad people. In one of our workers meet to educate such people to rectify themselves to do the work in the better way for the glory of God. I gave the following illustration. One former was going with heavy load on his bullock cart. The two bulls pulling that cart in the heavy sun, the bulls are comfortably pulling the heavy loaded cart. The former's pet dog walking under the cart with good shade, but it is showing its feeling by keeping the tongue out as it is carrying the heavy loaded cart. As the matter of fact the bulls are carrying load, but the dog feeling as it is carrying the heavy load. Some people by this kind of feeling they disturb themselves and also spoil the God's work.

Every servant and the child of God must remember that the work given by the God, and also that's His work. As that is His work, He also has responsibility to finish through us. Because I came to know this fact, God is helping me to finish every portion of the work successfully for His glory. I believe one hundred percent that the living God helps me to finish the total work successfully for His glory.

Proclaim the gospel

Jesus Announces the Good News: After John was put in prison; Jesus went into Galilee, proclaiming the good news of God. The time has come,” he said. The kingdom of God has come near. Repent and believe the good news”

Jesus Calls His First Disciples: As Jesus walked beside the Sea of Galilee, he saw Simon and his brother Andrew casting a net into the lake for they were fishermen. “Come, follow me,” Jesus said, “and I will send you out to fish for people.” At once they left their nets and followed him. When he had gone a little farther, he saw James son of Zebedee and his brother John in a boat, preparing their nets. Without delay he called them, and they left their father Zebedee in the boat with the hired men and followed him - Mark 1:14-20

“Proclaim the gospel” this the greatest commandment God has given to the church. God told the church go unto the uttermost parts of the world to preach the gospel and make the people as the disciples.

You will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth - Acts 1:8

He said to them, “Go into the entire world and preach the gospel to all creation. Whoever believes and is baptized will be saved, but whoever does not believe will be condemned. And these signs will accompany those who believe: In my name they will drive out demons; they will speak in new tongues; they will pick up snakes with their hands; and when they drink deadly poison, it will not hurt them at all; they will place their hands on sick people, and they will get well – Mark 16:15 – 18

Gods servants and the children were ignoring the greatest commandment of the God, and besides of that they became limited to the church building. They are inviting the people to come into the church to receive the gospel. But the God told them to go into the uttermost parts of the world with the gospel.

Coming to my life and the ministry, we are following the commandment of the God, going into the uttermost parts of the world. Our evangelists go to people door to door to present the gospel. Coming to our Sunday school teachers, they got the slums to hold the Sunday schools. Because of this kind of work, we have the one thousand children in the Sunday school. The important thing here was that all the one thousand children were from the strong Hindu families. Through the command of the living God we were able to reach the un-reached. This is secret of our church growth.

Spiritual fruits

The fruit of the Spirit is love, joy, peace, patience, kindness, goodness and faithfulness -

Galatians 5:22

Love: Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered and it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes and always perseveres. Love never fails. But where there are prophecies, they will cease; where there are tongues, they will be stilled; where there is knowledge, it will pass away.

Joy: Rejoice always, pray continually and give thanks in all circumstances; for this is God's will for you in Christ Jesus.

Peace: Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus."

Patience: this is a gracious thing, when, mindful of God, one endures sorrows while suffering unjustly. For what credit is it if, when you sin and are beaten for it, you endure? But if when you do good and suffer for it you endure, this is a gracious thing in the sight of God. For to this you have been called, because Christ also suffered for you, leaving you an example, so that you might follow in his steps. He committed no sin, neither was deceit found in his mouth. When he was reviled, he did not revile in return; when he suffered, he did not threaten, but continued entrusting himself to him who judges justly.

Kindness: love your enemies, and do good, and lend, expecting nothing in return; and your reward will be great, and you will be sons of the Most High; for He Himself is kind to ungrateful and evil men.

Goodness: God, being rich in mercy, because of the great love with which he loved us, even when we were dead in our trespasses, made us alive together with Christ by grace you have been saved and raised us up with him and seated us with him in the heavenly places in Christ Jesus, so that in the coming ages he might show the immeasurable riches of his grace in kindness toward us in Christ Jesus. For by grace you have been saved through faith. And this is not your own doing; it is the gift of God, not a result of works, so that no one

may boast. For we are his workmanship created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them.

Faithfulness: the Lord said, who then is that faithful and wise steward, whom his lord shall make ruler over his household, to give them their portion of meat in due season? Blessed is that servant, whom his lord when he cometh shall find so doing. Of a truth I say unto you, that he will make him ruler over all that he hath.

It's the God desire for us to have the fruits of the spirit. That kind life helps us reach more people. Lot of God servants and the children were ignoring this fact and they were becoming limited in the spiritual life and were unable to receive the fruits of the spirit. Due to the lack-ness of the fruits of the spirit they were unable to do the effective ministry. Coming to my life and ministry, in every prayer I request the God to bless me with the frites of the spirit. God blessed me with the frites of the spirit to do the effective ministry. Because of the fruits of the spirit I was able to reach the un-reached. The ministry is also growing rapidly.

Forgiveness

Whenever you stand praying, forgive, if you have anything against anyone, so that your Father also who is in heaven may forgive you your trespasses - Mark 11:25

“Forgivingness” is very important thing in the lives of the God servants and the children. Unfortunately we cannot see this in many of them. The main reason is the lackness in the prayer life and the meditation of the word of God. I strongly believe that there is no one on the face earth that whom we cannot forgive them. God has forgiven our greatest sins and made us holy. How can we do not forgive others, when we were forgiven by the living God? Jesus gave the good example for in the scriptures.

The Parable of the Unmerciful Servant: Then Peter came to Jesus and asked, “Lord, how many times shall I forgive my brother or sister who sins against me? Up to seven times?” Jesus answered, “I tell you, not seven times, but seventy-seven times.

“Therefore, the kingdom of heaven is like a king who wanted to settle accounts with his servants. As he began the settlement, a man who owed him ten thousand bags of gold was brought to him. Since he was not able to pay, the master ordered that he and his wife and his children and all that he had be sold to repay the debt. “At this the servant fell on his knees before him. ‘Be patient with me,’ he begged, ‘and I will pay back everything.’ The servant’s master took pity on him, canceled the debt and let him go. “But when that servant went out, he found one of his fellow servants who owed him a hundred silver coins. He grabbed him and began to choke him. ‘Pay back what you owe me!’ he demanded. “His fellow servant fell to his knees and begged him, ‘Be patient with me, and I will pay it back.’

“But he refused. Instead, he went off and had the man thrown into prison until he could pay the debt. When the other servants saw what had happened, they were outraged and went and told their master everything that had happened. “Then the master called the servant in. ‘You wicked servant,’ he said, ‘I canceled all that debt of yours because you begged me to. Shouldn’t you have had mercy on your fellow servant just as I had on you?’ In anger his master handed him over to the jailers to be tortured, until he should pay back all he owed. “This is how my heavenly Father will treat each of you unless you forgive your brother or sister from your heart - Matthew 18:21 – 35

Coming to my life and the ministry forgiveness plays major role. From the beginning of the ministry, I was betrayed by many people; the sad part in my life was that my blood relatives did great harm. To whom I help, they rebel on me. Even in this age of sixty three years I am facing the attacks in and around. The greatest thing that did in my life was blessed with the spirit of forgiveness. I can forgive any kind of the evil person, this forgiveness nature making me so strong in the spiritual life and helping to reach unreached. I can definitely say that this nature of the forgiveness helped me not lose any of my friends and the near and dear. Forgiveness nature makes us so strong in the spirit and helps us bring the people to the living God.

Living together

To the married I give this charge (not I, but the Lord): the wife should not separate from her husband (but if she does, she should remain unmarried or else be reconciled to her husband), and the husband should not divorce his wife - 1 Corinthians 7:10 - 11

This is very important thing in the lives of the God servants and the children. Many God servants are losing their testimony by not living together. Family is very important thing on the face of the earth. I use to tell these following segments in the marriages to encourage the newly wedded couple.

“Family is founded by the God”

“Family is the foundation to the church also the society”

“Prayer and the word of God is the foundation for the family”

Many families are not relishing this truth. I have seen many Christian families are not having their family prayers. A family prays together; lives together.

I know one pastor who worked in the large church, started his own church after sometime. Things are going on well for some time. I really do not know what was the problem of that pastor, he left his wife and started to live alone and doing the ministry. When I questioned him about this, he started to blame his wife very badly. I told him, how you are preaching without forgiving your wife. When God forgive us, it's our bound duty to forgive everyone. Because of his foolish nature, his three sons were disappointed in their lives and started to live by themselves in their own way. Because this pastor not living together with wife, his entire family was disturbed. We can guess how this was affected to the church and ministry.

When do the counseling to the families, I advise them to live together out of the differences the family for the sake of the children and the society including the church. In my travel to the world, I studied about the families, that around ninety eight percent living together with the adjustments. Family life is the great adjustment. When we were adjust in the family life, than we can live together. I am going to write fiftieth book on the “Fruitful Family.” A family can stand and live together only in the Jesus, when Jesus was in the family that will be the little heaven.

Holy and blameless before him

Even as he chose us in him before the foundation of the world, that we should be holy and blameless before him. In love - Ephesians 1:4

his is very important thing for the God servants and the children. In these we can see
Tmany people are living like Hippocrates in their spiritual lives. I know great servants
of God who was the in charge for the hundreds of the missionaries, and also the great
speaker in the large meetings also in the radio and television. He always preaches about the
holiness and the holy living. His message inspired many people. But the secret of his
spiritual was that he was holy and blameless before the people not in front of the living
God. That hypocrite life led him to fall in the adultery with a young lady who was one of
the missionary.

In these days we can many people like this. They want to pose in front of the people as they are so holy. When they are not holy in front of the living God, there will be a day for them to reap the consequences.

Coming to my life and ministry, while watching these kinds of God servants and the children, I had the fear all time to check myself and to live holy and blameless in front of the living God. I always remember the statement of St. Paul regarding the fear to continue the spiritual life.

Therefore, my dear friends, as you have always obeyed not only in my presence, but now much more in my absence continue to work out your salvation with fear and trembling, for it is God who works in you to will and to act in order to fulfill his good purpose -

Philippians 2:12 – 13

With the fear and the trembling I am continuing the spiritual life to live for Him and also to be holy and blameless in front of the living God. Our God is able to help us to live blameless and holy in front of Him in all times.

Keep the conduct

Keep your conduct among the Gentiles honorable, so that when they speak against you as evildoers, they may see your good deeds and glorify God on the day of visitation - 1 Peter

2:12

Keeep the good conduct is very important in the lives of the God servants and the children. We do not see the good conduct in the Gods servants and the children. It's happening from the beginning times itself. For that the scriptures were very clear.

As it is written: God's name is blasphemed among the Gentiles because of you - Romans

2:24

We see the most of the nominal Christians in the society. They are just church going people. They know pretty well about Jesus Christ, but they do not have Him as the personal savior. “Knowing is different from being” for this reason St. Paul mentioned in his letters about the Christlikeness.

Oh, my dear children! I feel as if I'm going through labor pains for you again, and they will continue until Christ is fully developed in your lives - Galatians 4:19

We cannot see the Christlikeness in many of the Gods servants and the children as they do not have the call. They are manmade leaders and the Pastors, how can we expect the Christlikeness from such people. They are only spoiling the name of the God among the gentiles due to their evil life. Some people take ministry as the profession. As the matter of fact some are doing good business in the name of the Jesus Christ. For this reason God told the so called healers and the great servants of God by themselves, were denied by the living God.

Many will say to me on that day, 'Lord, Lord, did we not prophesy in your name and in your name drive out demons and in your name perform many miracles?' Then I will tell them plainly, 'I never knew you. Away from me, you evildoers - Matthew 7:22 – 23

When the God servants and the children became the professionals, how can we expect the good conduct from them? To have the good conduct, one must have the call and the commitment in the life to live as the living vessel for the living God.

Work for his good pleasure

It is God who works in you, both to will and to work for his good pleasure. Do all things without grumbling or questioning, that you may be blameless and innocent, children of God without blemish in the midst of a crooked and twisted generation, among whom you shine as lights in the world - Philippians 2:13-15

God loves to work through you and me. When we work without grumbling or questioning, He will please with you and your works. I have seen many God servants who work with blaming God for their failures and the troubles. We are living in the midst of a crooked and twisted generation; we need to be very careful in the lives to keep the good testimony to please God in the works that was given by the living God.

We need to shine our light among these people. There the people see the living God in you. The scriptures are also very clear in this matter.

You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven - Matthew 5:14 – 16

Coming to my life and the ministry, in every day early morning prayers in the first hour, I pray to God let thy light shine through me and thy power pass through me. God is helping to work for Him with joyful heart to please Him in every event, God also helping me to shine like the light among the people whom I am living.

Powering of the Holy Ghost

The Holy Spirit Comes at Pentecost: When the day of Pentecost came, they were all together in one place. Suddenly a sound like the blowing of a violent wind came from heaven and filled the whole house where they were sitting. They saw what seemed to be tongues of fire that separated and came to rest on each of them. All of them were filled with the Holy Spirit and began to speak in other tongues as the Spirit enabled them. Now there were staying in Jerusalem God-fearing Jews from every nation under heaven. When they heard this sound, a crowd came together in bewilderment, because each one heard their own language being spoken. Utterly amazed, they asked: “Aren’t all these who are speaking Galileans? Then how is it that each of us hears them in our native language? Parthians, Medes and Elamites; residents of Mesopotamia, Judea and Cappadocia, Pontus

and Asia, Phrygia and Pamphylia, Egypt and the parts of Libya near Cyrene; visitors from Rome (both Jews and converts to Judaism); Cretans and Arabs we hear them declaring the wonders of God in our own tongues!” Amazed and perplexed, they asked one another, “What does this mean?” Some, however, made fun of them and said, “They have had too much wine.”

Peter Addresses the Crowd: Then Peter stood up with the Eleven, raised his voice and addressed the crowd: “Fellow Jews and all of you who live in Jerusalem, let me explain this to you; listen carefully to what I say. These people are not drunk, as you suppose. It’s only nine in the morning! No, this is what was spoken by the prophet Joel: “In the last days, God says, I will pour out my Spirit on all people. Your sons and daughters will prophesy, your young men will see visions, your old men will dream dreams. Even on my servants, both men and women, I will pour out my Spirit in those days, and they will prophesy. I will show wonders in the heavens above and signs on the earth below, blood and fire and billows of smoke. The sun will be turned to darkness and the moon to blood before the coming of the great and glorious day of the Lord. And everyone who calls on the name of the Lord will be saved.’ “Fellow Israelites, listen to this: Jesus of Nazareth was a man accredited by God to you by miracles, wonders and signs, which God did among you through him, as you yourselves know. This man was handed over to you by God’s deliberate plan and foreknowledge; and you, with the help of wicked men, put him to death by nailing him to the cross. But God raised him from the dead, freeing him from the agony of death, because it was impossible for death to keep its hold on him. David said about him: “I saw the Lord always before me. Because he is at my right hand, I will not be shaken. Therefore my heart is glad and my tongue rejoices; my body also will rest in hope, because

you will not abandon me to the realm of the dead, you will not let your holy one see decay. You have made known to me the paths of life; you will fill me with joy in your presence.’

“Fellow Israelites, I can tell you confidently that the patriarch David died and was buried, and his tomb is here to this day. But he was a prophet and knew that God had promised him on oath that he would place one of his descendants on his throne. Seeing what was to come, he spoke of the resurrection of the Messiah, that he was not abandoned to the realm of the dead, nor did his body see decay. God has raised this Jesus to life, and we are all witnesses of it. Exalted to the right hand of God, he has received from the Father the promised Holy Spirit and has poured out what you now see and hear. For David did not ascend to heaven, and yet he said, “‘The Lord said to my Lord: “Sit at my right hand until I make your enemies a footstool for your feet.”’ “Therefore let all Israel be assured of this: God has made this Jesus, whom you crucified, both Lord and Messiah.” When the people heard this, they were cut to the heart and said to Peter and the other apostles, “Brothers, what shall we do?” Peter replied, “Repent and be baptized, every one of you, in the name of Jesus Christ for the forgiveness of your sins. And you will receive the gift of the Holy Spirit. The promise is for you and your children and for all who are far off for all whom the Lord our God will call.” With many other words he warned them; and he pleaded with them, “Save yourself from this corrupt generation.” Those who accepted his message were baptized, and about three thousand were added to their number that day.

The Fellowship of the Believers: They devoted themselves to the apostles’ teaching and to fellowship, to the breaking of bread and to prayer. Everyone was filled with awe at the many wonders and signs performed by the apostles. All the believers were together and had everything in common. They sold property and possessions to give to anyone who had need. Every day they continued to meet together in the temple courts. They broke bread in

their homes and ate together with glad and sincere hearts, praising God and enjoying the favor of all the people. And the Lord added to their number daily those who were being saved - Acts 2:1 - 47

Now we are living in the age of the Holy Ghost. Scriptures gave clear discretion about the Holy Ghost and its works.

The Helper: If you love me, keep my commandments. I will ask the Father to give you another Helper, to be with you always. He is the Spirit of truth, whom the world cannot receive, because it neither sees him nor recognizes him. But you recognize him, because he lives with you and will be in you - John 14:15 - 17

But the Helper, the Holy Spirit, whom the Father will send in my name, will teach you all things and remind you of everything that I have told you - John 14:26

In the same way the Spirit also joins to help in our weakness, because we do not know what to pray for as we should, but the Spirit Himself intercedes for us with unspoken groanings - Romans 8:26

Gives wisdom: The Spirit of the Lord shall rest upon him, the Spirit of wisdom and understanding, the Spirit of counsel and might, the Spirit of knowledge and the fear of the Lord - Isaiah 11:2

The Spirit is an awesome gift giver: Now concerning spiritual gifts, brothers, I don't want you to be ignorant. You know that when you were unbelievers, you were enticed and led astray to worship idols that couldn't even speak. For this reason I want you to be aware that no one who is speaking by God's Spirit can say, "Jesus is cursed," and no one can say, "Jesus is Lord," except by the Holy Spirit. Now there are varieties of gifts, but the same Spirit, and there are varieties of ministries, but the same Lord. There are varieties of results, but it is the same God who produces all the results in everyone. To each person has been given the ability to manifest the Spirit for the common good. To one has been given a message of wisdom by the Spirit; to another the ability to speak with knowledge according to the same Spirit; to another faith by the same Spirit; to another gifts of healing by that

one Spirit; to another miraculous results; to another prophecy; to another the ability to distinguish between spirits; to another various kinds of languages; and to another the interpretation of languages. But one and the same Spirit produces all these results and gives what he wants to each person - 1 Corinthians 12:1 – 11

He gives us guidance: All who are led by God's Spirit are God's children - Romans 8:14

If you are being led by the Spirit, you are not under the Law - Galatians 5:18

He is living inside of believers: Do you not know that you are God's temple and that God's Spirit lives in you? If someone destroys God's temple, God will destroy him. For God's temple is holy, which is what you are - 1 Corinthians 3:16 - 17

Know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own? - 1 Corinthians 6:19

Holy Spirit is God: Peter asked, "Ananias, why has Satan filled your heart so that you should lie to the Holy Spirit and keep back some of the money you got for the land? As long as it remained unsold, wasn't it your own? And after it was sold, wasn't the money at your disposal? So how could you have thought of doing what you did? You didn't lie only to men, but also to God!" When Ananias heard these words, he fell down and died. And great fear seized everyone who heard about it - Acts 5:3-5

Now the Lord is the Spirit, and where the Spirit of the Lord is, there is freedom. We all, with unveiled faces, are looking as in a mirror at the glory of the Lord and are being transformed into the same image from glory to glory; this is from the Lord who is the Spirit - 2 Corinthians 3:17-18

The Holy Spirit convicts the world: But in fact, it is best for you that I go away, because if I don't, the Advocate won't come. If I do go away, then I will send him to you. And when he comes, he will convict the world of its sin, and of God's righteousness, and of the coming judgment. The world's sin is that it refuses to believe in me. Righteousness is available because I go to the Father, and you will see me no more. Judgment will come because the ruler of this world has already been judged - John 16:7-11

The Holy Spirit can be grieved: don't grieve God's Holy Spirit. You were sealed by Him for the day of redemption - Ephesians 4:30

The Holy Spirit gives spiritual illumination: The wisdom we speak of is the mystery of God his plan that was previously hidden, even though he made it for our ultimate glory before the world began. But the rulers of this world have not understood it; if they had, they would not have crucified our glorious Lord. That is what the Scriptures mean when they say, "No eye has seen, no ear has heard, and no mind has imagined what God has prepared for those who love him." But it was to us that God revealed these things by his Spirit. For his Spirit searches out everything and shows us God's deep secrets. No one can know a person's thoughts except that person's own spirit, and no one can know God's thoughts except God's own Spirit. And we have received God's Spirit (not the world's spirit), so we can know the wonderful things God has freely given us. When we tell you these things, we do not use words that come from human wisdom. Instead, we speak words given to us by the Spirit, using the Spirit's words to explain spiritual truths - 1 Corinthians 2:7-13

Third divine Person of the Trinity: Therefore, as you go, disciple people in all nations, baptizing them in the name of the Father, and the Son, and the Holy Spirit.
Matthew 28:19

The grace of the Lord Jesus Christ and the love of God and the fellowship of the Holy Spirit be with you all - 2 Corinthians 13:14

The Spirit works in our lives to conform us into the image of the Son: the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. Against such things there is no law - Galatians 5:22-23

The Spirit is omnipresent: Where can I flee from your spirit? Or where will I run from your presence? If I rise to heaven, there you are! If I lay down with the dead, there you are! If I take wings with the dawn and settle down on the western horizon your hand will guide me there, too, while your right hand keeps a firm grip on me - Psalm 139:7-10

Reminder: for the kingdom of God is not eating and drinking, but righteousness, peace, and joy in the Holy Spirit - Romans 14:17

The Holy Spirit gives us power: You will receive power when the Holy Spirit comes upon you. And you will be my witnesses, telling people about me everywhere—in Jerusalem, throughout Judea, in Samaria, and to the ends of the earth - Acts 1:8

Without the Holy Ghost we can do nothing. The God Holy Ghost does the things in our lives and through our lives. Every servant and child of the God has the Holy Ghost powering in their lives.

Coming to my life and the ministry, everything goes through the God of Holy Ghost. From the day one when I accepted the Jesus Christ as my Lord and savior, I have never taken any decisions on my own. I was under the control and the guidance of the God of Holy Ghost. This kind of life, leads me to live as successful servant of Him.

Abundant life

The thief comes only to steal and kill and destroy. I came that they may have life and have it abundantly - John 10:10

God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work - 2 Corinthians 9:8

Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us - Ephesians 3:20

When God gives us something, may be the life or any blessings, He will give abundantly.

We can see that in the powering of the Holy Ghost. We are the loving children of the living God. Someone must experience the abundant blessings in their lives personally.

Coming to my life and the ministry, I have personally experienced the abundant blessings both in the spiritual and the physical life, When I was accepted Jesus Christ as my Lord and savior in the year nineteen seventy two, the first thing that the God did in life by giving the abundant life with the Holy Ghost. Coming to the needs of the ministry and the family, He gave everything abundantly. What all I have learned in life practically, that God provide every need of us according to His mercy.

**My God shall supply all your need according to his riches in glory by Christ Jesus -
Philippians 4:19**

Our city is fast growing city, and has many churches and the fellowships. Among all those churches our ministry is only having the one thousand Sunday school children. Within twenty three of the ministry we had more than five thousand congregations in and around, the village ministry, women ministry, youth ministry and the children ministry growing rapidly in our ministry. The people around us think that we are getting large funds. As the matter of fact our ministry is running indigenously. God is providing every need of the ministry abundantly for His glory. Everyone must remember one thing, if God started to give you either the spiritual or physical blessings, He will give abundantly.

You will be a blessing

I will make of you a great nation, and I will bless you and make your name great, so that you will be a blessing. I will bless those who bless you, and him who dishonors you I will curse, and in you all the families of the earth shall be blessed - Genesis 12:2 – 3

his is not only for the Abraham, but also for every child of God. If we go through the Bible history, God blessed Abraham as the blessing to the people. Coming to the life of Joseph, he was blessed to be the blessing for his people including the family. If we go through the Bible history we can find many people who were blessed for his people to the own family. This was not stopped there, it is continuing till today in the lives of the Gods servants and the children.

Coming to my life and the ministry, I was the rejected child when I was six days boy. That was continued throughout my life. I was rejected in the youth stage. I was rejected when I became the adult. Even in my own father's family, I was rejected one. The same pattern was continued even in the ministry. In the early days of my ministry, I was rejected Pastor. The relatives and the people around use to mock me at me and did all kind of efforts to discourage me and also to destroy me both in the ministry and the life. The great God was with me in every discouragement and depression. He made me so strong in the spiritual life to grow in everything. As the scriptures said I was blessed in everything for His glory.

Dear friend, I pray that you may enjoy good health and that all may go well with you, even
as your soul is getting along well - 3 John 2

God made me so blessed to the people around and also the people who rejected me. As Joseph spoke to his brothers regarding the things they did for him, it's also happened like that in my life. The people who harmed me are receiving the blessings through me. God made me the blessing to my own family and to the ministry including the people around me.

What should be our desires in the life?

Delight yourself in the Lord

Delight yourself in the Lord, and he will give you the desires of your heart - Psalm 37:4

This is the confidence that we have toward him, that if we ask anything according to his will he hears us. And if we know that he hears us in whatever we ask, we know that we have the requests that we have asked of him - 1 John 5:14-15

“Delight yourself in the Lord” This is the first and the important thing in the lives of the God servants and the children. Delight in the God for everything. We may be delight in the joyful things, its also needed to be delight in the troubles and the pains.

No temptation has overtaken you except what is common to mankind. And God is faithful; he will not let you be tempted beyond what you can bear. But when you are tempted, he will also provide a way out so that you can endure it - 1 Corinthians 10:13

We need to delight in the God because He was with is in every situation. When delight in the God you will have the good health both in the spirit and the body.

Coming to my life and the ministry, what all I have learned in my was to delight in Him in every situation, that kind of things making me to overcome the troubles and also receive the comfort from the God time to time to carry this life for Him and also to fulfill the plans of the God in my life. When I face troubles in the life and ministry, I use to pray and keep all those troubles and the problems in the hands of the God and I will relax. My wife use to question me how could you sleep happily in these troubles? I simply smile and remind her about the promises that God has given us.

Jesus said, "Come to me, all of you who are weary and carry heavy burdens, and I will give you rest - Matthew 11:28

God always comfort me through the Holy Ghost and through the promised scriptures. That was the reason for me to delight in the God all time. He is also providing every need of the family and the ministry to run this wide ministry for His glory.

Commit your way to the Lord

Commit your way to the Lord; trust in him, and he will act - Psalm 37:5

Commit to the LORD whatever you do, and he will establish your plans - Proverbs 16:3

**Trust in the Lord with all your heart and lean not on your own understanding;
in all your ways submit to him, and he will make your paths straight. Do not be wise in
your own eyes; fear the Lord and shun evil - Proverbs 3:5 – 7**

We must surrender to God in the entire life. Most of the God's servants and the children want to do the ministry or anything in their lives according to their own plans. God gave the plans and design to the mankind to follow Him and do the things to please Him. We can see in the Bible history that how some great people were failed in their lives. We can see the King Solomon's life that he disobeyed God and made his own plans to lose his place that what God has given to him. We can also see this kind of foolish action in the life of King Rehoboam the son of King Solomon.

“His reign is described in First Kings twelfth chapter and fourteenth chapter twenty first verse and in Second Chronicles tenth, eleventh and twelfth chapters in the Hebrew Bible, Rehoboam was 41 years old when he ascended the throne. The United Kingdom of Solomon breaks up, with Jeroboam ruling over the Northern Kingdom of Israel”

Coming to my life and the ministry what all have learned through the Bible history and also life experience, to depend on the living God for everything by not to take any decisions and the plans to adopt in the life and in the ministry. I commit everything to the living God's hands, so that He is leading me and guiding in every action to stand for Him as the living witness.

Lord establishes

The heart of man plans his way, but the Lord establishes his steps - Proverbs 16:9

The God of all grace, who called you to his eternal glory in Christ, after you have suffered a little while, will himself restore you and make you strong, firm and steadfast - 1 Peter 5:10

The LORD makes firm the steps of the one who delights in him - Psalm 37:23

“Lord establishes” every God servant and the child must keep this in the mind all times. Not our plans and the projects, it's the God who establish the things in our lives. As the matter of fact most of the God servants and children do the things according to their desires and the plans. This kind of nature is making them face the failures in their lives. A bad name comes to the living God through their evil acts. In the Lord's prayer Jesus Christ taught like this.

Lord's Prayer: This, then, is how you should pray: “Our Father in heaven, hallowed be your name, your kingdom come, your will be done, on earth as it is in heaven. Give us today our daily bread. And forgive us our debts, as we also have forgiven our debtors. And lead us not into temptation, but deliver us from the evil one’

“Your will be done, on earth as it is in heaven” everyone must know one fact, that Gods will be done on the face of the earth and also in everyone’s life. by the grace of the living God, I have received the heart to depend on the living God for everything. Because of the nature the living God established the things according to His will and also for the betterment to our lives and the ministry. Because of the God works and the plans fulfilling in our lives and the ministry we are fining the rapid growth.

Lord establishes the thing in our lives as He feels for His glory.

God cares for you

Casting all your anxieties on him, because he cares for you - 1 Peter 5:7

he problem with many people including the God servants and the children, that **T**nobody cares them. It's true that the worldly people care nobody. We can see many stories like this in the Bible history. We can see that in the life of Joseph in the Egypt, how he was not cared by anyone. God only cared him and released from the prison and made him as the governor for the Egypt. We can see that in the life of David during the king Soul's attempts to kill him. He felt the loneliness and did not care by anyone. We can see how God cared him and kept someone to help him. We can see the declaration of David in his psalm that how God cared him.

A psalm of David: The Lord is my shepherd, I lack nothing. He makes me lie down in green pastures. He leads me beside quiet waters. He refreshes my soul. He guides me along the right paths for his name's sake. Even though I walk through the darkest valley, I will fear no evil, for you are with me; your rod and your staff, they comfort me. You prepare a table before me in the presence of my enemies. You anoint my head with oil; my cup overflows. Surely your goodness and love will follow me all the days of my life, and I will dwell in the house of the Lord forever – Psalm 23

We can see many stories like this in the Bible history and also in the early church history including the present generations. Coming to my life and the ministry, I had the practical experiences like that. There were many situations in my life that people did not care me in the past and also having similar experience even till now. When I faced that kind of situations, I use to be very happy in the spirit, because those are the situations that the living God cares me. From the day I accepted Jesus Christ as my lord and savior, God is caring me in day to day life. That is great assurance and the encouragement in my life to continue this wide ministry and also living for Him as the living vessel.

Fulfills heart desires

You have given him his heart's desire and have not withheld the request of his lips

- Psalm 21:2

God fulfills the desires of His servants and the children. Sometimes some people use to discourage as they do not receive anything from the God. As the matter of fact the living God please to fulfill the desires of His servants and the desires.

Delight yourself in the Lord, and he will give you the desires of your heart - Psalm 37:4

The Lord your God is in your midst, a mighty one who will save; he will rejoice over you with gladness - Zephaniah 3:17

Why some peoples desires were not fulfill? What was the problem? Let's see what the scriptures saying on this subject.

When you ask, you do not receive, because you ask with wrong motives, that you may spend what you get on your pleasures - James 4:3

By seeing these scriptures, it's very clear that we need to desire the things which were please God. Our heart must fill with the Holy Ghost, than we can desire the things which will glorify the living God. Coming to my life and the ministry, me and my wife including my son and his wife always desires the things which requires for the ministry to reach the un-reached and everything to please God. Because of this heart desire, God is granting every need more than we ask for His mission.

Keep your life free from love of money

**Keep your life free from love of money, and be content with what you have, for he has said,
“I will never leave you nor forsake you - Hebrews 13:5**

We brought nothing into the world, and we can take nothing out of it. But if we have food and clothing, we will be content with that. Those who want to get rich fall into temptation and a trap and into many foolish and harmful desires that plunge people into ruin and destruction. For the love of money is a root of all kinds of evil. Some people, eager for money, have wandered from the faith and pierced themselves with many griefs - 1 Timothy 6:7-10

Do not wear yourself out to get rich; do not trust your own cleverness. Cast but a glance at riches, and they are gone, for they will surely sprout wings and fly off to the sky like an eagle - Proverbs 23:4 - 5

“Keep your life free from love of money” we can see in the Bible history, many people were fall in the desire of the money and lost their lives. If see the life of Akan who loved the riches and destroyed himself with all his people.

Achan’s Sin: Joshua said to Achan, My son; give glory to the Lord, the God of Israel, and honor him. Tell me what you have done; do not hide it from me.” Achan replied, “It is true! I have sinned against the Lord, the God of Israel. This is what I have done: When I saw in the plunder a beautiful robe from Babylonia, two hundred shekels of silver and a bar of gold weighing fifty shekels, I coveted them and took them. They are hidden in the ground inside my tent, with the silver underneath.” So Joshua sent messengers, and they ran to the tent, and there it was, hidden in his tent, with the silver underneath. They took the things from the tent, brought them to Joshua and all the Israelites and spread them out before the Lord. Then Joshua, together with all Israel, took Achan son of Zerah, the silver, the robe, the gold bar, his sons and daughters, his cattle, donkeys and sheep, his tent and all that he had, to the Valley of Achor. Joshua said, “Why have you brought this trouble on us? The Lord will bring trouble on you today.” Then all Israel stoned him, and after they had stoned the rest, they burned them. Over Achan they heaped up a large pile of rocks, which remains to this day. Then the Lord turned from his fierce anger. Therefore that place has been called the Valley of Achor ever since – Joshua 7: 19 – 26

oming to my life and the ministry, I haven’t seen towards the money and its glitters.

CMy parents brought up us in the great discipline, by not having the desire of the money and also not to steal others money. My father used to tell the stories when we were young, he use to tell if find millions of dollars by the side of you, which was not your, do not touch that money. We four bothers and one sister had the same teachings. Those teachings of my father made every one of us sincere in the money matters. In entire life of mine, I have never handle the money whether the house purpose or the ministry. As long as my son came to take the charge, I use to handle the money matters. After my son took over

the charge, He is handling the money matters. My ministry is to spend time in the prayers and meditate the word of God. Besides that writing books and visiting people and encouraging them in the spirit to grow more and to become the disciples of the Lord Jesus Christ. As I was keeping myself away from money not having the desire of money, I was so good in the health also. All these sixty three years I have not seen doctor for any sickness or deceases physically. Sometime the spirit also became so strong to do the God's works in the greater way.

Quick to hear

Know this, my beloved brothers: let every person be quick to hear, slow to speak, slow to anger; for the anger of man does not produce the righteousness of God - James 1:19-20

In these days people are very busy, including the God servants and the children. Coming to the church and the families, nobody likes to listen. Most of them want to speak what they know. One fine day one of our city missionaries came to me and asked me how can become the effective speaker. I told him do not preach what you know, preach the people need. First and utmost thing is here. God servants must hear from God, same time the children of God also must listen. Jesus himself told to listen.

When he has brought out all his own, he goes on ahead of them, and his sheep follow him because they know his voice - John 10:4

Through the listening the voice of God, we will be able to follow Him. When we do not have the habit of listening how we can follow the living God. Coming to the God servants, they must listen from God and receive the message for the people. Most of the people were misleading because of not listening. Coming to the families the children were spoiling due to the lack of listening. We must quick to listen.

Consequently, faith comes from hearing the message, and the message is heard through the word about Christ - Romans 10:17

Listen, my dear brothers and sisters: Has not God chosen those who are poor in the eyes of the world to be rich in faith and to inherit the kingdom he promised those who love him? - James 2:5

One must be quick to listen to follow Him and also reach the un-reached. Coming to my life and the ministry, I am very quick to listen from the God. Every sermon I preach to the people was received from the living God. Even to the works I do or take any dissections regarding the ministry or the family, I must listen from the living God; otherwise I do not act on those. I also advise the people who are reading this book you must be quick to listen to become the powerful vessels for the living God. You will also receive the mighty blessings from the living God.

God will sustain you

Cast your burden on the Lord, and he will sustain you; he will never permit the righteous to be moved - Psalm 55:22

This is the spiritual secret that every God servant and the children must know. When the troubles come, immediately, the God most of the God servants and the children discourage and some will go away from the God and some will enter into unwanted problems. The main reason for this, they do things according to their own plans and the abilities. When face the failure then they come to God to blame Him. What way they can blame God? They have not consulted with God for any of their attempts to do any work in their lives. How can they blame God for their failures? The first and almost thing to observe in the lives of the Gods servants and the children that the God will sustain every child of Him include the servants.

Coming to my life and the ministry, God was always with as do nothing without consulting Him. To travel or to any work, I must receive the approval of the living God. This is the reason for my success in the ministry and the family. The pressures and the problems I have through the evil and the evil people were very powerful. I can definitely say if God was not there with me, it's highly impossible to overcome them. I strongly believe in God. I know He is my redeemer and the protector. My faith never allowed me to the shame. The living God sustained me in every situation of my life problems and the pressures to live for as the witnessing vessel.

Keep God's law

I delight to do your will, O my God; your law is within my heart - Psalm 40:8

This is the important thing for the God servants and the children. One must have the fear of God all times. If we go through the gospel according the Mathews chapter seven verse twenty two and twenty three, Jesus speaking about the lawless people.

On that day many will say to me, Lord, Lord, did we not prophesy in your name, and cast out demons in your name, and do many mighty works in your name?’ 23 And then will I declare to them, ‘I never knew you; depart from me, you workers of lawlessness - Matthew

7:22-23

Here these people did great work for the God. Even though they did great work and perform the miracles in the ministry, God said I do not know you, the lawless people. Keep the God’s law is very important then doing the effective ministry. In these days I am really feeling sorry for the so call big television speakers including the speakers of the large crusades and the healing campaigns. They are focusing themselves more than God and will not keep the law of the lord in their lives. This kind of ministry and the life was leading them to the destruction. Keeping the law in the personal life and the ministry is very important.

Coming to my life and the ministry, I keep the God’s law all times in heart. My father and mother brought up me and other children in the well discipline. We must follow the law of the God both in the lives and the family including the church and society. As we have learned to follow the law from our parents, it’s very easy to follow even in this age and the life. Because I am keeping the God’s law all times in my life and the ministry, He is protecting me and helping me to grow in the spirit to do the effective ministry to reach the un-reached.

Peace of God

The peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus - Philippians 4:7

There were shepherds living out in the fields nearby, keeping watch over their flocks at night. An angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were terrified. But the angel said to them, “Do not be afraid. I bring you good news that will cause great joy for all the people. Today in the town of David a Savior has been born to you; he is the Messiah, the Lord. This will be a sign to you: You will find a baby wrapped in cloths and lying in a manger.” Suddenly a great company of the heavenly host appeared with the angel, praising God and saying, “Glory to God in the highest heaven, and on earth peace to those on whom his favor rests – Luke 2:8 – 14

Pease of God is very important and necessary for the each servant and the child of God. I have seen many of them living in life without peace. When we have the peace of God in us, there we will have the healthy mind and body. When someone lost the peace of God the first thing they will receive the blood pressure, which leads to the other diseases in the life to go down both in the spirit and the body. There they lost their testimony. To have peace of God in you; it's very important thing to live according to the will of God. When you please God through your life, there you will receive the peace of God. I came to know this simple fact when I accepted Jesus Christ as my Lord and savior.

Coming to my life and the ministry, I always keep the good health both in the body and in the spirit. Lot of people does not understand this simple truth. The truth is only having the peace of God in me all times. The peace of the God is making to live as the powerful vessel for the living God.

Be acceptable to God

**Let the words of my mouth and the meditation of my heart be acceptable in your sight, O
Lord, my rock and my redeemer - Psalm 19:14**

Learn in your own experiences what is fully pleasing to the Lord - Ephesians 5:10

**Without faith it is impossible to please God, because anyone who comes to him must believe
that he exists and that he rewards those who earnestly seek him - Hebrews 11:6**

Whatever we do, we must be acceptable to God, whether the words or the meditation and including every work.

Be acceptable to God by not to conform to this world: Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is his good, pleasing and perfect will.

Be acceptable to God by saving the people from the sinful world: We are to God the pleasing aroma of Christ among those who are being saved and those who are perishing.

Be acceptable to God through our living: As for other matters, brothers and sisters, we instructed you how to live in order to please God, as in fact you are living. Now we ask you and urge you in the Lord Jesus to do this more and more. For you know what instructions we gave you by the authority of the Lord Jesus.

Be acceptable to God through our faith: without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him.

Be acceptable to God through the hope and fear: His pleasure is not in the strength of the horse, nor his delight in the legs of the warrior; the Lord delights in those who fear him, who put their hope in his unfailing love.

Be acceptable to God through obedience: Therefore, my dear friends, as you have always obeyed not only in my presence, but now much more in my absence continue to work out your salvation with fear and trembling, for it is God who works in you to will and to act in order to fulfill his good purpose.

Be acceptable to God through the peace: When the Lord takes pleasure in anyone's way, he causes their enemies to make peace with them.

Coming to my life and the ministry, I want to do the things which will be acceptable. I have never adopted any of my own methods in the ministry and the life. Whatever I want to do in the life and the ministry, I pray for those things for a lot. Unless I receive the conformation from the God, I don't do the things. Sometimes my family people use to think that I am not taking their suggestions. From day when I accepted Jesus Christ as my personal savior, I did everything to be acceptable by the living God. When we do the things those were acceptable by the living God, than we were in the safe zone.

God works in us

It is God who works in you, both to will and to work for his good pleasure - Philippians 2:13

No eye has seen a God besides you, who works for those who wait for him: All times I feel that the God was with me and guiding me to do the effective works for the extension of the ministry bring the perishing people towards Him. When I share to the people, that God was always with me to lead in every situation.

God is not served by human hands as though he needed anything, but he himself gives life and breath and everything: God is giving the life which He promised through Jesus Christ to live for Him and He is my breath in every situation to go through successfully to please Him and bring the people to His presence.

The Son of Man came not to be served but to serve, and to give his life a ransom for many: God is working in me to serve His children. As the matter of fact the ministry is growing rapidly due to this reason. Most of the God servants and the children are missing here. Once they received the blessings from the God, they act like Gods and make the people to serve them. I can definitely say that the God is working in and through me to reach the un-reached.

To old age I will carry you. I have made, and I will bear; I will carry and will save: with this assurance the living God working in my life to be strong both in the spirit and the body to live as the witnessing vessel for Him. All these sixty three years God was with me and strengthen me in the body with good health, and also to so strong in the spirit to reach the perish people to bring to the knowledge of the salvation to accept Him as the personal savior.

I worked harder than any, though it was not I, but the grace of God that is with me: through His grace He is working in me to stand strong in the ministry to reach the unreached people. The people around me do not understand the secret of my hard work to extend the ministry. I can say through my life experience that grace of God is only giving this strength to the heard work to fulfill the plans of God in my life.

Unless the Lord builds the house, those who build it labor in vain: God is working in me to build the spiritual and the physical houses. Coming to my spiritual house, He worked in me to reach thousands of people to build as the spiritual house. Coming to the house to live on the face of the earth, God worked in me to build the beautiful house for His glory.

Work out your own salvation, for it is God who works in you, to will and to work: God working in my life continually to be in the tack of the spiritual life by keeping the own salvation to live as the living vessel for Him. I can definitely say that all these sixty three years God worked in me keep on the joy of the salvation by keep it with fear and troubling. I parse the God for the way He is working in me to live for Him

We can do nothing without God

I am the vine; you are the branches. Whoever abides in me and I in him, he it is that bears much fruit, for apart from me you can do nothing - John 15:5

I know, O LORD, that the way of man is not in himself, that it is not in man who walks to direct his steps - Jeremiah 10:23

I can do all things through him who strengthens me - Philippians 4:13

“We can do nothing without God” many people especially the God servants and the children thinks that they can do anything with their own efforts. As the matter of act a man can do the things up to certain extent. Some people think themselves great with their little works. I have seen many great people in my life how they were failed in their lives as they used their own methods and the energy. Some families were also destroyed due this kind of thinking. It’s very clear that we can do nothing with Him.

I can tell through my life experience about this. In the early days I use to have the thinking that I was well educated and good in speaking. Also I use to have the thinking that I can do anything with strength and knowledge. One fine day I was in the great trouble, I was in the stage of sinking in the life. I was looking for someone to rescue me, but there was no help from anywhere. Final I turned towards Jesus Christ to help me and save me from the situations which are making me to sink in the total life, than God started talking to me, you are more talented and the educated, why do you need my help? I cried and told Him I came to know that my education and all the abilities were nothing, please help me, when I gone into the experience of zero, than God started to lift up me in the life by holding my hand to stand for Him as the living witness. That was the turning point in my life that where the God started to bless me abundantly to do the wider ministry.

Very truly I tell you, unless a kernel of wheat falls to the ground and dies, it remains only a single seed. But if it dies, it produces many seeds - John 12:24

Receive the power and wealth

You shall remember the Lord your God, for it is he who gives you power to get wealth that he may confirm his covenant that he swore to your fathers, as it is this day - Deuteronomy 8:18

“Receive the power and wealth” this is very important for every Gods servant and the child. How can we receive the power? There is saying “No prayer; No power” coming to the day the Pentecost, on that day the Holy Ghost came upon the people, than they received the power to stand for the living God as the witness till the utter most parts of the earth. As the matter of fact the gospel was proclaimed around the world after they received the Holy Ghost.

But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth - Acts

1:8

In these days we can see many God servants doing the ministry without power. Because that they are seeing the spiritual fruits. To preach the gospel we need the power, to heal the sick we need the power, to cast out the demon spirits we need the power. We can see some people in the days of early church; the demon spirits attacked them as they have no power.

One day the evil spirit answered them, “Jesus I know, and Paul I know about, but who are you?” Then the man who had the evil spirit jumped on them and overpowered them all. He gave them such a beating that they ran out of the house naked and bleeding - Acts 19:15-16

Coming to my life and the ministry, God gave that power to me to stand as the witnessing vessel for Him. The second point is the wealth. We need the wealth of the spirit and the physical. The riches are in the hands of the living God.

I will give you hidden treasures, riches stored in secret places, so that you may know that I am the LORD, the God of Israel, who summons you by name - Isaiah 45:3

Dear friend, I pray that you may enjoy good health and that all may go well with you, even as your soul is getting along well – 3 John 2

God wants us to be wealthy both in the spirit and the physical. Coming to my life and the ministry, I have received the both wealth by the grace of God. When we are wealthy in the spirit we can do the challenging ministry to present the living God to the people and also to be in the people to the living God. When we are wealthy in the physical and material things, we do help to the poor and the needy. This is one of the things for the growth of our ministry widely rapidly.

Faithfull steward

Of which I became a minister according to the stewardship from God that was given to me for you, to make the word of God fully known, the mystery hidden for ages and generations but now revealed to his saints. To them God chose to make known how great among the

Gentiles are the riches of the glory of this mystery, which is Christ in you, the hope of glory. Him we proclaim, warning everyone and teaching everyone with all wisdom, that we may present everyone mature in Christ. For this I toil, struggling with all his energy that he powerfully works within me - Colossians 1:25-29

“Faithfull steward” minister according to the stewardship from God that was given. We have made ourselves as the stewards; this was purely given by the God. We must be faithful for the work that God has given you. Lot of people instead of act like stewards, they are acting like the Lord to the people. There the mission of the God also spoiling. In these days the steward are becoming like the lord and the bothering the people. Yesterday when I was in the area wise evangelists meet, in that meeting, one of our evangelists sharing what happened to one of the other church member. That particular family was in the occasion that some people came to see their girl for the marriages. In India most of the marriages were the arranged marriages. Parents will choose the boy for the girl. When somebody came to see the girl, they called their pastor in phone to attend that meeting at their home. That pastor blindly refused to attend and also told them our pastor does not come for this kind of works. That pastor wants the money of the people, he don’t act as the true steward. In these days we are seeing this kind of pastor very often. They were not appointed by the God as the stewards; they are the self-made stewards to make the monies in the name of the Living God.

Their destiny is destruction, their god is their stomach, and their glory is in their shame.

Their mind is set on earthly things - Philippians 3:19

Coming to my life and the ministry, I work around the clock to take care about the congregation. One particular night around two O’clock in the early hours I have received a phone call from our church member. She said that her husband met with an accident. That’s happened two hundred miles far from our city. I rushed immediately to

that place and did the required help to that man by taking him to the hospital and also took the responsibility about the damaged vehicle. Accident took place in the early hours at two o'clock, by the next day two o'clock that man the vehicle was at their home. I did the work in such an effective way. That was the great testimony in our church and the area. I am very sincere to the work that God has given to me. I want to be the good steward.

Power of the word of God

For the word of God is living and active, sharper than any two-edged sword, piercing to the division of soul and of spirit, of joints and of marrow, and discerning the thoughts and intentions of the heart - Hebrews 4:12

“Power of the word of God” the word of God is so powerful to change the people and heal the people. It also leads us into the right paths.

I have hidden your word in my heart that I might not sin against you - psalm 119:11

I am laid low in the dust; preserve my life according to your word - Psalm 119:25

My soul is weary with sorrow; strengthen me according to your word – Psalm 119:28

Your word is a lamp for my feet, a light on my path – Psalm 119:105

We can see that power of the word of God in the beginning of the Bible chapter one. The word of God made the entire universe and the creation. The word of God is so powerful. During my one of the visits to America, I was in a particular church who was my good friend. He got good church building the good number of people. I was in the Sunday service. There was no preaching, all the time people were dancing by holding the flags, after two hours of the dancing, that gave the benediction and ask the people to go home. After everyone left the church, I told the pastor that you are doing something wrong. There must be the preaching in the church. People must receive the word of God. Where there is no word of God, those churches will not stand. He took it very easy. For the result of that, his church was closed after one year. You can watch around the globe, the church which will have the good feeding with the word of God will stand so as strong as the witnessing church.

Coming to my life and the ministry, we serve the wonderful word of God to the congregation. I can say our member were very strong in the word of God. Every member in our church is a missionary. I taught them each on catch one for the Christ. Due to this reason our church and the ministry growing rapidly. The word of God is so powerful to do the miracles and change the things.

Be with good courage

So we are always of good courage. We know that while we are at home in the body we are away from the Lord, for we walk by faith, not by sight. Yes, we are of good courage, and we would rather be away from the body and at home with the Lord - 2 Corinthians 5:6 - 8

“Be with good courage” we live on the face of earth according to the word of God.

Our days may come to seventy years, or eighty, if our strength endures; yet the best of them are but trouble and sorrow, for they quickly pass, and we fly away - Psalm 90:10

This seventy to the eighty years were very short period. Some people think more about the short period of this life. There will be everlasting life after this short life. This short life we live in the flesh. After this short life we leave the flesh and the spirit will go to the eternal life that where we live forever and ever. Once we go to the eternal life there will be no worry or trouble there.

He will wipe every tear from their eyes. There will be no more death' or mourning or crying or pain, for the old order of things has passed away - Revelation 21:4

It's the promised blessing that we will not have any pains after this life, which we call the real life that the everlasting life. So in the life of flesh let's not worry for anything. Let's live with good courage. The living God helps us to live and leads to carry the work He has given to us.

Coming to my life and the ministry, I do not worry for anything as I know that the living God was with me and leads me to reach the goal that what He set for me. I always run the ministry with good courage for His glory through His powerful strength.

Live with love

If I speak in the tongues of men or of angels, but do not have love, I am only a resounding gong or a clanging cymbal. If I have the gift of prophecy and can fathom all mysteries and all knowledge, and if I have a faith that can move mountains, but do not have love, I am nothing. If I give all I possess to the poor and give over my body to hardship that I may boast, but do not have love, I gain nothing. Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, and it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, and always perseveres. Love never fails. But where there are prophecies, they will cease; where there are tongues, they will be stilled; where there is knowledge, it will pass away. For we know in part and we prophesy in part, but when completeness comes, what is in part disappears. When I was a child, I talked like a child, I thought like a child, I reasoned like a child. When I became a man, I put the ways of childhood behind me. For now we see only a reflection as in a mirror; then we shall see face to face. Now I know in part; then I shall know fully, even as I am fully known. And now these three remain: faith, hope and love. But the greatest of these is love - 1 Corinthians 13:1 - 13

“Live with love” in these days we are unable to see the love in the people for each other.

What is love? The love is the God.

Whoever does not love does not know God, because God is love - 1 John 4:8

Whoever claims to love God yet hates a brother or sister is a liar. For whoever does not love their brother and sister, whom they have seen, cannot love God, whom they have not seen - 1 John 4:20

Live with love means, live with the God. When we have God in you, then only you can love others. Loveless person is the God less person, when someone accepted Jesus

Christ as the lord and savior in the lives. There receive the living God in their hearts.

When they have God in them, they will have love of God. The description of that was mentioned in detail in the thirteenth chapter of the first Corinthians.

Coming to my life and the ministry, God has given me the heart of love to love anyone. One of our church member wife's was caught red-handedly with another man while she was doing adultery. When I attend that issue, I spoke to the heart of the husband through the love of God. With the guidance of the Holy Ghost, I was able to settle their issue through the Gods love. He forgiven the wife and they are living together happily with the children. I was able to lead them live with the love of God. I did many things like this. I believe that everyone must live in the love of God.

Imperishable treasures

Sell your possessions, and give to the needy. Provide yourselves with moneybags that do not grow old, with a treasure in the heavens that does not fail, where no thief approaches and no moth destroys - Luke 12:33

“Imperishable treasures” the treasures on the face of the earth will be perishable. I have seen many God servants itself make the treasures on the face the earth. As the matter of fact according to this world and its systems, the people who make the great treasures on the face of the earth will honored a lot and treated as the Godly man. I have seen many God servants had the large mansions on the face of the earth. They do not help the poor and needy. They preach more about the love of God with having that in their personal lives. If

we go through the scriptures, the eleventh chapter of Hebrews speaks about the people who lived for the God as the living witness and not seek any of the worldly blessings.

What more shall I say? I do not have time to tell about Gideon, Barak, Samson and Jephthah, about David and Samuel and the prophets, who through faith conquered kingdoms, administered justice, and gained what was promised; who shut the mouths of lions, quenched the fury of the flames, and escaped the edge of the sword; whose weakness was turned to strength; and who became powerful in battle and routed foreign armies.

Women received back their dead, raised to life again. There were others who were tortured, refusing to be released so that they might gain an even better resurrection. Some faced jeers and flogging, and even chains and imprisonment. They were put to death by stoning; they were sawed in two; they were killed by the sword. They went about in sheepskins and goatskins, destitute, persecuted and mistreated the world was not worthy of them. They wandered in deserts and mountains, living in caves and in holes in the ground.

These were all commended for their faith, yet none of them received what had been promised, since God had planned something better for us so that only together with us would they be made perfect – Hebrews 11:32 – 40

These people kept their faith on the imperishable treasures that where they live forever and ever. While we read these scriptures, if we do not turn our mind towards the imperishable treasures, no one can save us.

Coming to my life and the ministry, I have not seen towards the worldly treasures any time in my life. God gave the wisdom to keep my eyes on the things above where we will have the imperishable treasures. I can say that the living God gave many imperishable treasures for me in the heaven. If God extend my life on the face of the earth, I will definitely make more Imperishable treasures in the heaven that where I live with Him forever and ever.

Giving tithes

Bring the full tithe into the storehouse, that there may be food in my house. And thereby put me to the test, says the Lord of hosts, if I will not open the windows of heaven for you and pour down for you a blessing until there is no more need - Malachi 3:10

“Giving tithes” this is the command from the God with blessings, when you give the tithes, than God will open the windows of heaven to pour blessings for you. This also speaks about the house of the God. Most of the people do not give the tithes as they make very good money and the other blessings. Most of the churches were in the trouble to run the churches as they have no enough funds to pay the bills of the church. The reason here, the people who pay the tithes, were splitting their tithes and sending to the different organizations like television and radios including the healing and other ministry. Here they are missing one point tithes must go to their churches where they attend regularly. Church

will attend their needs; the other ministries mentions above do not attend your needs. Needs means, like marriages, birthday functions and burials like that. People use the services of the church, but their tithe goes to other people. This is the sad thing happening in these days.

Coming to my life and the ministry, I have learned from my parents regarding the **C** tithes. As the matter of fact we give more than tithes to the God house. As we are in the fulltime ministry, we spend everything to the ministry first. There were occasions they we do not worry to buy clothes for us. Our main agenda and the mission is the ministry. Because of this kind of heart towards the ministry and the church, God is increasing the ministry rapidly both in the spirit and number for His glory.

**Do not be conformed to this world, but be transformed by the renewal of your mind, that
by testing you may discern what is the will of God? What is good and acceptable and
perfect - Romans 12:2**

Most of the God's servants and the children were failing here. Once they received blessings from the God, then they turn towards the world. They do not remember the early days of their ministry, that how the world and the worldly people bother them. Once they received every blessing, then they try to keep the good relations with the world and the worldly people. In some public meetings and in some churches also people

entertain the worldly people like politicians. They come and speak in the churches and in the Christians public meetings, that all religions are one. Jesus Christ is one of the Gods. The shameless pastors and the Christian leaders do this evil work for their personal benefits from the politicians.

Besides this the nominal Christians adopt all kinds of the worldly customs. At one stage they act like the Hindu people. They worship the living God one side and in the other side they adopt all Hindu systems and the costumes. Due to this kind of people the non-Christian were unable to know the living God and mission.³coming to my life and the ministry, God made me as the living vessel for Him and for His glory. As the matter of fact my father came from strong Hindu family. Once he became the Christian, he lived as the true Christian and also led us to live as the true Christian. That brought up made the strong Christians. We the four brother and one sister never allowed any kind of the worldly things in our families. My life was an exemplary for the people both in the church and also out of the church. The place where I live, they recognized me as the true Christian and also same with the church people, God also helping me all the times to live for Him as the true Christian by not to adopt any worldly methods in the family and in the ministry.

Live with faith

Truly, I say to you, whoever says to this mountain, 'Be taken up and thrown into the sea,' and does not doubt in his heart, but believes that what he says will come to pass, it will be done for him - Mark 11:23

Without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him - Hebrews 11:6

o live as the true Christian, keeping faith in the Jesus Christ is an important thing.

TWith our faith we cannot live as the true Christian. If we go through the Hebrews chapter eleven, we can see the heroes of faith. They depended up the living God for everything. They did not care their troubles and the problems. They have gone through all kinds of the tribulation.

Faith in Action: what more shall I say? I do not have time to tell about Gideon, Barak, Samson and Jephthah, about David and Samuel and the prophets, who through faith conquered kingdoms, administered justice, and gained what was promised; who shut the mouths of lions, quenched the fury of the flames, and escaped the edge of the sword; whose weakness was turned to strength; and who became powerful in battle and routed foreign armies. Women received back their dead, raised to life again. There were others who were tortured, refusing to be released so that they might gain an even better resurrection. Some faced jeers and flogging, and even chains and imprisonment. They were put to death by stoning;^[e] they were sawed in two; they were killed by the sword. They went about in sheepskins and goatskins, destitute, persecuted and mistreated the world was not worthy of them. They wandered in deserts and mountains, living in caves and in holes in the ground. These were all commended for their faith, yet none of them received what had been promised, since God had planned something better for us so that only together with us would they be made perfect – Hebrews 11:32 – 40

They exercised the faith in their lives and finally they said that this world Is not worthy for them.

Coming to my life and the ministry, we are just living by the faith. Every day is the new day for us. To run the mansion we need to exercise the faith. To pay the bills we need to look towards God. We run the ministry with four formulas, one is the prayer, second one is word of God, third one is faith, fourth one is fellowship. By faith we were able to run this wide ministry for the glory of the living God.

God will repay

Behold, I am coming soon, bringing my recompense with me, to repay everyone for what he has done - Revelation 22:12

“God will repay” most of the God’s servants and the children thinks that God is not caring them and not providing anything for them. Every person on the face of the earth must know one thing that God will repay for every work we do. Most of the times people look towards the materialistic blessings. They do not count the spiritual blessings. One of my visits to America, one bishop gave the mobile arbitrary to the missionaries who were in the mission fields. He kept good Biblical books in a box and gave the missionaries, which will help them in their ministry and also in the spiritual life. Most of the missionaries mocked

on this, why we need this books, instead of the books the bishop can give the money to us which will help us. They do not know those books given by the God. We must understand that how God will repay us in the life and the ministry.

Coming to my life and the ministry, I have just followed the word of God which were the blessings.

Seek first his kingdom and his righteousness, and all these things will be given to you as well - Matthew 6:33

As the matter of fact I have seen for any blessings or the repayment from God. I just did the ministry and doing the ministry as the God asking me to do. I am doing sincerely and in the effective way to live the living God. Because of my sincere work, the living God is repaying me for the every hard work. God made me so strong in the spirit and also in the materials in the form of repay for the hard work done by me. I also teach and share the things to the people that how God is repaying to me. From my personal experience I am telling you, do not worry for anything. Be patient in the life to receive every mighty blessing from God. He will repay to you in His own time.

Obedience in all times

Therefore, my beloved, as you have always obeyed, so now, not only as in my presence but much more in my absence, work out your own salvation with fear and trembling, for it is God who works in you, both to will and to work for his good pleasure. Do all things without grumbling or questioning, that you may be blameless and innocent, children of God without blemish in the midst of a crooked and twisted generation, among whom you shine as lights in the world, holding fast to the word of life, so that in the day of Christ I may be proud that I did not run in vain or labor in vain - Philippians 2:12 - 16

“Obedience in all times” There is no other way for us than the obedience to the God. God children and the servants must obey to God and to His commandments. Coming to the family, wives must obey to the husbands.

Wives, submit yourselves to your own husbands as you do to the Lord - Ephesians 5:22

In these days we are not see this in the families. St. Paul wrote this for the early church. So we can understand that there are the disobedience wife's in those days. In these days, we can see any disobedience wives. They have women organizations to help them to rebel on husbands. In some countries, they made the law to send husbands to prison if they speak about the obedience. This is the reason why the families were spoiling. Coming to the pastor's family, most if the pastor wives acting like evil to destroy the pastor and the ministry. Some were succeeded in their attempts due to the pastor's prayerlessness.

Coming to the children, in many families the children were most disobedience to the parents. We can image the future of those children.

In some churches, the congregation disobeys to the pastor. Some churches treat the pastor as the paid employ and must listen to the board. Same church asks the pastor to preach what they want. They do not know the fact that the church is the reflection of the heaven. There will be one God and angels and all the people to worship Him and obey to Him at all times. That's the heaven; the church must be like that. In some churches the elders rule the pastor and the congregation.

We can see everywhere the disobedience, but the living Gods desire that wife to obey husband, children obey to parents, congregation to obey the pastor, totally everyone must obey one must obey to the living God.

Help the needy

Sell your possessions, and give to the needy. Provide yourselves with moneybags that do not grow old, with a treasure in the heavens that does not fail, where no thief approaches and no moth destroys. For where your treasure is, there will your heart be also - Luke 12:33 -34

“Help the needy” some people help to the people who were not in the situation deserve the help. We must help who were in the real need. We can see that in the life of the Samaritan who helped the needy one.

The Parable of the Good Samaritan: On one occasion an expert in the law stood up to test Jesus. “Teacher,” he asked, “what must I do to inherit eternal life?” “What is written in the Law?” he replied. “How do you read it?” He answered, “‘Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind’; and, ‘Love your neighbor as yourself.’” “You have answered correctly,” Jesus

replied. “Do this and you will live.” But he wanted to justify himself, so he asked Jesus, “And who is my neighbor?” In reply Jesus said: “A man was going down from Jerusalem to Jericho, when he was attacked by robbers. They stripped him of his clothes, beat him and went away, leaving him half dead. A priest happened to be going down the same road, and when he saw the man, he passed by on the other side. So, too a Levite, when he came to the place and saw him, passed by on the other side. But a Samaritan, as he travelled, came where the man was; and when he saw him, he took pity on him. He went to him and bandaged his wounds, pouring on oil and wine. Then he put the man on his own donkey, brought him to an inn and took care of him. The next day he took out two denarii and gave them to the innkeeper. ‘Look after him,’ he said, ‘and when I return, I will reimburse you for any extra expense you may have.’ “Which of these three do you think was a neighbor to the man who fell into the hands of robbers?” The expert in the law replied, “The one who had mercy on him.” Jesus told him, “Go and do likewise.”

Coming to my life and the ministry, helping the needy plays major role. As the matter of fact the church is growing rapidly both in the spirit and the number, due to the helping the needy. It's not the money all times. Your services also counts as the help. Our church and the mission based on the spiritual help and also the materialistic help. Our congregation also gives the testimony about our church, that this is the church which will help the needy people. Recently the mega churches and the money making ministries started in our area. The pastors of that church busy in making the money from the people, when it comes to the service, they will disappear. They will not be available for the people for the services. The mission of Jesus to help the needy that both the spiritual and materialistic things. Through this kind of ministry we can reach the un-reached.

Do not turn away from God

Thus says the Lord: “Cursed is the man who trusts in man and makes flesh his strength, whose heart turns away from the Lord. He is like a shrub in the desert, and shall not see any good come. He shall dwell in the parched places of the wilderness, in an uninhabited salt land. “Blessed is the man who trusts in the Lord, whose trust is the Lord. He is like a tree planted by water, that sends out its roots by the stream, and does not fear when heat comes, for its leaves remain green, and is not anxious in the year of drought, for it does not cease to bear fruit - Jeremiah 17:5-8

People will turn away from God in the last days: This know also, that in the last

days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, Traitors, heady, high-minded, lovers of pleasures more than lovers of God; Having a form of godliness, but denying the power thereof: from such turn away. For of this sort are they which creep into houses, and lead captive silly women laden with sins, led away with divers lusts, Ever learning, and never able to come to the knowledge of the truth. Now as Jannes and Jambres withstood Moses, so do these also resist the truth: men of corrupt minds reprobate concerning the faith. But they shall proceed no further: for their folly shall be manifest unto all men, as theirs also was - 2 Timothy 3:1 - 9

“Do not turn away from God” if we go through the Bible history, there were many people who turned away from the living God. If we see in the life of the great king Solomon, in the last days he left the God.

Fall of King Solomon: King Solomon, however, loved many foreign women besides Pharaoh’s daughter Moabites, Ammonites, Edomites, Sidonians and Hittites. They were from nations about which the Lord had told the Israelites, “You must not intermarry with them, because they will surely turn your hearts after their gods.” Nevertheless, Solomon held fast to them in love. He had seven hundred wives of royal birth and three hundred

concubines, and his wives led him astray. As Solomon grew old, his wives turned his heart after other gods, and his heart was not fully devoted to the Lord his God, as the heart of

David his father had been - 1 Kings 11:1-4

In these days I have seen many God servants and the children turned away from the living God by adopting the worldly methods in the life and ministry. As the matter of fact everyone will have to face this kind of situations. Temptations and the troubles will make someone to go away from the living God. The sad part in these kinds of people was, they blame God for their failures. Every children and the servant of God must know the heart and the plans of the living for their lives. If we go through the life of King David, he gave the statement like this to be with God all times.

Whom have I in heaven but you? And earth has nothing I desire besides you. My flesh and my heart may fail, but God is the strength of my heart and my portion forever - Psalm

73:25 – 26

Because of this kind of heart David was able to live with God in of his life time out of the falls and raises. Coming to my life and the ministry, as I have lived in the world and did the worldly things in the past, those experiences are helping me to be with the God all times not going away from.

Do not confuse

God is not a God of confusion but of peace. As in all the churches of the saints - 1

Corinthians 14:33

The Destruction of the Temple and Signs of the End Times: Some of his disciples were remarking about how the temple was adorned with beautiful stones and with gifts dedicated to God. But Jesus said, “As for what you see here, the time will come when not one stone will be left on another; every one of them will be thrown down.” “Teacher,” they asked, “when will these things happen? And what will be the sign that they are about to take place?” He replied: “Watch out that you are not deceived. For many will come in my name, claiming, ‘I am he,’ and, ‘The time is near.’ Do not follow them. When you hear of wars and uprisings, do not be frightened. These things must happen first, but the end will not come right away.” Then he said to them: “Nation will rise against nation, and kingdom

against kingdom. There will be great earthquakes, famines and pestilences in various places, and fearful events and great signs from heaven. “But before all this, they will seize you and persecute you. They will hand you over to synagogues and put you in prison, and you will be brought before kings and governors, and all on account of my name. And so you will bear testimony to me. But make up your mind not to worry beforehand how you will defend yourselves. For I will give you words and wisdom that none of your adversaries will be able to resist or contradict. You will be betrayed even by parents, brothers and sisters, relatives and friends, and they will put some of you to death. Everyone will hate you because of me. 18 But not a hair of your head will perish. Stand firm, and you will win life. “When you see Jerusalem being surrounded by armies, you will know that its desolation is near. Then let those who are in Judea flee to the mountains, let those in the city get out, and let those in the country not enter the city, For this is the time of punishment in fulfillment of all that has been written. How dreadful it will be in those days for pregnant women and nursing mothers! There will be great distress in the land and wrath against this people. They will fall by the sword and will be taken as prisoners to all the nations. Jerusalem will be trampled on by the Gentiles until the times of the Gentiles are fulfilled. “There will be signs in the sun, moon and stars. On the earth, nations will be in anguish and perplexity at the roaring and tossing of the sea. People will faint from terror, apprehensive of what is coming on the world, for the heavenly bodies will be shaken. At that time they will see the Son of Man coming in a cloud with power and great glory. When these things begin to take place, stand up and lift up your heads, because your redemption is drawing near - Luke 21:

5 – 28

“Do not confuse” in these days we are seeing lot of confusion among the Gods servants and the children. The reason for that is lack of knowledge of the scriptures. In India, lot of churches started with ten and fifteen people. Lot of uneducated and people without having the knowledge of the scriptures were started their own ministries. Some churches are the family churches, and some churches are the community churches. Due to the lack of knowledge in the scriptures; there are preaching wrong doctrines, which are leading the people to the wrong paths for the destruction.

Coming to my life and the ministry, I accepted Jesus Christ as my personal savior at the time of ten plus two school time; I thought to do the ministry with that education by going to the villages by cycle to share the gospel to the gentiles. God did not allow me for that. He led me to do the higher studies both in the secular and the theology. God helped me to do the commendable education of twenty one years. God also allowed me to travel around the globe to share the gospel with my testimony. Due to this higher education and the travel experience, God strengthen me so strong in the spiritual life. Because of this kind of life there is no place for me to confuse in the spiritual life. I can tell everyone through my life experience, when you are with the living God, there will be no place for the confusion.

Living by the His word

He answered, “It is written, “Man shall not live by bread alone, but by every word that comes from the mouth of God - Matthew 4:4

How can a young man keep his way pure, by living according to your word. I seek you with all my heart; Do not let me stray from your commands. I have hidden your word in my heart that I might not sin against you. ~ Psalm 119:9-11

I run in the path of your commands, For you have set my heart free - Psalm 119:32

The word of God is alive and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart - Hebrews 4:12

“Living by the His word” most of the God servants and the children were failing here. They love God but not His words. They want to live according to their desires. The scriptures were very clear that the man will live by the word of God. When Jesus Christ asked Peter do you want go away from me. Than Peter said where shall I go? You are the one have the word of life.

**Simon Peter answered him, "Lord, to whom shall we go? You have the words of eternal life
- John 6:68**

As the matter of fact the prayer and the word of God are the two legs for the human. Through prayer we will communicate our requests to God and also it says speaking to the living God. Coming to the word of God, He is speaking to us. That word leads us in the right path. The word of God makes us to live and to stand for Him. The Psalmist said through his life experience meditates the words of God. When we mediate the word of God it makes to flourish in the life.

But his delight is in the law of the Lord; and in his law doth he meditate day and night. And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper – Psalm 1:2 -3

Coming to my life and the ministry, I am living by the word of God. To do anything I have listen from the God. The ministry I am doing is the Gods ministry; unless I consult with Him how can do the works of His with my own knowledge? For this great reason I live by His word. That was the reason for me to stand so string for Him throughout my life as the living witness for the living God.

Keep away from evil people

Do not drag me off with the wicked, with the workers of evil, who speak peace with their neighbors while evil is in their hearts - Psalm 28:3

Blessed is the one who does not walk in step with the wicked or stand in the way that sinners take or sit in the company of mockers - Psalm 1:1

Do not be misled: Bad company corrupts good character - 1 Corinthians 15:33

“Keep away from evil people” most of the God servants and the children were failing here.

hey keep the fellowship with the worldly people. Some youth pastors, do the good

Tministry and preaching on Sunday. The same day he will go with the friends to the long rides in the nights. He doesn't think the worldly friendship spoil his spiritual life.

Coming to my life and the ministry I was very strict in my life regarding the evil or the worldly friends and the people. When I accepted Jesus Christ as my personal savior, from that day onwards I left all of the worldly and evil friends. That kind of life made to stand strong for the living god. I have also followed the same formula for my one and only son. I have not allowed him to do the friendship with everybody. I must know about his friends. That kind of care made my son as the great servants of God and he took the total charge of the ministry and doing in the wonderful way. I and my family take care about the fellowship and the friendships. We all keep distance with the evil friends and the relatives. In the other words I can say we do not compromise in this matter. Because of the careful life, God made us strong to live for His glory and allowing us to do the wide ministry.

What leads us to the real life?

Righteousness leads to live

When you were slaves to sin, you were free in regards to righteousness. But what fruit were you getting at that time from the things of which you are now ashamed? For the end of those things is death - Romans 6:20

Do not be afraid.
The Lord is with you.

“Righteousness leads to live” our God is Righteous, He expects us to live righteous. How is it possible to the people. This can be possible only in the living God. If we go through the scriptures, they are very clear about the righteous.

As it is written: "There is no one righteous, not even one - Romans 3:10

We can become the righteous through Him. Our God is so merciful God He love to make us righteous to live for His glory.

If we confess our sins, he is faithful and just and will forgive us our sins and purify us from all unrighteousness - 1 John 1:9

Coming to my life and the ministry, the day when I accepted Jesus Christ as my personal savior, I admitted all of my sins and cried for the redemption. He cleaned all of my sins with His blood and made as the righteous to live for Him, That righteousness making to live for Him in every situation to stand as the living vessel for the living God.

Keeping away from the lies

“You are of your father the devil, and your will is to do your father’s desires. He was a murderer from the beginning, and has nothing to do with the truth, because there is no truth in him. When he lies, he speaks out of his own character, for he is a liar and the father of lies - John 8:44

The cowardly, the unbelieving, the vile, the murderers, the sexually immoral, those who practice magic arts, the idolaters and all liars they will be consigned to the fiery lake of burning sulfur. This is the second death - Revelation 21:8

“Keeping away from the lies” most of the people think that lie is not a sin. But the scriptures were very clear that all the liars were fall in the lake of fire which was called as the second death. We can see in the lives of the Ananias and Sapphira’s life, that how were dead due to the lie. Peter told them that they lied against to the Holy Ghost. The lie led them to die.

In these days we can see many God servants and the children were also living in the life of lies. Whatever they speak, that will be the lies. They are speaking lies for the existence of the life and also for the personal benefits like money and the materials. I have seen the destruction of such families. The sad part here, the God servants and the children were in the list. In these days ministry means to run an orphanage and bible college with the widow and old age homes. They must have the large campus with these building. If someone doesn't have these things, people do not recognize them as the God servants. What these people do to make the big monies for these kinds of things. Lie is the main instrument for them. When we see their end, same like Ananias and the Sephora. They die and the children also die when they alive. By seeing this kind of stories, other people do not rely; they also do this kind of things when the time comes for them.

Coming to my life and the ministry, my father taught not to lie for anything. When you are sincere with the living God He will bless you in every area of the life. I and my other three bothers including the sister were brought up in this way. God blessed us a lot, as we have not adopted the lie as the instrument to grow, what all the growth that God has given us, is the solid and the permanent to speak about the living God and His works towards His children.

Be sober-minded

Describes him accurately, Be sober-minded; be watchful. Your adversary the devil prowls around like a roaring lion, seeking someone to devour - 1 Peter 5:8

“Be sober-minded; be watchful” this is very important thing in the lives of the believers. The devil is moving around us as the roaring lion. It’s not only the devil but also the devilish people around us. How can we watch and win the evils attacks? Through the prayer life only we can win him. Prayer makes strong in the spiritual life, the word of lead you to the safety places.

oming to my life and the ministry, I have faced many attacks through the evil spirit

Cand the evil people. At one stage one of the people who worked against the church the ministry to disturb us by stopping to have the worship at the mission school. Nominal Christians and the leaders were also joined with her. She met the witchcraft man and gave money to him to send the evil spirit to kill me. In that time, the Holy Ghost pushed me to pray more and more. As the matter of fact the Holy Ghost led to pray all the week. In the other side I am getting little weak in the body. But the Holy Ghost strengthened me both in the spirit and the body. I taught the prayer period was over, but the Holy Ghost led me for another week in the prayers. Than the Holy Ghost said enough, take rest. I really do not know why the Holy Ghost led the two weeks in the prayers. The next week one of the friend that woman who sent the evil spirits on me, reveled the secret, that she sent evil spirit on you to kill two times through the witchcraft man. Those evil spirits gone back told that man, this pastor is having bigger spirit than us. The spirit I had was the Holy Ghost. The result of the evil action, that woman died all of sudden. Every God servant and the child must be sober-minded; be watchful to win the devils attacks for the glory of the living God.

Confess and believe

Because, if you confess with your mouth that Jesus is Lord and believe in your heart that God raised Him from the dead, you will be saved. For with the heart one believes and is justified (made right), and with the mouth one confesses and is saved - Romans 10:9-10

“Confess and believe” to live for the God and also to reach the real life, we need to confess our sins and also to receive the Jesus Christ into our hearts as the Lord and Savior. This is the present and continues proses. Every day we need to check ourselves in front of the living God. If we go through the life of King David, he never covered his sins in front of the living God. He confessed for his sins and left them to live for the living God as the living vessel. The next part is the belief. Unless we believe in the God we can please Him. We must believe that the living God was with us and grant every need of us

-Hebrews 11:6

oming to my life and the ministry, every day in the early morning prayers at four
Chirty, first thing I do was, check myself in front of the living God and if I found any
guilty, immediately confess them and come out from those sins and the mistakes,
than I will be connected to God in the prayer. When I do this prayer, I cry like the little
baby. I can definitely say the living God pleases with me and forgives all of my sins and the
mistakes of the daily life. Besides this I believe in my heart one hundred percent that the
living God forgives me and grant every need of the ministry along with the personal needs.

Saved by grace

We ourselves were once foolish, disobedient, led astray, slaves to various passions and pleasures, passing our days in malice and envy, hated by others and hating one another. But when the goodness and loving kindness of God our Savior appeared, He saved us, not because of works done by us in righteousness, but according to His own mercy, by the washing of regeneration and renewal of the Holy Spirit - Titus 3:3-5

“Saved by grace” we are saved by the grace only. No one saved by his good deeds or with their righteousness. Martin Luther was moved with this verse and was able to lead the people to worship God directly. This single verse made him as the leader for the reformation. Through that move the protestant mission was formed and the Bibles gone into the hands of the people and people started direct worship to the living God. This single word “saved by grace” turned multitudes of people towards the living God. Everyone must believe that the God grace is sufficient to save the mankind.

Coming to my life and the ministry, the living God saved me from every kind of sinfulness and the worldly life. People may not forgive me or accepted me, but the living God saved me by grace and made me as the strong servant of Him to reach the un-reached. God gave me the heart to forgive any kind of people who did the damage and the harm. When the people come to me with their problems, I can easily solve them through my life experience. One fine day one husband came to me with allegation towards wife, that she was caught in the adultery. I counseled him by mentioning this verse “saved by grace” I told him how God saved him and also how God saved me. You must remember that and forgive your wife to citrate herself and live as the good wife and good mother for your two kids. Now that family is living happily in the living God. I counseled many people by coding this word “saved by grace” and they are all live happily with the living as the living vessels.

Promised Holy Spirit

In Him you also, when you heard the word of truth, the gospel of your salvation, and believed in Him, were sealed with the promised Holy Spirit, who is the guarantee of our inheritance (in heaven) until we acquire possession of it, to the praise of His glory -

Ephesians 1:13 - 14

“Promised Holy Spirit” we can say the God of Holy Ghost, is strengthens us and leading us to live for Him one face of the earth and also making the way for us to reach the eternal life which we call as the real life. As the matter of fact we are all living in the age of the Holy Ghost. The ministry we are doing or the life we are living is only by the Holy Ghost. Jesus Christ before He left the earth to heaven with the body of glory, he said that I will send the comforter. The Holy Ghost is our comforter and the guide and the strength for the personal lives and the ministry. The father and the son and the promised holy ghost, this Holy Ghost leads the people to the savior for the salvation and also leads us to the eternal life that where we live with the father.

Coming to my life and the ministry, the living God saved me from my sinful life and gave the Holy Ghost as the gift to stand for Him in and around the world. The Holy Ghost gave me the tongues to present the gospel in different languages. The Holy Ghost gave the wisdom and the word to write books and present myself to the people in person and to reach people through the books the videos. The Holy Ghost helped me to reach the world. Besides this the holy ghost leading me towards the eternal life and using to lead many towards the eternal life which we call as the real life.

“Real Life” from personal experience

God saved me from all of my sins through the blood of Jesus Christ in the year nineteen seventy two February seventh at seven thirty in the evening. That was the day of youth prayer day. As I was the secretary of that Baptist church youth wing, prepared to pray by coding all the Bible verses I know, when my turn came to pray. I started to pray with my own knowledge. But something happened in my life on that day. All of sudden the Holy Ghost came upon me, and made me to admit all my sins for the forgiveness. That was the evening prayer meeting from evening seven o'clock. I have prayed by admitting all of my sins with crying for around two hours. That was the great experience in the spirit. After my prayer, I felt like that I am flying in the air. I became very free in the body and in the spirit. The lord Jesus Christ came into my life and made me as the new creation. From that day onwards, I have started to share my experience too many people and also in the churches. When I gave the testimony in my mother church, that day God did great move in church that was the Baptist church, listening my testimony on that day, my father – in – law decided to give his elder daughter to me to marry. She

also had the experience of having the reborn in her life. As Jesus Christ came into my life, He started using me in the way He likes as the mighty vessel in and around the globe. God gave me the full education of twenty one year's, which was the commendable to stand anywhere around the globe. Same time gave me the good health in the physical besides the spirit. God blessed me with good wife and gave one and only son who is now in the ministry. God also gave the wonderful daughter – in – law with one grandson. Now my daughter – in – law conceived, we may get one more grandchild, whether boy or girl. As Jesus Christ came into my life and my family life, our family became the family of living for the Jesus Christ. God blessed me with the good family with the testimony that were we are living and also in and around the church. God blessed me to travel around the globe to share my personal experience with the word of living God, and also blessed me to write thirteen books till now. These books are going around the globe in the net. Within a year I wrote twelve books and around four hundred people read them from around the globe, coming to the ministry here in India, its growing day by day in the number and spirit for His glory. What all I have learned in the God was, when our self-dies and the lord Jesus Christ came into our lives, than we will become the living vessels for the living God. That kind of life leads us to the real life which we call as the eternal life. This is also makes us to lead as many as people to the real life say the eternal life. I praise God for the way He is using us to fulfill the part of His mission through our lives. We praise Him for the way He kept me and my family to live for Him on the face of the earth and also to live with Him in the eternal life called as the real life, forever and ever after finishing this life on the face of the earth. Praise the Lord.

FINAL WORD

This books speaks about the ‘Real Life’ we call it as the eternal life. How can we inherit that real life? The living God made the way for us through His son Lord Jesus Christ.

Jesus said that He is the Way, Truth and the Life.

Jesus answered, I am the way and the truth and the life. No one comes to the Father except through me - John 14:6

The life what we are living on the face of the earth had scriptural description as,

I know your deeds; you have a reputation of being alive, but you are dead – Revelation 3:1

As long as we do not accept Lord Jesus Christ as the personal savior, we are in the dead position. Once we accept Lord Jesus Christ as the personal savior, then we will have life to live for Him. That life leads us to the life of truth on the face of the earth, which leads us to the way that what Lord Jesus Christ said for himself, leads to the “Real Life” that where we live with Him forever and ever.

Though this book I appeal all the people around the globe to accept the Lord Jesus Christ as the personal savior to live for Him on the face of the earth and also live with Him in the eternal life which we call as the “Real Life” forever and ever.

MAY GOD BLESS YOU
